Black Aliveness, or A Poetics of Being Kevin Quashie, 2021-02-05. In *Black Aliveness or A Poetics of Being* Kevin Quashie imagines a Black world in which one encounters Black being as it is rather than only as it exists in the shadow of anti Black violence. As such he makes a case for Black aliveness even in the face of the persistence of death in Black life and Black study. Centrally Quashie theorizes aliveness through the aesthetics of poetry reading poetic inhabitation in Black feminist literary texts by Lucille Clifton Audre Lorde June Jordan Toni Morrison and Evie Shockley among others showing how their philosophical and creative thinking constitutes worldmaking. This worldmaking conceptualizes Blackness as capacious relational beyond the normative terms of recognition. Blackness as a condition of oneness. Reading for poetic aliveness then becomes a means of exploring Black being rather than nonbeing and animates the ethical question how to be. In this way Quashie offers a Black

feminist philosophy of being which is nothing less than a philosophy of the becoming of the Black world **The Secrets Women Keep** Dr. Jill Hubbard, 2008-09-09 Women keep secrets from friends and loved ones even from themselves So what are the secrets And why would anyone want to live an airbrushed version of herself instead of a rich unencumbered authentic life In **The Secrets Women Keep** popular radio host and clinical psychologist Dr Jill Hubbard shows you how to acknowledge your secrets release them and find an emotionally healthy way to live A life without secrets is a life of freedom where you can be your real self where you are the same on the outside as you are on the inside **The Secrets Women Keep** reveals the top secrets from an anonymous Life Satisfaction Survey of two thousand women Most women can relate to at least some of the secrets uncovered in this survey including I m unhappy in my marriage I feel invisible or inadequate My past haunts me I worry about finances I struggle with addiction With wisdom gentleness and biblical insight Dr Jill reveals how to shed those secrets so you can move safely into a life free of the burden of having to hide **Deliverance Defined** Don Dickerman, 2025-03-04 In the battle for your soul are you prepared to cast evil out Drawing from decades of firsthand experience in confronting demonic forces respected deliverance minister Don Dickerman provides a comprehensive guide to recognizing and defeating evil spirits In this resource Dickerman shows readers how to discern the signs of demonic activity close doorways through which demons enter and walk in complete freedom As you read you will gain invaluable insight on Four principles of deliverance The setup of demonic kingdoms Ways demons get permission to access people s lives How to lead a deliverance session Principles for staying free And much more As a bonus Dickerman includes an extensive list of demons he and others have encountered throughout his thirty years of ministry Naming both lesser known spirits and notorious rulers of darkness the list gives insight into the demonic spirits behind a variety of issues from fear and lust to rejection and even some illnesses Featuring prayers and practical guidance this book is an indispensable resource designed to equip believers with the knowledge and empowerment to overcome demonic oppression and help others break free
