Gabel,Christopher Gable,2008-12-30 Sting has successfully established himself as one of the most important singer songwriters in Western popular music over the past twenty years His affinity for collaborative work and disparate musical styles has pushed his music into an astonishing array of contexts but no matter what the style or who the collaborator Sting s voice always remains distinct and this fact has earned him success amongst a correspondingly broad audience The Words and Music of Sting subdivides Sting s life and works into rough periods of creative activity and offers a fantastic opportunity to view Sting s many stylistic changes within a coherent general framework After analyzing Sting s musical output album by album and song by song author Christopher Gable sums up Sting s accomplishments and places him on the continuum of influential singer songwriters showing how he differs and relates to other artists of the same period Aside from his commercial success Sting is also interesting for the use of recurring themes in his lyrics such as family relationships love war spirituality and work and for his use of jazz and world music to illustrate or work against the meaning of a song Sting s life also sheds light on his music as his working class roots in Newcastle England are never far removed from his international superstardom Throughout his life he has been musically open minded and inquisitive always seeking out new styles and often incorporating them into his compositions **Pyra-Sea: A Delilah Duffy Mystery** Jessica Sherry,2021-07-01 What re ten seconds compared to a lifetime Bookstore manager and amateur detective Delilah Duffy knows better than most that disaster strikes in seconds When Beach Read s Happily Ever After Book Bash ends in fiery destruction everything she s worked for burns with it her home business and relationship with Sam But when Beach Read s owner offers her two weeks to find the culprit to ensure his insurance claim Delilah knows this is her last chance to rebuild her treasured bookstore and get her life back So pregnant and brokenhearted Delilah directs her anger toward what she s good at solving mysteries Hot on the trail of an arsonist while her nemesis is on hers Delilah partners with her investigative journalist uncle Clark Duffy to piece together clues confront suspects and fight for the truth with more at stake than ever
