Magic Lands John M. Findlay, 1993-09-22 The

American West conjures up images of pastoral tranquility and wide open spaces but by 1970 the Far West was the most urbanized section of the country Exploring four intriguing cityscapes Disneyland Stanford Industrial Park Sun City and the 1962 Seattle World's Fair John Findlay shows how each created a sense of cohesion and sustained people's belief in their superior urban environment This first book length study of the urban West after 1940 argues that Westerners deliberately tried to build cities that differed radically from their eastern counterparts In 1954 Walt Disney began building the world's first theme park using Hollywood's movie making techniques The creators of Stanford Industrial Park were more hesitant in their approach to a conceptually organized environment but by the mid 1960s the Park was the nation's prototypical research park and the intellectual downtown for the high technology region that became Silicon Valley In 1960 on the outskirts of Phoenix Del E Webb built Sun City the largest most influential retirement community in the United States Another innovative cityscape arose from the 1962 Seattle World's Fair and provided a futuristic somewhat fanciful vision of modern life These four became magic lands that provided an antidote to the apparent chaos of their respective urban milieus Exemplars of a new lifestyle they are landmarks on the changing cultural landscape of postwar America *The Bicentennial of the United States of America* American Revolution Bicentennial Administration,1977 *DK Eyewitness Travel Guide Pacific Northwest* DK Travel,2017-01-16 The DK Eyewitness Pacific Northwest Travel Guide is your indispensable guide to this beautiful part of the world The fully updated guide includes unique cutaways floorplans and reconstructions of the must see sites plus street by street maps of all the fascinating cities and towns The new look guide also includes photographs and illustrations leading you straight to the best attractions on offer The uniquely visual DK Eyewitness Travel guide will help you to discover everything region by region from local festivals and markets to day trips around the countryside Detailed listings will guide you to the best hotels restaurants bars and shops for all budgets whilst detailed practical information will help you to get around whether by train bus or car Plus DK's excellent insider tips and essential local information will help you explore every corner of Pacific Northwest effortlessly DK Eyewitness Pacific Northwest Travel Guide showing you what others only tell you Winner of the Top Guidebook Series in the Wanderlust Reader Travel Awards 2017 **Health Planning Reports**
