Search For God:

Searching for God Basil Hume, Basil Hume Osb, 2021-08-02 Looking for God with a monastic master in contemplative prayer

Anselm of Canterbury and the Search for God John T. Slotemaker, 2018-03-20 This volume provides a broad interpretation of Anselm's theological method through a study of his *Monologion*. The *Monologion* has been chosen specifically because of its rich and nuanced account of the search for the one God. Through a careful analysis of this text, what becomes evident is that Anselm's theological project is much broader than a single argument or a simple account of how divine justice and honor are appeased. What one encounters is a theology informed by the notion of the human desire for God and the honest search to come to know God in an intimate way. The *Monologion* therefore will present an entry point into Anselm's theological project. The second half of the volume will examine the reception history of Anselm's two most famous philosophical and theological contributions, i.e. the ontological argument and the satisfaction theory. Anselm is often misunderstood because his approach to theology is reduced to the one argument or a carefully construed calculus of human redemption. Such readings of Anselm abound and often obscure the Benedictine context within which his thought developed, and so a careful reading of Anselm's texts and the history of reception and interpretation will offer a counter narrative to the standard perception of one of the greatest thinkers of Christian history.

One Man's Search for God Rex L. Sample, 2019-09-06 How does a Christian whose faith has been shaken by a highly secularized world find his way back to faith? This book traces the autobiographical journey of one man's search for God and then attempts to help other Christians who have lost their way find their way back to the Father.

[Searching for God Study Guide](#) Holly Lazzaro, 2019-08-27 In this 6-session video-based study guide DVD, streaming video sold separately, some of today's greatest Christian thinkers and apologists explore many of the most important questions about Christianity and what it has to offer the world today. What is Christianity and how is it unique among worldviews? What are some of the ideas that have influenced the way people think about it? Is there any evidence for God? Why does the resurrection matter? Many people in today's culture hold a wide variety of ideas about religion in general and Christianity in particular, some of which stem from distorted views and misunderstandings that the church can respond well to if it's well equipped. The *Searching for God Study Guide* will draw you and your small group into a close look at the Christian faith and how it makes better sense of the universe and human nature than two of the most common non-Christian theories, naturalism and relativism. It then examines the central event in the Christian story, the resurrection of Jesus Christ, and how to make a strong defense of this event. Holly Lazzaro expertly leads participants into deeper reflection on the insights provided in the video study by top scholars such as Lee Strobel, William Lane Craig, Gary Habermas, J. Warner Wallace, Nabeel Qureshi, Paul Copan, and many more. This video-based study is designed to be experienced in a group setting or any small gathering and includes video teaching notes, group discussion questions, personal reflections, and Scripture readings. *Searching for God Video Study* 025986100711 sold separately.

A Search for God

Carmine G. Barba,2004 Should the act of creation by God be taken i e can it be considered in a light other than that of religion Indeed is it even possible to view it in terms of facts and knowledge rather than one of faith Virtually all organized religions assume the existence of God as the creator of the universe and all things in it This belief has always taken the form of faith and reason i e it is an act of faith and not necessarily one of knowledge which is in effect an assumption of belief rather than one based on scientific fact and unless this belief is brought into the realm of science we can never be certain beyond any doubt that God does indeed exist This author explains how scientific principles can enter into the explanation of God s existence and how the Act of Creation itself comes out of the hiddenness of God s root source of energy and into the open realm of 3 dimensionality

Searching For God And Finding Allah Gene Netto,2019-11-19 What does Islam say about Christianity Jesus the Trinity the Holy Bible and Almighty God What does Islam say about the Absolute Truth of Islam the Prophet Muhammad and the Holy Qur an also spelled Koran If there is only One Almighty God then Christians and Muslims must be praying to the same God So what are the differences between the two religions and why do Muslims reject Christianity the Bible and Jesus as the Son of God but still accept Jesus as a prophet of God For non devout and ex Christians this book will explain the problems with Christianity from an Islamic perspective It will also explain that the Prophet Muhammad was sent to replace Jesus as the next person in a succession of prophets that started with the Prophet Adam and finished with the Prophet Muhammad For Muslims who grew up without a strong religious education this book will explain that all religions are not the same that Christianity is no longer valid or accepted by God and that we should use the logical brains that God gave us to understand Islam In this book you will discover that Islam is simply the continuation of Judaism and Christianity that Islam is the One True Religion of Almighty God and always has been since the time of Adam and Eve and that the Prophet Muhammad is the next messenger and also the Final Messenger from God that Jesus promised to his followers Gene Netto

Search for God Ending in Jesus Mani Augustine Chilampikunnel PH.D,2015-12-30 This book is designed to assist those sincerely seeking God in their lives It is not written for scholars researchers or critics but for the common men and women who are yearning to establish an intimate relationship with God while going about their daily lives In addition this book is of considerable value to parents who want to live their Christian faith and bring up their children in the practice of faith It is an invitation to those who have no faith or lost their faith but are seeking to reestablish their relationship in order to experience the loving kindness of the heart of our God Search for God Ending in Jesus is based on the authors intense research on various religions and religious practices and years of interactions with people of different faiths In this book the author attempted to make accurate use of human language in order to speak about God providing logical thought to ultimate explanation of all realities leading to the existence of God who chose to come down to us in the person of Jesus Christ in an actualized concretized personalized way

Searching for God, the Precious Treasure, in My Daily Life Reverend Peter G. Vu,2019-03-26 In an increasingly tumultuous world knowing God is by your side can make an enormous

difference bringing strength comfort and peace In *Searching for God the Precious Treasure in My Daily Life* Rev Peter G Vu helps you see God's presence in everyday events and find the encouragement necessary to thrive in times of challenge Through prayer acts of charity and interactions with others you will see that God is before you behind you and all around you a benevolent guiding force to help you walk the path of the righteous A portion of the proceeds from book sales will benefit the American Red Cross and the Catholic Relief Services in addition to other charities

Searching for God, Finding Love Teresa Leshner, 2024-02-09 *Searching for God* not only offers an inspiring emotional insight to the author's journey to and through Islam it beautifully maps out Islamic principles in an understandable and relatable way Truly a five star read Ameena Blake Muslim scholar UK A story of a Christian who always carried Islam unknowingly in her heart until she finally discovered it then artistically crafted her experience with a feather Rarely does a book touch my heart and inspire me like that Fadel Soliman Bridges Translation of the Ten Qira at of the Noble Quran One of my earliest memories is of contemplating God I was a freckle faced girl of five sitting quietly in catechism class when the teacher casually said God is bigger than everything The words hit me like a blast force The classroom disappeared the teacher's voice muted and I gasped at the revelation Bigger than the tallest tree in the yard Bigger than a mountain Bigger than the world The enormity of God impressed me but I couldn't help wondering If He is bigger than anything where is He In this inspirational memoir Teresa Leshner shares her search for God She explores factors that have made her who she is as well as influencers who shape who she aspires to be and who lead her in her quest for the Divine She dissects basic concepts that have been essential for her understanding of God as well as paradigms that shape her experience of Him She shares her journey along the Divine Path and closer to Divine Presence through expressions of submission to Him This quest for God takes her to her innermost self and ends with a discovery of life an understanding of love and a commitment to truth

Searching for God Gregory C. Higgins, 2014 *Searching for God* draws upon the traditional categories of systematic theology as it guides readers through the Catholic theological thought process involved in the search for God At each step we examine the work of a past thinker from the time of the early church up to the early twentieth century and a present thinker whose works are often required reading in theology courses Not only do readers have the opportunity to critically evaluate several important theological works in the Catholic tradition they can also enter into dialogue with those works as they engage in their own search for God Provided by publisher

In Search of God J. Gregory Steiner, 2022-06-27 *In Search of God* invites you to enhance your faith in a new way J Gregory Steiner draws on his personal and religious life as a vehicle to seek wisdom on the nature of God divinity the Son of God and eternity He considers questions such as How can Christians express new ideas without being disowned as true believers Does faith need to move in a new direction to attract people searching for God in their lives Should our understanding of dogma and doctrine change as we grow into adulthood and beyond It is easy to discuss on a philosophical and theological level the need to change our ideas about creation incarnation and redemption in

today's world. However, it is quite a challenge to deal with these needs from a kneeling position in a church pew. Join the author as he explores how to navigate questions about religion and move the church forward. **Searching for God** Francis L. Gross, 1989. A practical book for making good second starters in prayer, morality, choice of church, and questions of religious content. *Searching for God* is more concerned with choosing a good church than it is in finding the one true church. It presents prayer as the beginning of contact with God and love as the foundation of morality. **My Search for God Through the Akashic Records** Lee Fisher, 2014-05-29. What is a soul? Does the soul have a personality? The Akashic Records response was: The soul is the personality. There is no determining factor as to how many times the soul re-incarnates. This is left up to the individual as to how many times they re-incarnate. There is no such thing as a failed incarnation. The soul is never discarded or destroyed. Once the soul reaches perfection, it rejoins the spirit of God for all eternity. **Science and the Search for God** Gary A. Kowalski, 2003. Harvard-educated theologian Gary Kowalski argues that many of the ills of the modern world, from the rise of fundamentalist intolerance to secular society's endless and empty search for thrills, stem from the mistaken view that science and faith are antagonists rather than natural allies. Both science and faith, the author suggests, compel us now to move beyond materialism toward an understanding of the world that includes the realities of consciousness and spirit. In the twenty-first century, human beings have less reason than before to feel they hold a privileged or special position in the cosmos, but more cause than ever to feel connected and akin to all that is. Christians and Jews, skeptics and seekers alike will find that this brief, persuasively written volume sheds new light on the old questions: Who are we? Where do we figure in the larger scheme of things? And what can we honestly believe? **In Search of God's Will** Trevor Hudson, 2024-11-05. Have You Ever Asked What Is God's Will for My Life? A trusted voice of the Christian faith in spiritual formation and discipleship, deeply shaped by the wisdom of Dallas Willard and St. Ignatius, Trevor Hudson has crafted a user's guide to discern God's personal will for our lives. After serving the local congregation as a Methodist pastor in South Africa for almost fifty years, Trevor now lectures, teaches, and offers spiritual retreats both locally and internationally. Over the years, this question about discerning God's will is one that he has heard again and again. *In Search of God's Will* creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life, ultimately helping you to become the unique person God wants you to be. You'll be equipped and encouraged in your faith on how to align your heart with the heart of God, attune yourself to your calling, listen to God in Scripture, pray, the Scriptures pay attention to the movements of the Spirit in your heart, uncover and exercise your God-given giftedness, notice God's presence and activity in daily life, engage in sacred conversations with trusted companions, make faithful decisions, take the initiative when God seems silent, and more. Each concept includes a discernment exercise so that you can experience what you are learning. If you have ever wondered about God's personal will for your life, how your desires and God's desires intersect, and how God is present and active around you, *In Search of God's Will* can help you catch glimpses of what it means to become the person that, from eternity, you were.

destined to be *Looking for God* Alexys V. Wolf,2009-11 Discerning the difference between religion and spirituality provides uncertainty for even the most devoted believer For a newborn Christian or non believer being tossed into the sea of confusion when it comes to the mysteries of God and the fleshy church can be daunting enough to have anyone run the other way Maybe you are confused by different religions or find hypocrisy in the church Maybe you find your relationship with God leaves you feeling bored and lifeless or the hype surrounding the church does not meet your needs Whatever your reason for lacking a personal relationship with God you can still learn the tools to strengthen build and mend a spiritual union with your Creator While many straddle the fence between religion and spirituality author Alexys V Wolf hopes to guide you in your transition from rigid religion to spiritual intimacy with God Learn to walk in divine light and authority grow the courage to live a fulfilled life of peace and understanding without judgment and develop patience and wisdom with your fellow believers By creating a private bond with God you will hunger for the Word and never again get lost in the mundane world of man made religion By learning to die to the flesh and accept God s powerful association in your life you will no longer be lost at the crossroads of religion rather you will develop a friendship like none other with the Father and radiate a light that will shine for others Challenge yourself now to Look for God *In Search of God - Growing in Him Book1* Robert
