Searching Our Souls For Men:

The Mystery of the Soul: a Search Into Man's Origin, Nature, and Destiny Stephen Watson Fullom, 1865

Father Malebranche his Treatise concerning the Search after Truth ... To which is added the author's Treatise of Nature and Grace ... All translated by T. Taylor ... The second edition, corrected ... With the addition of a Short Discourse upon Light and Colours, etc Nicolas Malebranche, 1700 Father Malebranche's Treatise Concerning the Search After Truth Nicolas Malebranche, 1694 **Searching for Crazy Horse** Kurt Philip Behm, 2011-12-15 Award winning author Kurt Philip Behm's third novel Searching For Crazy Horse is the seminal work of a forty year search for the truth within himself. While touring the Rocky Mountains by motorcycle since 1967 he started to hear a voice from deep inside himself talking to him and saying things that at first he could not understand. The great Crazy Horse's words were confusing when first spoken but once heard clearly they allowed the author to break through his own limitations and finally set himself free. Ride with them together as they travel the high mountains along the spine of the Great Divide. You will come away with a better understanding of what it meant to be truly free in a time when the American landscape was big enough to hold all of one's imagination within its heart. And where the true magic within a dream was in dreaming it together. *Father Malebranche's treatise concerning the Search after Truth. The whole work compleat. To which is added the author's treatise of Nature and Grace ... together with his answer to the animadversions upon the first volume: his defense against the accusations of Mr. De La Ville, &c., relating to the same subject. All translated by T. Taylor* Nicolas Malebranche, 1694

Feast Days for the Contemporary Mind Craig Martin Barnes, 2014-04-07 Thy way O God is in the sanctuary who is so great a God as our God Psalm 77:13 If you think the Old Testament feast days are outdated and of no interest to Christians living in the twenty first century think again. Within the feast days lies the entire gospel message of salvation. Every feast says something about Jesus who He is, what He is doing, and what He will do in the future. Feast Days for the Contemporary Mind will open your eyes to the amazing truths about salvation that God wove into the feasts He gave to the Israelites to observe. Pastor Craig Martin Barnes explores each of the seven feasts and the antitypical fulfillment of each event as it relates to our redemption. This book plunges you into the Word of God examining the Old and New Testament as it relates to the feast days and their completion and providing detailed commentary that expounds upon the subject matter and guides you to a deeper understanding of Jesus' life, death, and heavenly ministry. Malebranche: The Search After Truth Nicolas Malebranche, Paul J. Olscamp, 1997-05 Distinguished translation of the major work by a figure of crucial importance to the Enlightenment.
