Congress. Copyright Office, 1979 *Hearthstories* Joanna Devrais, 2009-09 Lessons of Personal Pilgrimage and Change How can we better take in each moment of our lives How can we be more responsive and open to the here and now These questions are at the heart of our spiritual quests and personal pilgrimages In this book the author shares inner and outer discoveries that brought her closer to herself and to the simplicity subtlety and everydayness of her life Her stories as far ranging as enjoying tea with a friend to visiting mysterious Black Madonna icons in Europe remind us to pay attention not only to the more dramatic or sensational events of our lives but to those simpler moments of connectedness and responsiveness that bring us into our true self This memoir is filled with stories that are inner markers for personal evolution and change particularly in the quest for the powers of the feminine The author's anecdotes touch us all reminding us that without our stories we might each miss the purpose and meaning of our lives There are insights in these pages for every reader lessons for finding the voice of our own quiet wisdom From the Foreword by Hal Zina Bennett Alphaverse and Omegaverse TJ Morris,

*The Savannah River Chiefdoms* David G. Anderson, 1994-11-30 This volume explores political change in chiefdoms specifically how complex chiefdoms emerge and collapse and how this process called cycling can be examined using archaeological ethnohistoric paleoclimatic paleosubsistence and physical anthropological data The focus for the research is the prehistoric and initial contact era Mississippian chiefdoms of the Southeastern United States specifically the societies occupying the Savannah River basin from ca A D 1000 to 1600 This regional focus and the multidisciplinary nature of the investigation provide a solid introduction to the Southeastern Mississippian archaeological record and the study of cultural evolution in general Domestication in Action Anna-Kaisa Salmi, 2022-05-24 Reindeer have been an integral

part of the lives of people in Northern Fennoscandia in prehistoric and historic times Today reindeer herding practices are changing fast due to climate change land use pressures and new technologies This book outlines recent advances in the archaeology of reindeer domestication and development of reindeer herding among the Sami of Northern Fennoscandia focusing especially on the identification and understanding of various reindeer herding tasks and practices through

archaeological evidence and traditional knowledge of reindeer herders Covering more than a thousand years of history of reindeer herding the book explores how reindeer herding practices have always been dynamic and adapted to the changing social economic and environmental pressures While reindeer herding practices have changed they have also retained memory and tradition The continuity and adaptation of reindeer herding testifies of the resilience of reindeer herders and their animals and the importance of their relationship in the changing Arctic This book will be of interest to scholars interested in archaeology anthropology and history of the Arctic as well as local communities and reindeer herders *The*
