## **Seaports And Development The Experience Of Kenya And Tanzania:**

*Seaports and Development* B. S. Hoyle, 2012-07-26 This book originally published in 1983 demonstrates the importance of seaports in the growth of less developed countries The author focuses on the character of port activity within the context of transport systems and regional economic planning General principles of port development are illustrated by detailed reference to one Third World port group that of the Indian Ocean coasts of Kenya and Tanzania The objective is not merely to illustrate the character of one specific group of ports but to demonstrate methods of analysis and to underline the crucial role of ports in the development process *Port Geography and Hinterland Development Dynamics* Mina Akhavan, 2020-09-25

This book illustrates and discusses the main characteristics of port city development dynamics with a focus on the fast growing city states of the Middle East which are emerging as key players in logistics and the global supply chain Maritime ports and the cities hosting them have long fascinated scholars geographers economists architects urban planners sociologists etc as they become centres of exchange where different social and urban environments meet at the intersection between land and sea Given that the current body of literature on the topic is biased mainly concerning the Western world and East Asian region with mono disciplinary tendencies this book outlines a theoretical basis from a wide range of literature linking port city studies globalization theories and logistics and adopts a multidisciplinary perspective The main target audience of the book includes scholars and graduate students in urban studies spatial planning urban and regional economics logistics geography and transport geography with an interest in studying port geography and the port city interface port infrastructure development and port hinterland dynamics it will also benefit policymakers and urban planners whose work involves these topics *Historical Dictionary of Kenya* Michael Mwenda Kithinji, 2024-06-18 Kenya has a rich and complex history Due to the vast discoveries of prehistoric archaeological remains Kenya is one of the few places in the world with the largest and most complete record of human s cultural development Furthermore the country s strategic location astride the Indian Ocean and the East African littoral attracted numerous foreigners such as the Arabs Persians Portuguese Americans British Chinese French and Germans Additionally immigrants from throughout Africa and beyond have settled in Kenya to escape conflict or political persecution while others wanted an opportunity to begin a new life As a result of being a gateway to the world the country traditionally has been one of the most important business cultural diplomatic and political centers in Africa Still Kenya like many other countries throughout the world has been plagued by an increasing array of complex economic political and social challenges Historical Dictionary of Kenya Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Kenya **Bibliography on**

**Land-locked States, Economic Development and International Law** Martin Ira Glassner, 2019-07-23 Now fully revised

and expanded this is the only available bibliography on the subject of land lockedness and its effects on economic development Reflecting its expanded title this new edition includes not only updated information on the plight of land locked countries but also their current levels of economic development and their role in international law such as the International Law of the Sea Kyoto Protocol on Greenhouse Gas Emissions and international pipeline agreements The volume lists thousands of primary and secondary source materials for research including books monographs journals governmental reports NGO publications and unpublished materials The book is truly international in scope with listings in 29 languages

**Bibliography on Land-Locked States** Martin Ira Glassner, 2023-12-28 Since the publication of the third edition of this bibliography 13 land locked territories have joined the United Nations and the ranks of independent States nine former Soviet socialist republics Slovakia and Macedonia and Ethiopia land locked throughout its long history except for the period 1952-1992 and Andorra land locked always but recognized as a sovereign State only in 1993 Thus by any reckoning there are now more than one third more land locked States in the world than there were only three years ago Some are already experiencing problems with transit across their more fortunate coastal neighbours and even other land locked neighbours and with their uses of the sea and it is likely that such problems will multiply and intensify before they are resolved This fourth edition contains a number of new features all intended to make it more useful as well as more complete and up to date than its predecessors The format has been improved in several ways there are more cross references and the subject index and table of contents have been expanded

Historical Dictionary of Kenya Robert M. Maxon, Thomas P. Ofcansky, 2014-09-09 Kenya has a long and complex history that began thousands of years ago Indeed some archaeologists contend that the country was the cradle of mankind or at the very least one of the places that was home to the earliest hominids In later centuries Kenya's strategic location astride the Indian Ocean and the East African littoral attracted numerous foreign peoples some of the most significant of which have been the Americans Arabs British Chinese French Germans and Portuguese Additionally Africans from throughout the subcontinent have settled in Kenya to escape conflict or political persecution while others wanted an opportunity to begin a new life As a result of being a gateway to the world the country traditionally has been one of the most important business cultural diplomatic and political centers in Africa Although it has maintained this reputation during the post independence period Kenya like most African countries has been plagued by an increasing array of complex economic political and social problems This third edition of Historical Dictionary of Kenya provides a starting point for those interested in any of the phases of Kenya's historical evolution This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Kenya

**Bibliography on Land-Locked States** Martin Glassner, 1991-06-26 Text no 1 The problems of access to the sea to the resources of the sea by land locked states

particularly those in Africa Asia South America have become more serious in recent years the need for a comprehensive accurate up to date bibliography on the subject has never been greater This is the only one existent Besides being expanded updated this third edition has the following new features a new section of resolutions of Intergovernmental organizations other than the United States a list of abbreviations that appear in the entries a third index a more detailed subject index entries in Chinese Nepali making a total of 19 languages a variety of more readable typefaces It should be valuable to students scholars in geography international relations transportation economic development international law diplomatic history etc to diplomats officials of governments intergovernmental organizations consultants other practitioners Text no 2

This third revised expanded edition of a bibliography first published in 1979 lists materials in nineteen languages New features of the third revised enlarged edition are a new section of resolutions of inter governmental organizations other than the United Nations a list of abbreviations that appear in the entries a third index The new author index now includes editors of collections corporate authors such as consulting firms This bibliography is of great value to anyone interested in public international law political geography economic development transportation international relations the Law of the Sea diplomacy related fields

**Ports, Port Cities, and Coastal Zones** B. S. Hoyle, 1997 *Urbanization, Urban Planning and Urban Life in Tanzania* John Campbell, 1988 **Port and Development** Sachinandan Sau, 1997 **Development Studies, Register of Research in the United Kingdom**, 1979 *Urban and Regional Planning of Mombasa and the Coastal Region, Kenya* Robert A. Obudho, 1992 *Seaport Systems and Spatial Change* B. S. Hoyle, 1984 **Global Transport Issues** Rodney S. Tolley, Brian John Turton, 2001 **Cityports, Coastal Zones and Regional Change** B. S. Hoyle, 1996-08-30

Even in the late 20th Century there remains a complex web of spatial inter relationships linking port cities and coastal zones Cityports Coastal Zones and Regional Change brings together seventeen authors to explore aspects of these inter relationships Many of the chapters were first discussed at an intensive British Italian Seminar held in Venice in 1994 and have subsequently been substantially revised edited and updated The essential focus of the book is on the role of port cities in the development and management of the coastal zones within which they are located There is a strong emphasis on environmental issues economic diversification and planning While most of the numerous case studies featured are British or Italian other areas represented include Scandinavia Eastern Europe the Balkans Tropical Africa and North America An overview of cityports and coastal zones in the context of sustainable development provides a timely and forward looking conclusion and makes the book ideal for researchers and students of transport geography urban geography port studies and coastal zone management worldwide

*The Political Economy of Kenya* Michael G. Schatzberg, 1987-11-17 The Political Economy of Kenya is a collection of timely and up to date essays focusing on the interaction of politics and economics in Kenya s domestic political arena The essays written by scholars from Kenya the United States and Great Britain contain in depth presentation based on contemporary research For example the contributors stress the interdependence of politics and

economics in determining political outcomes and examine the Kenyan political system in that light Chapters discuss such topics as Kenyan agriculture urbanization and spatial planning public enterprises public policy and reform and specific case studies on labor and social issues     *Urbanisation, Urban Planning, and Urban Life in Tanzania* John R. Campbell,1995

**Encyclopedia of Africa South of the Sahara** John Middleton,1997 Arranged alphabetically In addition to biographies extensive country information primarily postindependence and historical events the encyclopedia treats general topics in articles such as agriculture political systems and religion and ritual     Subject Guide to Books in Print ,2001     A Research Monograph on Organisational Effectiveness Assessment in Seaport Organisations Jafar Sayareh,Barrie Lewarn,2006
