Lost In Space Probing Feminist Science Fiction And Beyond:

Lost in Space Marleen S. Barr, 2017-11-01 Archaeologists and anthropologists discover other civilizations science fiction writers invent them In this collection of her major essays Marleen Barr argues that feminist science fiction writers contribute to postmodern literary canons with radical alternatives to mainstream patriarchal society Because feminist science fiction challenges male centered social imperatives it has been marginalized and dismissed from the canon thus lost in space Moving beyond feminist science fiction itself Barr goes on to examine other literary genres from the perspective of feminist fabulation a term she has coined to encompass science fiction fantasy utopian literature and mainstream literature that critiques patriarchal fictions Discussing the works of such writers as Margaret Atwood Joanna Russ Salman Rushdie Paul Theroux Ursula Le Guin Herman Melville Saul Bellow Edgar Allan Poe and Marge Piercy Barr illuminates feminist science fiction's connections to other literary traditions and contemporary canons Her critical analysis yields a new and expanded understanding of feminist creativity [The Woman Fantastic in Contemporary American Media Culture](#) Elyce Rae

Populating the Future Britt Johanne Farstad, 2023-07-19 Speculative fiction opens doors for imagining beyond what is possible conventional or acceptable Speculative fiction has an acute ear for the social the scientific and for political developments and change all of which are prominent topics Reproduction and parenthood are pertinent social questions that are constantly renegotiated in various arenas By investigating representations of family making and reproduction in speculative fiction the research presented in *Populating the Future* Families and Reproduction in Speculative Fiction not only adds to the field of speculative fiction scholarship but also contributes to the more general discussion about reproduction and parenting Speculative fiction operates as thought laboratories that make connections between discourses visible It highlights power structures that can be difficult to detach and represents difficult and abstract issues more concretely As such speculative fiction demonstrates the complex entanglement of reproduction with issues of gender power and agency By facilitating thought experiments and illustrating alternatives speculative fiction also enables the representation of new family structures and reproductive technologies thus paving the way for discussions about various practices and their possible consequences Due to its multidisciplinary approach this book will be of value to scholars and students of various disciplines such as literature studies philosophy ethics political science the social sciences and gender studies It will also be a useful resource in teacher training programmes as well as to a more general audience interested in speculative literature politics society gender and ethics

Yesterday's Tomorrows Pere Gallardo, Elizabeth Russell, 2014-03-26 2012 was a year of financial crises and ecological disasters of endings and forebodings The world did not end on December 21st as the Mayan calendar predicted but became the stage for new beginnings utopian communities protest groups and solidarity movements The essays in this book form an intertextual space for negotiating meaningful facts and fictions with an aim to understanding the present Discussions focus on utopia and dystopia from literature and film not only within the framework of science fiction but also critical theory gender politics and social sciences The authors of these essays are international academics whose interest lies in utopian studies and who attended the 13th International Conference of Utopian Studies *The Shape of Things to Come* held in Tarragona Spain in 2012

Frankenstein's Daughters Jane L. Donawerth, 1997-04-01 Women Science fiction authors past and present are united by the problems they face in attempting to write in this genre an overwhelmingly male dominated field Science fiction has been defined by male centered scientific discourse that describes women as alien others rather than rational beings This perspective has defined the boundaries of science fiction resulting in women writers being excluded as equal participants in the genre *Frankenstein's*

Daughters explores the different strategies women have used to negotiate the minefields of their chosen career they have created a unique utopian science formulated by and for women with women characters taking center stage and actively confronting oppressors This type of depiction is a radical departure from the condition where women are relegated to marginal roles within the narratives Donawerth takes a comprehensive look at the field and explores the works of authors such as Mary Shelley Marion Zimmer Bradley Ursula K Le Guin and Anne McCaffrey
