I'm Ready to Say Yes Louise Smith,2020-03-31 It is a how to manual on the walk of Christian discipline after the decision to say yes Easy steps that will uncomplicated your life but still you must make a conscience effort to follow what is right The Secret Place of Thunder John Starke,2023-02-21 Why do we feel like we are always performing Where does this

impulse come from As John Starke shows in *The Secret Place of Thunder* our modern world has internalized the idea that the markers of having an admirable and successful life are primarily visible It leads us to believe that a sense of self worth and identity are metrics to be displayed The performance of the self has become more important than the reality We live as if the most important things about us are to be performed before others that our deepest happiness will come from being who others think we ought to be But when Jesus says Do not practice your righteousness before others he is leading us to believe that the most important things about us are hidden How does the Bible lead us to live primarily before God How does Jesus lead us to wholeness Jesus teaches us to live not for the eyes of others or even for ourselves but in the secret place where our Father in heaven sees and rewards *The Long-lost Rachel Wild*; Rachel Wild Peterson,1905 **Just Say Yes! Leader Guide** Bishop Robert Schnase,2016-05-17 In *Just Say Yes* Robert Schnase shows church leaders how to unleash people for fruitful ministry He teaches leaders to spot their own nay saying and gives specific instructions for reversing the culture of No that has become so prevalent in many churches Step by step Schnase shows readers pastors other church leaders and congregants how to make significant change in their attitude and actions to become a permission giving church This set of resources is the next step in the author s effort to reshape church leaders across the mainline denomination *Just Say Yes Becoming a Permission Giving Church* give church leaders what they need in order to begin implementing the principles in the original book It starts with a group study experience for church leaders facilitated by a senior leader typically the pastor The study can be done in as little as 3 hours or if groups watch all the videos and do all the optional exercises and activities up to 6 hours total The sessions can be used as a single day retreat or broken up into 3 or 6 separate sessions They can be stand alone sessions or incorporated into meetings for staff and lay leaders The *Leader Guide* includes instructions and guidance for leaders in planning hosting debriefing and following up after the experience Using this resource plus the included customizable PowerPoint slides and the video *Stories of Permission* a pastor or other key leader can effectively facilitate an extraordinary group experience resulting in transformation for the congregation The *Participant Guide* is a complete workbook and devotion guide for church leaders staff and laity who participate in the *Permission Giving* group experience These will typically be church councils staff teams committee chairs ministry team leaders and the like The *Guide* includes prompts to reinforce the material shared in the videos and by the facilitator questions for reflection and discussion and specific action steps for becoming permission giving leaders in the church It includes plenty of room for writing and note taking during the group experience It also includes a 30 day Devotional which the participant can complete either during or after the group experience The group experience includes 6 inspiring and compelling videos from real church settings Several additional video clips are also available for groups wanting to spend more time exploring ideas together A printed 4 Week Devotional is also available and can be used by individual church members autonomously or ideally used by every member as a personal study guide accompanying the 4 Week Sermon Worship series The material is flexible and accessible

Maximilien Etoiles Ngoie ,2023-01-09 This book is a message from God straight to all the believers It has the mandate to bring forth evidences that the Holy Spirit exists The church needs to understand today that the logic of the supernatural is presented from the awareness that the Gospel was entrusted to her by Jesus Christ John the Baptist came with the first testimony presenting Jesus as the lamb who takes away the sin of the world and Jesus Christ came with the second testimony which is the works of the Father or the Five Miracle Keys Of Salvation Therefore the Church is required to be filled with the word of God and has to be moved with compassion of the lost so that she can do many miracles As part of the Church the Lord Jesus Christ presents to us the Five Miracles Keys Of Salvation which are the results of the supernatural In Jesus name we are called to drive out demons to speak in new tongues or preach the good news pick up snakes with our hands and when we drink deadly poison it will not hurt us at all we will place our hands on sick people and they will get well *Moody Bible Institute Monthly* ,1921 **The Best Is yet to Come** Ruth Merritt,2017-06-13 This book is about knowing and

understanding the enduring love patience and power of Almighty God Life's challenges can be overwhelming as we try our best to live a Christ centered life As we draw nearer to Jesus we eventually learn that what we perceived to be problems are really opportunities to grow stronger in Him It is this revelation that helps us to understand that regardless of what happened yesterday our best is yet to come
