Risk in Children's Adventure Literature Elly McCausland, 2024-05-31 Risk in Children's Adventure Literature examines the way in which adults discuss the reading and entertainment habits of children and with it the assumption that adventure is a timeless and stable constant whose meaning and value is self evident A closer enquiry into British and American adventure texts for children over the past 150 years reveals a host of complexities occluded by the term and the ways in which adults invoke adventure as a means of attempting to get to grips with the nebulous figure of the child Writing about adventure also necessitates writing about risk and this book argues that adults have historically used adventure to conceptualise the relationship between children and risk the risks children themselves pose to society the risks that threaten their development and how they can be trained to manage risk in socially normative and desirable ways Tracing this tendency back to its development and consolidation in Victorian imperial romance and forward through various adventure texts and media to the present day this book probes and investigates the truisms and assumptions that underlie our generalisations about children's love for adventure and how they have evolved since the mid nineteenth century

But These Are Written . . . Craig S. Keener, Jeremy S. Crenshaw, Jordan Daniel May, 2014-01-24 Johannine Literature offers some of the most beautiful majestic and profound theology contained within the entire biblical text Within its works can be found the highest Christology the capstone of eschatology and the heartbreaking struggles of a community committed to Christ However it does not always get the attention it deserves in New Testament studies This book seeks to remedy that by drawing together some of the most respected biblical scholars to bring their expertise to bear on various aspects of Johannine studies that are contained within the Gospel Epistles and the Apocalypse These contributions have been collected as a Festschrift in honor and celebration of the career of Benny C Aker a preeminent scholar teacher and mentor
