Ouimette,2005-09-01 Finding Your Irish Ancestors A Beginner s Guide is the ultimate resource to help you learn if the luck of the Irish is in your blood or not This easy to use guide will teach you to make use of the many Irish family history records that have become available in recent years Explore the best family history sources in Ireland including birth marriage and death records church records census records and much more Finding Your Irish Ancestors will help you discover Internet sites for searching Irish heritage and prepare for a successful family history trip to Ireland      *Finding Your Chicago Ancestors* Grace Dumelle,2005 In this easy to use reference guide family historian Grace DuMelle provides the means to trace Chicago connections like a pro She shows not just what to research but how to research Without wading through preliminaries readers choose any of the self

contained chapters that focus on the questions beginners most want answered Other chapters cover the nuts and bolts of the mechanics that are the key to making a family s past come alive with highlights summarizing important points In finding Chicago ancestors readers will better understand not only their family s history but also their involvement in the history of a great American city Midwest Independent Publishers Association Book Award 1st Place Hobby How To Illinois Woman s Press Association Book Award 1st Place Instructional Nonfiction National Federation of Press Women Book Award 3rd Place Instructional Nonfiction The Chicago Roots of Your Family Tree For almost 175 years a great metropolis on the shores of a freshwater sea has sent a siren call to immigrants internal and external giving most Americans some kind of link to the City of Big Shoulders Whether your people came west from New England in the early days of settlement or north from Mississippi in the Great Migration whether they sailed from Sweden and Sicily or flew from Budapest and Prague whether they settled here permanently or temporarily this easy to use reference guide will help you document them Family historian Grace DuMelle provides the means to trace your Chicago connections like a pro She shows you not just what to research but how to research Without wading through lots of preliminaries choose any of the self contained chapters that focus on the questions beginners most want answered and jump right in Where do I start When and where was my ancestor born When did my ancestor come to America What did my ancestor do for a living Where did my ancestor live Where is my ancestor buried Other chapters cover the nuts and bolts of the mechanics that are the key to making your family s past come alive with highlights summarizing important points Examples of documents such as death certificates church registers and U S census entries Chicago area research facilities what they have and how to access it Researching using newspapers machines and catalogs Sources for specific ethnic research Sources for long distance research In finding your Chicago ancestors you will not only better understand your and your family s history but also your and your family s involvement in the history of a great American city

*My Best Genealogy Tips: Finding Formerly Enslaved Ancestors* Robin R. Foster, 2023-05-19 Did you ever wonder about the enslaved people in your ancestry Have you asked the oldest living relative what they remember Do you know what to do next I was able to find my second great grandfather Beverly Vance 1832 1899 in 1880 and 1870 on the census along with his mother his wife and his children Have you located your formerly enslaved ancestor in the 1880 and 1870 censuses This book entitled *My Best Genealogy Tips Finding Formerly Enslaved Ancestors* will lead to discovering ancestors who had been enslaved My move to South Carolina When I first moved to South Carolina in 2005 I no longer had to research my ancestors from afar I lived in the same town as the South Carolina Department of Archives and History I went regularly to Richland Library where I learned about my family in Richland County and I identified Abbeville County as the place where they were enslaved After going through and documenting everything I had I reached out to the community where Beverly was enslaved in Abbeville County South Carolina Originally I was puzzled because I could not find them in 1880 Greenwood County was redistricted in 1897 They did not move but Greenwood County did not exist before 1897 It was

Abbeville County SC before 1897 Digging a little deeper I moved to Greenwood County SC and spent two years trying to uncover what I could The research included in this book is for those of you who would like to take my examples and use them to find burials for those who were formerly enslaved I documented formerly enslaved ancestors and worked with the descendants of enslavers to discover what they knew I did not take the advice given to me by other people while I was researching It is so important to have a clear head when you are looking for family I was told that I would not be able to document my ancestors before 1870 I was told that I would not find them married after enslavement I was told that I did not need to search for them on land deeds or even in newspapers These are the things that I was told Let me say that if I had entertained any of what I was told I would not have had the findings presented in this book I did not listen and I have found all but one of my ancestors married after enslavement So just remember when you have become a little down because you have made that overwhelming discovery and grandma just does not want to talk or people with the best intentions give the wrong advice For these reasons I have a habit of visiting courthouses libraries historical societies and archives to see their resources in person after I have exhausted researching online Even with all that has been put online I notice parts of collections All the original documentation is kept at the repository Do not get me wrong though Databases such as familysearch org and Ancestry com are vital FamilySearch Books WorldCat org Internet Archive and Amazon com are places I have found my ancestors Louisiana In 2016 Ellis and I went on an adventure to discover more about his family in Louisiana We started out in New Orleans and discovered his Grandmother Louise s parents after searching among the clerk of court records in East Feliciano Parish Alabama Ellis and I also visited the Jefferson County Alabama where Ellis found a plat map which showed his grandparents property Mississippi and North Carolina I will share my recent findings with you They are a much harder group of people to research involving Buck Nelms B 1830 and his family from Mississippi and North Carolina back to 1841 For me oral history has played an integral part in my finding documentation I have gathered many examples of historical records that you will want to know about so that you too can find your formerly enslaved ancestor Finding Your Irish Ancestors Brian Mitchell,2001 His new book Finding Your Irish Ancestors is intended as a companion volume to the venerable Pocket Guide Making use of the case study technique employed in the Pocket Guide this new book expounds on topics that are not found in his earlier book and expands on others that are For example Irish surnames and place names represent a treasure trove of historical information and contain genealogical clues that are frequently overlooked by researchers Accordingly Finding Your Irish Ancestors includes two chapters on the importance of surnames and the importance of place names in family history The place name chapter for instance explains the etymological origins of a number of Irish townlands and the importance in Irish research of the all important finding aid the General Alphabetical Index to the Townlands and Towns Parishes and Baronies of Ireland Another neglected topic is the role of local history in Irish genealogy In the final chapter of his new book Mitchell uses the case study method to illustrate how delving into

published town histories and unpublished local manuscript collections can unearth buried evidence on Irish ancestors Although a list of government supported Genealogy Centres in Ireland can be found in the Pocket Guide Mitchell now shows the reader in some detail how best to use these important resources And he ought to know inasmuch as he has administered the Derry Genealogy Centre for more than a decade The chapter pertaining to emigration and Irish passenger lists includes a brief history of 19th century Irish emigration while another one focuses on how to make the best use of church registers perhaps the single most important source in Irish genealogy Drawing on his first hand experience as a genealogist and as a geographer Brian Mitchell delivers a new volume that is full of first hand explanations and expertly drawn maps of Ireland and Northern Ireland If you own a copy of the Pocket Guide you are sure to want Brian Mitchell s latest collection of Irish genealogy essays **Finding Your Irish Ancestors Basics of Genealogy Reference** Jack Simpson, 2008-09-30 This book offers novice and experienced reference librarians an introduction to tried and true genealogy techniques and resources With the help of four case studies Simpson outlines a basic starting strategy for conducting genealogy research Later chapters deal specifically with genealogical librarianship how to conduct a reference interview continuing and professional development and basic resources every collection should have Charts screen shots and examples of public documents are also included while a series of appendices present the case studies in their entirety Genealogy is one of the most popular hobbies in the United States and is heavily researched in public libraries and historical repositories Increasingly major genealogy resources are available online at libraries through subscription databases or free on the internet As a result librarians face the overwhelming task of helping a large audience of genealogists cope with an ever growing flood of new resources This book offers novice and experienced reference librarians an introduction to tried and true genealogy techniques and resources With the help of four case studies Simpson outlines a basic starting strategy for conducting genealogy research Later chapters deal specifically with genealogical librarianship how to conduct a reference interview continuing and professional development and basic resources every collection should have Charts screen shots and examples of public documents are also included while a series of appendices present the case studies in their entirety **AARP Genealogy Online** April Leigh Helm, Matthew L.
