Seal Wife:

The Seal Wife Kathryn Harrison, 2007-12-18 Stunning hypnotic spare The Seal Wife is the masterly new novel by Kathryn Harrison a writer of extraordinary gifts Tobias Wolff Set in Alaska in 1915 it tells the story of a young scientist s consuming love for a woman known as the Aleut a woman who never speaks who refuses to reveal so much as her name Born and educated in midwestern cities Bigelow is sent north by the United States government to establish a weather observatory in Anchorage But what could have prepared him for the loneliness of a railroad town with more than two thousand men and only a handful of women or for winter nights twenty hours long And what can protect him from obsession obsession with a woman who seems in her silence and mystery to possess the power to destroy his life forever and obsession with the weather kite he invents a kite he hopes will fly higher than any has ever flown before and will penetrate the secrets of the heavens A novel of passions both dangerous and generative The Seal Wife explores the nature of desire and its ability to propel an individual beyond himself and convention As she brilliantly reimagines the terrain of the Alaskan frontier during the period of the First World War Harrison a master of her material Mary Gordon also evokes early efforts to chart the weather and reveals the interior realm of the psyche and emotions a human landscape that in its splendor and terror is profoundly and eerily reminiscent of the frozen frontier and the storms that scour its face **The Seal Woman** Beverley

Farmer, 2025-03-01 Portrait of a widow in mourning by one of Australia s most important women writers The Seal Woman was first published to acclaim in 1992 but has been out of print for many years The novel explores the mind of a middle aged Danish woman mourning the recent death of her husband at sea in a cottage lent to her by friends in the seaside village in Victoria where she had spent her honeymoon Farmer s prose is marked by the suppleness of its language and its extraordinary attention to detail Dagmar s observations of the sea and its creatures the light the mist the wind the life of plants are so intense and evocative it is as if she has dissolved into her surroundings On the other hand her passivity leaves her vulnerable to the deceit of others particularly the man she depends on as her lover Her retreat into wonder is undercut by a persistent questioning as to how far it might lead her into a state of submission The Seal Woman was originally published two years after A Body of Water an imaginative montage of journal commonplace book stories and poems which it resembles in its own use of mixed sources from myth and legend and history In bringing these two books back into print alongside Farmer s first work of fiction Alone and her last books The Bone House and This Water Giramondo is building on its commitment not only to this remarkable author but to the republication of contemporary classics by Australian women authors **Seal Woman** Solveig Eggerz, 2014-02-04 Having answered a Berlin newspaper advertisement for strong women who can cook and do farm work Sophie Charlotte finds herself married with two sons on an Icelandic sheep farm trying to sever cords of memory that lead back to the powerful love she knew in Germany and all that she lost there When World War II began Charlotte was attached to a supremely talented but politically furious painter in Berlin But she would lose him twice

first to the resistance and then to the camps More wounding for Charlotte however is the unforgiving trace of their daughter Lena who at five years old tragically disappeared into the chaos of the War This is an extraordinarily beautiful saga that links sure footed portraits of wartime Berlin and the severity of life in the Icelandic countryside Moving and genuinely affirming Seal Woman is a many colored portrayal of a strong woman s life broken in two stark and unforgiving worlds separated by the North Atlantic
