Greatest Emancipations Jim Powell, 2008-06-24 The Astonishing Story of How Slavery Was Abolished in a Single Century Freeing Over Seven Million Slaves For millennia slavery went unchallenged in principle Then in a remarkable turn of events slavery was eradicated in the span of just one century Greatest Emancipations tells this incredible story focusing on the countries that accounted for the vast majority of slaves in the west Haiti the British Caribbean the United States Cuba and Brazil Author Jim Powell offers surprising insights into the process and tremendous influence that slavery's abolition had on individual societies He reveals that while the eradication of slavery was essential for any free society it wasn't the sole determining factor as some societies that abolished slavery later embraced dictatorships Discover the historical abolition movements and the evolution of democracy that led to the emancipation of over seven million slaves Greatest Emancipations is a compelling look at a pivotal moment in western history exploring the end of slavery and its impact on civil rights equal rights and capitalist developments *Empire, Technology and Seapower* Howard J. Fuller, 2014-01-03 This book examines British naval diplomacy from the end of the Crimean War to the American Civil War showing how the mid Victorian Royal Navy suffered serious challenges during the period Many recent works have attempted to depict the mid Victorian Royal Navy as all powerful innovative and even self assured In contrast this work argues that it suffered serious challenges in the form of expanding imperial commitments national security concerns precarious diplomatic relations with European Powers and the United States and technological advancements associated with the armoured warship at the height of the so called Pax Britannica Utilising a wealth of international archival sources this volume explores the introduction of the monitor form of ironclad during the American Civil War which deliberately forfeited long range power projection for local coastal command of the sea It looks at the ways in which the Royal Navy responded to this new technology and uses a wealth of international primary and secondary sources to ascertain how decision making at Whitehall affected that at Westminster The result is a better balanced understanding of Palmerstonian diplomacy from the end of the Crimean War to the American Civil War the early evolution of the modern capital ship including the catastrophic loss of the experimental sail and turret ironclad H M S Captain naval power projection and the nature of empire technology and seapower This book will be of great interest to all students of the Royal Navy and of maritime and strategic studies in general *Palmerston and Liberalism, 1855-1865* E. D. Steele, 1991-07-18 *American Reference Books Annual* Juneal M. Chenoweth, 1995-04-15 With more than 1600 descriptive and evaluative entries ARBA continues its 26 year tradition as a comprehensive review source for reference works published or distributed in the US ARBA 95 encompasses the subject spectrum covering such broad areas as general reference history education economics and business and science and technology Of special note in this edition is increased coverage of CD
