Lost in the Barrens Farley Mowat, 2009-01-13 Awasin a Cree Indian boy and Jamie a Canadian orphan living with his uncle the trapper Angus Macnair are enchanted by the magic of the great Arctic wastes They set out on an adventure that proves longer and more dangerous than they could have imagined Drawing on his knowledge of the ways of the wilderness and the implacable northern elements Farley Mowat has created a memorable tale of daring and adventure When first published in 1956 *Lost in the Barrens* won the Governor General's Award for Juvenile Literature the Book of the Year Medal of the Canadian Association of Children's Librarians and the Boys Club of America Junior Book Award

Lost in the Barrens Farley Mowat, 1956 **Lost in the Barrens by Farley Mowat** Paul Reid, Clare Reid, 1996 *Lost in the Barrens* Farley Mowat, 1956 When Jamie Macnair a city boy comes to live with his uncle in the northland an Indian boy adopts him as his brother and teaches him the ways of the wilderness *Lost in the Barrens* [sound Recording] Crowell, Catherine, Farley Mowat, 1976 Great World Writers Patrick M. O'Neil, 2004 This nicely illustrated reference for junior high and high school students offers 20 page profiles of 93 of the world's most influential writers of the twentieth century Arranged alphabetically each profile provides facts about the writer's life and works as well as a commentary on his or her significance discussion of political and social events that occurred during his or her lifetime a reader's guide to major works and events beliefs or traditions that inspired the writer's works **Rapt in Plaid** Elizabeth Waterston, 2003-12-01 Illustrate a long lasting connection between Scottish and Canadian literary traditions and illuminates the way Scottish ideas and values still wield surprising power in Canadian politics education theology economics and social mores *Unsettled Remains* Cynthia Sugars, Gerry Turcotte, 2010-08-27 *Unsettled Remains* Canadian Literature and the Postcolonial Gothic examines how Canadian writers have combined a postcolonial awareness with gothic metaphors of monstrosity and haunting in their response to Canadian history The essays gathered here range from treatments of early postcolonial gothic expression in Canadian literature to attempts to define a Canadian postcolonial gothic mode Many of these texts wrestle with Canada's colonial past and with the voices and histories that were repressed in the push for national consolidation but emerge now as uncanny reminders of that contentious history The haunting effect can be unsettling and enabling at the same time In recent years many Canadian authors have turned to the gothic to challenge dominant literary political and social narratives In Canadian literature the postcolonial gothic has been put to multiple uses above all to figure experiences of ambivalence that have emerged from a colonial context and persisted into the present As these essays demonstrate formulations of a Canadian postcolonial gothic differ radically from one another depending on the social and cultural positioning of who is positing it Given the preponderance in colonial discourse of accounts that demonize otherness it is not surprising that many minority writers have avoided gothic metaphors In recent years however minority authors have shown an interest in the gothic signalling an emerging critical discourse This spectral turn sees minority writers reversing long standing characterizations of

their identity as monstrous or invisible in order to show their connections to and disconnection from stories of the nation

Lost in the Barrens Lit Link Gr. 7-8 , A Sanctuary of Trees Gene Logsdon, 2012-04-10 As author Gene Logsdon puts it We are all tree huggers But not just for sentimental or even environmental reasons Humans have always depended on trees for our food shelter livelihood and safety In many ways despite the Grimm's fairy tale version of the dark menacing forest most people still hold a deep cultural love of woodland settings and feel right at home in the woods In this latest book A Sanctuary of Trees Logsdon offers a loving tribute to the woods tracing the roots of his own home groves in Ohio back to the Native Americans and revealing his own history and experiences living in many locations each of which was different yet inextricably linked with trees and the natural world Whether as an adolescent studying at a seminary or as a journalist living just outside Philadelphia's city limits Gene has always lived and worked close to the woods and his curiosity and keen sense of observation have taught him valuable lessons about a wide variety of trees their distinct characteristics and the multiple benefits and uses they have In addition to imparting many fascinating practical details of woods wisdom A Sanctuary of Trees is infused with a philosophy and descriptive lyricism that is born from the author's passionate and lifelong relationship with nature There is a point at which the tree shudders before it begins its descent Then slowly it tips picks up speed often with a kind of wailing death cry from rending wood fibers and hits the ground with a whump that literally shakes the earth underfoot The air in the aftermath seems to shimmy and shiver as if saturated with static electricity Then follows an eerie silence the absolute end to a very

long life Fitting squarely into the long and proud tradition of American nature writing A Sanctuary of Trees also reflects Gene Logsdon s unique personality and perspective which have marked him over the course of his two dozen previous books as the authentic voice of rural life and traditions Lost in the Barrens ... Drawings by Charles Geer Farley Mowat,1957 Lost in the Barrens by Farley Mowat ,1988 Resource kit and study guide is one of a series which depicts Native Cultures of North America Preamble *Children's Book Review Index: Title index* ,1985 Left on the Labrador: A Tale of Adventure Down North Dillon Wallace,2019-12-19 In Left on the Labrador A Tale of Adventure Down North Dillon Wallace presents a riveting narrative that intertwines adventure and survival against the breathtaking yet harsh backdrop of the Labrador landscape Wallace employs vivid evocative prose to immerse readers in the physical and emotional trials faced by the characters The book captures the essence of early 20th century exploration literature blending personal diary entries with intricate descriptions of the rugged terrain thereby offering a historical perspective on a lesser known region of Canada and the challenges faced by early adventurers Dillon Wallace an explorer and keen outdoorsman draws upon his own experiences in the wilds of Canada where he took part in numerous expeditions His deep appreciation for the Canadian wilderness and his understanding of its challenges come through in the book reflecting both the beauty and the peril of nature in its rawest form This unique relationship with the land enhances the authenticity of his storytelling influenced by the era s growing fascination with exploration and adventure Left on the Labrador is an essential read for enthusiasts of adventure literature and those intrigued by the untamed parts of the world Wallace s account not only serves as a thrilling exploration but also resonates with themes of resilience and the human spirit making it an inspiring addition to any bookshelf **Two Against the North : Original Title, Lost in the Barrens** Farley Mowat,1970
