Lord Of Ravens Peak:

Lord of Raven's Peak Catherine Coulter, 1994-04-01 The third romance in 1 New York Times bestselling author Catherine Coulter's Viking series For hundreds of years the Vikings were viewed by the world as vicious plunderers and ruthless savages But in fact these fierce people were also great explorers They were romantic too their feats those of heroes of grit and of valor They were strong proud loyal the stuff of legends and of fiction Go back to Viking times with the Lord of Raven's Peak Merrik Haraldsson The younger brother of Rorik the Lord of Hawkfell Island begins his journey in Kiev where he comes away with two slaves but they're not who or what he thinks they are not by a long shot Then the question arises Can a woman be a skald a troubadour of Viking times Laren one of Merrik's slaves is just that and she's quite good She wants to tell stories to earn enough silver and gold to buy her and her little brother from Merrik only he refuses to sell her And now that she's his he must protect her when she's accused of murder then save her yet again when he discovers her secrets

Another spry Viking romance Booklist *Peveril of the Peak* Walter Scott, 1875 **Waverly Novels: Peveril of the peak** Walter Scott, 1857 **Cloud Peak** Frank Willard, 2010-10 The year is 2028 Two doctors from Kalamazoo Michigan husband and wife are caught up in an unimaginable holocaust engulfing the world the Nazi Third Reich revived and ruled by the Fuehrer on a planetary scale For years Ethan and Elizabeth had sensed that these troubles were coming and had done all they could to prepare storing guns and ammo food and clothing medicines survival gear of all kinds in a cave in the Big Horn Mountains on the slopes of Cloud Peak in Wyoming Both of them pilots they had purchased an airplane believing they would escape in it together and fly to Cloud Peak But they had to separate that hot humid August night when they made their grand get away Is this the time predicted by the Hebrew prophets Is this the time predicted by the New Testament apostles Is this the Apocalypse Is this how it will look when it happens And how would you handle things if you found yourself and your loved ones also caught up in a tragedy of this magnitude How would I handle it These are difficult questions to ask and even more difficult perhaps to answer Truth be told there are no easy answers Come and see what happened to Ethan and Elizabeth the two doctors from Kalamazoo in the year 2028 and beyond Come and live through it with them come and suffer with them weep with them be joyful with them be sad be weary be hopeful be glad and thankful with them come and lose everything with them come and triumph with them Come and see Frank Willard is my pen name for CLOUD PEAK my first venture into the suspense thriller genre And what better scenario could there be for this genre than the end of the world as we know it Admittedly I had always wanted to address the subject of the Apocalypse and finally I have via this novel and its sequel which I hope to begin soon Perhaps there will be sequels after sequels the theme of the Apocalypse being vast and endless and the possibilities for more suspense thrillers being vast and endless as well For most of my life I have been a student of history and I have been an observer of what some would call megatrends the forces inexorably shaping human events molding them and morphing them in a thousand times a thousand ways until perhaps we see them ever more clearly with the passage of

time This life of observation study and research has molded me it has made me who I am in addition to the other normal experiences of life the things we all enjoy endure relish disdain like dislike and love and hate these things the good and the bad come with our existence in this world But there is another side to it it seems to me It seems there must be something even greater than megatrends and greater than this earthly life of positives and negatives there has to be One day there must be a final showdown with evil and a final resolution to humanity s collective problems as ominous as that sounds Perhaps the Apocalypse is ultimately necessary Frank Willard lives in Kalamazoo Michigan with his wife who is a teacher Together they have a blended family of five children and their mates
