The Lion that Swallowed Hemingway Orest Stocco,2014-07-06 The saddest people in the world are those that have been brought as far as life can take them in the evolution of their individuality because the longing in their soul for wholeness and singleness of self cannot be satisfied by life and one does not know what to do to fill the hollow in their soul and be the person they are destined to be like my high school hero Ernest Hemingway No matter how much life he experienced he never seemed to get enough of it like marlin fishing in the Gulf Stream which so tested his manhood that he had to prove himself over and over and over again and in the process winning trophies and adulation that fed his massive ego which in turn demanded more attention a never ending cycle that drove the great author to despair and suicide *Dreams from the Other Side* Alex Lukeman,2002-03-21 The stories in this book are all true Many are dreams of loved ones who returned to the dreamer days months or even years after death Alex Lukeman stresses the fact that while some dreams of the departed are psychological in nature there are also such things as true dreams of return In these a sense of completion and deep connection is always present **Dear and Glorious Physician** Taylor Caldwell,2012-06-04 Two thousand years ago St Luke was known as Lucanus one of the greatest physicians of the ancient world Taylor Caldwell brings him to life in this portrait of a complex and brilliant man and the colorful Roman society in which he lived
