H. Henry,2019-11-27 Discover the ongoing relevance of the essential evangelical In recent years the label evangelical has been distorted and its usefulness questioned No one is better equipped to provide a clear understanding of evangelicalism than the late Carl F H Henry the founding editor of Christianity Today and the most influential theologian of American evangelicalism in the twentieth century While Billy Graham was

preaching the gospel to stadiums full of people Henry was working tirelessly to help Christians adopt a worldview that encompasses all of life Architect of Evangelicalism helps us gain a better sense of the roots of American evangelicalism by giving us the best of Henry's Christianity Today essays on subjects such as what defines evangelicalism what separates it from theological liberalism what evangelical Christian education should look like and how evangelicals should engage with society
