## **Lost Christianities The Battles For Scripture And The Faiths We Never Knew:**

**Lost Christianities** Bart D. Ehrman, 2005 Focusing on key historical texts a biblical authority offers a revealing look at the early church and the intense struggle to form the canon of the New Testament 11 halftones **Lost Christianities: The Battles for Scripture and the Faiths We Never Knew and Lost Scriptures: Books That Did Not Make It Into the New Testament** BART D. EHRMAN, Bowman and Gordon Gray Professor of Religious Studies Bart D Ehrman, 2004-09-02 This unique set combines two of Bart Ehrman's most popular works on the early Christian church Lost Scriptures and Lost Christianities and gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era Lost Christianities Bart Ehrman, **Lost Christianities** Bart D. Ehrman, 2023 Lost Christianities Bart D. Ehrman, 2003 **The Reception and Interpretation of the Bible in Late Antiquity** Lorenzo DiTommaso, Lucian Turcescu, 2008 The volume is a Festschrift offered to Charles Kannengiesser on the occasion of his 80th birthday and honours him for his numerous scholarly accomplishments Its twenty five contributions discuss some of the major issues pertaining to the reception and interpretation of the Bible in late antique Christianity and Judaism They focus on the ways in which communities and individuals understood the Bible and interpreted its traditions to address their historical social and theological requirements Since the Bible was by far the most important book during these centuries a discussion of its influence in such contexts will illuminate significant aspects of the formation of western civilisation *Scripture and Scholarship in Early Modern England* Ariel Hessayon, Nicholas Keene, 2006 This volume of essays is the first to embrace both orthodox and heterodox treatments of scripture in early modern England and in the process to question challenge and redefine what historians mean when they use these terms The collection dispels the myth that a critical engagement with sacred texts was the preserve of radical figures anti scripturists Quakers Deists and freethinkers While the work of these people was significant it formed only part of a far broader debate incorporating figures from across the theological spectrum engaging in a shared discourse **Worlds Apart** Ihab Khalil, 2009-02 Combining meticulous research with thoughtful conclusion this remarkable collection of essays explores ancient Egyptian and early Christian thought and leads to a better more comprehensive understanding of these ancient peoples key beliefs Worlds Apart is composed of four well written essays each chosen with the purpose of engaging both the layperson and the researcher Using literary philosophical historical and psychological approaches Ihab Khalil examines several important components of these two vastly different cultures Topics include Dualism in ancient Egyptian thought The Myth of Osiris Early Christian Christology both orthodox and heterodox Christian Mysticism Khalil includes an extensive bibliography of his sources conducive to further study and research In addition illustrations footnotes and tables complement Khalil's writing leading to an even more thorough understanding of his subject Insightful and deeply engaging Worlds Apart is destined to become the definitive work on understanding the core beliefs of these two cultures **Found Christianities** M. David Litwa, 2022-02-24 M David Litwa tells the stories of the

early Christians whose religious identity was either challenged or outright denied In the second century many different groups and sects claimed to be the only Orthodox or authentic version of Christianity and Litwa shows how those groups and figures on the side of developing Christian Orthodoxy often dismissed other versions of Christianity by refusing to call them Christian However the writings and treatises against these groups contain fascinating hints of what they believed and why they called themselves Christian Litwa outlines these different groups and the controversies that surrounded them presenting readers with an overview of the vast tapestry of beliefs that made up second century Christianity By moving beyond notions of gnostic heretical and orthodox Litwa allows these lost Christianities to speak for themselves He also questions the notion of some Christian identities surviving or perishing arguing that all second century Catholic groups look very different to any form of modern Roman Catholicism Litwa shows that countless discourses ideas and practices are continually recycled and adapted throughout time in the building of Christian identities and indeed that the influence of so called lost Christianities can still be felt today

The Gnostics David Brakke,2012-09-03 Who were the Gnostics And how did the Gnostic movement influence the development of Christianity in antiquity Is it true that the Church rejected Gnosticism This book offers an illuminating discussion of recent scholarly debates over the concept of Gnosticism and the nature of early Christian diversity Acknowledging that the category Gnosticism is flawed and must be reformed David Brakke argues for a more careful approach to gathering evidence for the ancient Christian movement known as the Gnostic school of thought He shows how Gnostic myth and ritual addressed basic human concerns about alienation and meaning offered a message of salvation in Jesus and provided a way for people to regain knowledge of God the ultimate source of their being Rather than depicting the Gnostics as heretics or as the losers in the fight to define Christianity Brakke argues that the Gnostics participated in an ongoing reinvention of Christianity in which other Christians not only rejected their ideas but also adapted and transformed them This book will challenge scholars to think in new ways but it also provides an accessible introduction to the Gnostics and their fellow early Christians

**Gospel Thrillers** Andrew S. Jacobs,2023-11-30 Conspiratorial fears and desires about biblical discoveries are amplified and contained within the covers of a formulaic fiction genre

Changing the Goalpost of New Testament Textual Criticism Abidan Paul Shah,2020-10-02 Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the

original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice      Truth in a Culture of Doubt Andreas J.

Chatraw, 2014-09 Truth in a Culture of Doubt takes readers on a journey to explain topics such as the Bible's origins the copying of the Bible alleged contradictions in Scripture and the relationship between God and evil Responding to skeptical scholars such as Bart Ehrman professor at UNC Chapel Hill and author of four New York Times bestsellers this book is written for all serious students of Scripture and will enable you to know how to respond to a wide variety of critical arguments raised against the reliability of Scripture and the truthfulness of Christianity

**The De-Judaization of the Image of Jesus of Nazareth (The Virgin Mary) at the Time of the Holocaust: Ensoulment and the Human Ovum** Thomas Alexander Blüger, 2021-03-09 Thomas has been researching his family's Jewish background for the last thirty years Herein he investigates how his Jewish grandparents and aunt defined as a nonprivileged Mischling survived the war while living in the heart of Nazi Germany This led Thomas to research Hitler's fear of having partial Jewish ancestry and expanded into a full blown study of following Christianity's understanding of the Jewish identity of Jesus of Nazareth throughout history Not

leaving matters here Thomas outlines how Marian dogmatic theology used at the time of the Shoah brought to conclusion the Church's long journey in defining the time of ensoulment as articulated in the papal document *Ineffabilis Deus* promulgated by Pius in 1854. This happened twenty seven years after the discovery of the human ovum in 1827 by Karl Ernst von Baer. Years later with the emergence of Nazi racial ideology many anti Christian Christians attempted to invert Christianity's core message of salvation through faith toward biological ends. This would not do. Roman authorities had consistently held throughout the centuries that faith is about salvation and not about biology. According to that same end the ideal of ensoulment since the time of the Church's renewed understanding of it beginning in 1854 and indeed as it was first articulated through the writings of Aristotle and received into Christianity through the writings of Saint Augustine and later Thomas Aquinas was newly preserved within the confines of Western civilization. This is the first book the author knows of that follows Augustine's concept of ensoulment as well as Aquinas's thinking on the matter while linking these to Karl Ernst von Baer's discovery of the human ovum in 1827 up until the events of Shoah and beyond. This study is phenomenological in nature in that it does not follow Jesus of Nazareth the Virgin Mary throughout history but rather follows the image of Jesus of Nazareth the Virgin Mary a monumental difference. This study supports the Second Vatican Council the Church's latest and ongoing efforts in affirming the Jewish identities of both Jesus of Nazareth and the Virgin Mary. John Paul II's call for a purification of memory beginning in a year of Jubilee as well as the many present efforts in Catholic Jewish relations. This study builds upon the author's past article *Following the Virgin Mary through Auschwitz: Marian Dogmatic Theology at the Time of the Shoah* published in *Holocaust Studies: A Journal of Culture and History* Vol 14 winter 2008 No 3 pp 1-24.
