Seasonal Variation In Health And Diseases:

History and Philosophy of Chinese Medicine Ya Tu, Tingyu Fang, 2015-01-15 In this book we endeavor to introduce readers to the cultural background origins and historical development of traditional Chinese medicine We surveyed the most important events in its long history and the conditions that influenced its development including the cultural and philosophical ideas and assumptions that led to the development of the particular methods and techniques of healing that characterize Chinese medicine Our goal is not to give an exhaustive survey of the history and philosophy of Chinese medicine but rather to convey the patterns of its development and allow readers to gain an understanding of the distinctive features of traditional Chinese medicine **Library of Congress Subject Headings** Library of Congress, 2012 *Library of Congress Subject Headings* Library of Congress.
