Children Writing Stories Armstrong, Michael, 2006-03-01 Here is a worthy successor to Ted Hughes Poetry in the Making the book that enabled me to gain the confidence to begin to find my own voice as a story teller Children Writing Stories confirms that we all have a story to tell if we are enabled to develop enough self belief So much of our natural creativity is smothered during our school years Teachers and children feel hemmed in by the strictures of a curriculum which simply does not allow room for creativity to breathe Unlock the chains let the light in and this is the kind of writing that will flow this is the kind of intellectual and emotional growing that can transform young lives Michael Morpurgo Children's Laureate 2003 2005 What a splendid book Michael Armstrong pays attention thirty years of it to the stories that children write We get two for one the children's own delightful and intriguing work I want to rush off and write some Wally age 5 stories of my own and Michael Armstrong's intense interpretations Allan Ahlberg This is real learning at its best teaching by example through painstaking scrutiny of the art of young writers Absorbing moving enlightening inspiring Morag Styles University of Cambridge In Children Writing Stories Michael Armstrong reveals the creative force of children's narrative imagination and shows how this develops through childhood He provides a new and powerful understanding of the significance of narrative for children's intellectual growth and for learning and teaching The book explores a series of real stories written by children between the ages of five and fifteen and traces the growth of literary consciousness from the dawn of written narrative in the kindergarten through the early years of schooling and on into adolescence Each chapter opens with a story or stories which the author then goes on to examine in detail so that the book may be seen as both a select anthology of children's stories and as a critical account of children's narrative practice This original and provocative book will appeal to teachers parents students of education and readers with an interest in literacy children's writing or narrative

theory Hell's Around the Corner Salomé Veder,2017-10-02 Love is a fiery thing And when two souls collide that shouldn't it burns Sebastian St Claire is nothing but the consummate professional His job is to protect the daughter of a VIP client but instead he finds himself intrigued by her fiery personality and innocent beauty Marisa Rothman is studying for her master's degree at a small private college in Illinois As the daughter of a FBI agent whose life has been threatened for her safety she has been put under the protection of Sevren Securities and under the eagle eye of Sebastian He is an enigma a man colder than ice and yet smolders from within Marisa senses something deeper in Sebastian that she can't ignore and it draws her toward him like a moth to the forbidden flame However the circumstances of the situation puts Sebastian in a precarious position for his deepening attraction to Marisa threatens to dismantle the carefully constructed walls he's built in his heart and possibly violate the oath of his duties to protect her with his body And nothing more But pure existence is never black and white and when two souls find each other and ignite there is no turning back No matter if the danger that still lingers threatens to return and with devastating consequences *Gabriela and His Grace* Liana De la Rosa,2025-08-26 A scandalous arrangement between a hellion heiress and destitute duke reveals truths that neither can outrun As the youngest and most rebellious daughter of the overly protective Luna family Gabriela Luna Vald's claws after her freedom in any way she can This time her hunger for adventure has led her aboard a windswept ship bearing for her homeland away from a mob of fumbling British suitors But Gabby can't escape her father's expectation that she settle down to find a proper husband a compromise she's unwilling to make For Sebastian Brooks Duke of Whitfield the trip to Mexico is his last chance His last chance to rectify his family's estate and refill their dwindling coffers And his last chance to match wits with the sharp tongued but deliciously tempting Gabriela When Gabby finds herself in need of a hasty escape Sebastian agrees to assist her but their close proximity sparks a red hot passion that could ruin all their plans With scandal looming can Sebastian convince Gabby his regard is sincere or will she sail away with his heart The Problem Client KP Maxwell,2019-11-05 There's more than coffee on the menu at the mysterious Caf Seuil Damien's been working at Caf Seuil in Portland Oregon for over a year to pay off some old law school debt By day he helps manage the caf's daily operations along with his handsome coworkers By night well let's just say that there's more than just coffee and pastries on the menu He's long since grown familiar with the strange magic doors that bring him clients But there might just be a whole other layer to paranormal Portland that he never expected His favorite Thursday client has grown more and more possessive every time they meet and sometimes he doesn't seem entirely human When Damien decides to give up hosting all together he thinks he's ready for a fresh start but there's just this one client left that he just can't seem to say no to Book 1 in the Men of Caf Seuil series Expect steamy M/M paranormal romance emotionally repressed alphas bratty MCs hidden identities longing found family vibes fated mates and a caf where all the baristas are a little too attractive The Dog Who Came in from the Cold Alexander McCall Smith,2011-06-21 CORDUROY MANSIONS Book 2 In the Corduroy Mansions series of novels set in London's hip Pimlico

neighborhood we meet a cast of charming eccentrics including perhaps the world's most clever terrier who make their home in a handsome though slightly dilapidated apartment block The heartwarming and hilarious new installment in the Corduroy Mansions series presents the further adventures of Alexander McCall Smith's newest beloved character the Pimlico terrier Freddie de la Hay In the elegantly crumbling mansion block in Pimlico called Corduroy Mansions the comings and goings of the wonderfully motley crew of residents continue apace A pair of New Age operators has determined that Terence Moongrove's estate is the cosmologically correct place for their center for cosmological studies Literary agent Barbara Ragg has decided to represent Autobiography of a Yeti purportedly dictated to the author by the Abominable Snowman himself And our small furry endlessly surprising canine hero Freddie de la Hay belonging to failed oenophile William French has been recruited by MI6 to infiltrate a Russian spy ring Needless to say the other denizens of Corduroy Mansions have issues of their own But all of them will be addressed with the wit and insight into the foibles of the human condition that have become the hallmark of this peerless storyteller *Undeniably Beastly* A. Baker, 2025-04-16 Living a fairytale life is not all it's cracked up to be Take Prince Anthony Enchanting future heir of the Kingdom of Prosperity who longs to be allowed to live openly with his true love Elister Hesta a kind and gentle male witch who feels equally comfortable in trousers or a dress Instead Anthony must choose a future wife from among the royal court matters complicated by the fact that someone is trying to kill his potential lady suitors through the use of malicious magic Then there is Lord Sebastian Withers and Duke Reginald Drake both harboring feelings for each other but afraid to let the other know Of course it doesn't help that Reginald is cursed Living with a changed form and always keeping his beastly face obscured he doesn't really believe he can ever have love But then again no one said life or love is easy *Undeniably Beastly* is the second book in The Witches of Prosperity series and takes up where *Thoroughly Enchanting* left off Fun a bit spicy but also moving this is a tale about learning to accept your true self and finding the beauty in others even when it is hidden beneath a mask *Ernst Lubitsch* Robert L. Carringer, Barry Sabbath, 1978 **Forever Magical** A. Baker, 2025-08-28 In the third and final book in The Witches of Prosperity series readers may wonder if El freelance attendant and male witch in training and Anthony aka The Prince and their friends Sebastian and Reginald will EVER find their happy ending Well quite frankly so are they It's been a long road to finding love and happiness and they have overcome a lot including a cruel step mother a beastly curse that makes Reginald not your average guy a wicked witch on the loose and an intolerant kingdom that doesn't accept same sex relationships or magic for that matter Yet despite all this Elister Hesta and Prince Anthony Enchanting remain deeply in love and committed to each other Likewise Lord Sebastian Withers and Duke Reginald Drake although slower out of the block to confess their feelings for each other and believe they are each worthy of love are finally on their way to couplehood But relationships are hard to grow when they must be kept secret and the Prince is supposed to be looking for a royal lady to be his wife Not to mention that malicious magic is threatening members of the Court involving the whole kingdom as things spiral out of their control

Before each of our two couples can even think about a future together they must stop a powerful witch break several enchantments and face various magical foes Yet all this pales next to their greatest challenge They must also change their society's opinion about who it is okay to love Touching funny unconventional romantic and sometimes steamy Forever Magical is a story about fighting for who and what is important **The Destination** Lea Martin, 2023-11-25 A divorcee reconnects with an old friend **So You Survived the End of the World** K.C.
