Literatures of Urban Possibility Markku Salmela,Lieven Ameal,Jason Finch,2021-05-21 This book demonstrates how city literature addresses questions of possibility In city literature ideas of possibility emerge primarily through two perspectives texts may focus on what is possible for cities and they may present the urban environment as a site of possibility for individuals or communities The volume combines reflections on urban possibility from a range of geographical and

cultural contexts in addition to the English speaking world individual chapters analyse possible cities and possible urban lives in Turkey Israel Finland Germany Russia and Sweden Moreover by engaging with issues such as city planning mass housing gentrification informal settlements and translocal identities the book shows imaginative literature at work outlining what possibility means in cities Santa Monica Mountains National Recreation Area, California ,1980 **Trip Generation and Urban Freeway Planning** National Research Council (U.S.).
