**A Narrative of Some of the Lord's Dealings With George Müller (Vol.1-4)** George Müller, 2023-12-12 In the compelling four volume series *A Narrative of Some of the Lord's Dealings With George Müller* the author chronicles his extraordinary experiences of faith and providence Written in an accessible yet profound literary style Müller weaves together personal anecdotes scriptural reflections and descriptive accounts that illustrate his unwavering trust in divine guidance The narrative serves not only as a testament to his spiritual journey but also as a rich resource for those interested in the intersection of faith and practical ministry during the 19th century Set against the backdrop of a time marked by both religious revival and skepticism Müller's work stands as a remarkable example of Christian autobiography that challenges readers to explore the limits of faith and reliance on God's provision George Müller a pivotal figure in the history of Christian philanthropy dedicated his life to the care of orphans in Bristol England His own tumultuous upbringing marked by poverty and lack of parental guidance instilled in him a profound understanding of reliance on divine providence Müller's experiences in building orphanages and establishing a vibrant prayer ministry laid the foundation for his writing revealing his relentless pursuit of God's will and the miraculous outcomes that ensued This narrative is highly recommended for readers seeking inspiration in their spiritual lives as well as those interested in historical accounts of faith in action Müller's reflections encourage not just contemplation but also a call to practical application motivating believers to trust deeply in God's provision and care

*A Narrative of Some of the Lord's Dealings With George Müller (Vol.1-4)* George Müller, 2020-05-10 It was only after the consideration of many months and after much self examination as to my motives and after much earnest prayer that I came to the conclusion to write this work I have not taken one single step in the Lord's service concerning which I have prayed so much My great dislike to increasing the number of religious books would in itself have been sufficient to have kept me forever from it had I not cherished the hope of being instrumental in this way to lead some of my brethren to value the Holy Scriptures more and to judge by the standard of the word of God the principles on which they act
