

Search For The Northwest Passage

Richard Bailey

Search For The Northwest Passage:

Search for the Northwest Passage Alan Edwin Day, 1986 5160 entries organized chronologically by expedition with sections on encyclopaedic works maps atlases anthologies biographies etc **Sir John Franklin** Anders Knudsen, 2007 A mystery for more than a hundred years British naval officer Sir John Franklin and his entire crew disappeared on his famous voyage to find the Northwest Passage in the mid 1800s Learn about the life of this driven explorer the Arctic voyages that would make him famous and what really happened to Franklin's party **The Quest for the Northwest Passage** Frédéric Regard, 2015-10-06 These essays trace the history of the British search for the Northwest Passage the Arctic sea route connecting the Atlantic and Pacific oceans from the early modern era to the start of the nineteenth century *Across the Top of the World* James Delgado, 2009-12-01 The centuries long quest for the fabled Northwest Passage rivals the story of Antarctic exploration for heroism drama and tragedy Expedition after expedition set off in search of a sea route connecting Europe with Asia's riches each expedition suffered extreme hardship and ended in defeat until Roald Amundsen finally succeeded in 1903 06 Across the Top of the World brings this incredible saga to life through exhaustive research grim firsthand accounts and hundreds of dramatic images Paintings engravings and photos of the intrepid men and their ships as well as of relics and archaeological sites provide a poignant and compelling link with the past while landscapes and seascapes of the harsh yet beautiful Arctic illustrate the challenges that faced explorers Covering all the major expeditions in detail and written with passion and authority this book is both a scholarly reference and an eminently readable history of Arctic exploration *The Search for the Northwest Passage* Jill Foran, 2005 An introduction to the Northwest Passage and the people who endured harsh conditions to travel it [Search for the Northwest Passage](#) Natalie Hyde, 2018-02-28 An obsession for hundreds of years the search for the fabled Northwest Passage from the Atlantic Ocean to the Pacific is a tale of ambition fear folktales courage and controversy This engaging title reveals the motivations of the many countries and explorers who played a part in the almost 500 year search for a commercial sea route to India across the arctic Primary and secondary source materials such as oral histories of the Indigenous people and recorded accounts are examined as well as fictional accounts from popular culture of the many failed expeditions Readers will gain an understanding of how important this quest was as well as how it remains relevant today Teacher's guide available **Ordeal by Ice** Farley Mowat, 1976

Arctic Labyrinth Glyndwr Williams, 2009 For centuries British navigators dreamed of finding the Northwest Passage the route over the top of North America that promised a short cut to the fabulous wealth of Asia We now know that several passages exist and if climate change continues some may soon be open but for most of the period of the search they were choked by impassable ice Knowledge was won only at great cost as expedition after expedition often in the most terrible conditions added to patchy and sometimes fatally misleading charts ARCTIC LABYRINTH tells the extraordinary story with great skill and brilliance From the tiny woefully equipped ships of the first Tudor expeditions to the steam powered vessels of

the Victorian age and the icebreakers of the modern era Glyn Williams describes how every form of ingenuity was tried in order to break through the ice barriers set across a nightmarish maze of tortuous channels and sterile islands The heroism folly and horror of these voyages were almost unbelievable men suffered and died from scurvy frost bite and starvation entire ships were crushed in the ice and all in pursuit of a goal that proved futile Williams s book is an important work of exploration and maritime history and a remarkable study in human delusion and fortitude *The Perilous Search for the Fabled Northwest Passage in American History* Karen Clemens Warrick,2004 The search was on John Franklin s expedition had disappeared while searching for the Northwest Passage Such was the risk when trying to discover the fabled waterway that eluded so many before Search parties were sent to find Franklin but they too looked for ways to complete the passage In *The Perilous Search for the Fabled Northwest Passage in American History* author Karen Clemens Warrick leads readers through ice cold temperatures and chilly waters while they learn about explorers efforts to find the passage Only the explorers who adapted the ways of the Inuit people would have success and escape death From John Cabot to Henry Hudson to Roald Amundsen Warrick examines all efforts by these brave men Book jacket **Arctic Explorers** Frances Hern,2011-02-01 There is no saga in Canadian history as full of hardship catastrophe and mystery as the search for the Northwest Passage Since the 15th century the ice choked Arctic waterway has been sought and travelled by daring men seeking profit glory or a chance to test themselves against the merciless North Frances Hern takes us aboard ships with the explorers whose names are memorialized on modern maps of northern Canada Martin Frobisher daring privateer in the service of Elizabeth I Henry Hudson a navigator who may have driven his crew to mutiny John Franklin whose last voyage became an enduring northern mystery the talented Orkneyman John Rae a surgeon and surveyor on the trail of Franklin Also vividly recounted are the gruelling overland treks of Samuel Hearne the heroic exploits of Roald Amundsen leader of the first expedition to traverse the passage and the incredible voyages of Henry Larsen captain of the RCMP vessel St Roch

Resolute Martin W. Sandler,2008 Almost everyone knows the photo of John F Kennedy Jr as a young boy peering out from under his father s desk in the Oval Office But few realize that the desk itself plays a part in one of the world s most extraordinary mysteries a dramatic tale that has never before been told in its full scope The Search for the Northwest Passage Warren Brown,1991 An account of the search for and discovery of the Northwest Passage *Search for the Northwest Passage* Binford & Mort Publishing,Lucile McDonald,1958-11-01 The Man Who Ate His Boots Anthony Brandt,2011-03-22 After the triumphant end of the Napoleonic Wars in 1815 the British took it upon themselves to complete something they had been trying to do since the sixteenth century find the fabled Northwest Passage For the next thirty five years the British Admiralty sent out expedition after expedition to probe the ice bound waters of the Canadian Arctic in search of a route and then after 1845 to find Sir John Franklin the Royal Navy hero who led the last of these Admiralty expeditions Enthralling and often harrowing *The Man Who Ate His Boots* captures the glory and the folly of this ultimately

tragic enterprise The Search for the Northwest Passage (DVD) ,2005 **Voyages in Search of the North-West Passage** Richard Hakluyt,1886 Ordeal by ice; the search for the Northwest Passage ,1973 *Voyages in Search of the North-West Passage* Richard Hakluyt,2021-04-25 In *Voyages in Search of the North West Passage* Richard Hakluyt meticulously chronicles the explorations undertaken by European navigators seeking a maritime route through the Arctic to Asia The work is marked by Hakluyt s distinctive prose style which combines rigorous empirical observation with a rich narrative flair capturing the spirit of the Age of Discovery The book not only catalogs voyages but also engages in the political and commercial motivations behind them revealing the crisscrossing ambitions of nations in the late 16th to early 17th centuries Hakluyt s compilation is steeped in the intellectual context of its time reflecting the burgeoning European curiosity about global exploration trade and the potential for knowledge expansion Richard Hakluyt 1553 1616 was an English geographer and historian whose passion for exploration stemmed from his deep understanding of the economic and intellectual currents of his era Educated at Oxford Hakluyt was influenced by the Renaissance s spirit of inquiry and the growing importance of maritime endeavors His efforts to promote colonization and trade are evident in his many works of which this is a compelling expression particularly highlighting the ambitions of English exploration This book is an essential read for anyone interested in maritime history exploration or the dynamics of early modern geopolitics Hakluyt s detailed accounts illuminate not only the challenges faced by explorers but also the tantalizing allure of uncharted territories making this work a fascinating window into the aspirations that shaped an era In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

The Vanished Northwest Passage Arctic Expedition Lisa M. Bolt Simons,2022 In 1845 Sir John Franklin commanded two ships on an expedition to find a Northwest Passage from England through the Arctic and over to Asia If successful the route would be a faster way to get goods from Asia to Europe and back But success was not in the cards for Franklin s expedition Only recently the sunken ships were discovered in the icy Arctic waters What happened to Franklin and his men and what messages did they leave behind **The British Search for the Northwest Passage in the Eighteenth Century** Glyndwr Williams,2023-07-18 Drawing on extensive archival research this groundbreaking study chronicles the efforts of British explorers to find a navigable route through the Arctic waters of Canada s Northwest Passage in the 18th century With vivid descriptions and insightful analysis this book sheds new light on a pivotal period in the history of polar exploration This work

has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public.
