

An illustration depicting a scene from the Russian legend 'The Sea King's Daughter'. On the left, a mermaid with a golden, scale-like headpiece and a blue dress looks towards the right. On the right, a prince with a beard and a crown, wearing a white tunic with blue and gold patterns, looks back at her. They are holding hands. In the background, a large, dark, bearded figure, likely the Sea King, watches them. The setting appears to be a palace or a ship's interior with ornate architecture.

Study of Eastern Europe's Ancient Gods T.D. Kokoszka,2023-08-25 T D Kokoszka grew up in Texas with a Jewish mother and a Polish American father While he was aware of roots going back to Eastern Europe from both families he found it hard to learn very much about them He knew that Polish people would whack one another with palm leaves around Easter and he knew that his great grandmother purportedly believed in forest spirits known as borowy However it wasn t until he was in his teens that he became vaguely aware of an ancient people known as the Slavs who gave rise to the Polish Ukrainian Russian Serbian Bulgarian Slovakian Slovene and Czech languages It quickly became clear to him that this was a family of cultures currently under represented in popular culture and even in western scholarship Not simply a regurgitation of scholarship

from the Soviet period and presenting new analyses by using previously neglected resources Bogowie A Study of Eastern Europe s Ancient Gods offers one of the most painstaking scholarly reconstructions of Slavic paganism These new resources include not only an overview of folklore from many different Slavic countries but also comparisons with Ossetian culture and Mordvin culture as well as a series of Slavic folktales that Kokoszka analyzes in depth often making the case that the narratives involved are mythological and shockingly ancient Readers will recognize many European folktale types and possibly learn to look at these folktales differently after reading this book
