

LOST SOLDIERS

Lost Soldiers

Thomas Wallace Knox

Lost Soldiers:

Lost Soldiers James Webb, 2002-08-27 Once in a great while there comes a novel of such emotional impact and acute insight that it forever changes the way a reader sees a nation or an era Writing with an unerring sense of suspense and of history experienced firsthand James Webb takes us on a myth shattering cultural odyssey deep into the heart of contemporary Vietnam with a riveting thriller that tells a love story love for those who perished for family and friends and between a soldier and the land where he had always been ready to die Brandon Condley survived five years of combat as a U S Marine only to lose the woman he loved to an enemy assassin Now he is back in Vietnam working to recover the remains of unknown American soldiers On a routine mission Condley finds a body that doesn't match its dog tags a body that propels him into a vortex of violence and intrigue where past and present become one As the mystery of the dead man unravels a link is revealed to two well known killers Salt and Pepper a pair of treasonous Americans who led a deadly Viet Cong ambush against Condley's own men Galvanized by a fresh trail to these long lost deserters Condley has finally found a purpose Under the auspices of his government job he is going to hunt down the traitors On his own he is going to kill them Condley's hunt cannot be kept secret from his former enemies or his friends And in the shadows that linger from Vietnam's long season of darkness and terror he has no way of knowing which side is more dangerous Surrounding him is an unforgettable cast of characters Dzung Condley's closest friend a South Vietnamese war hero who might have led his country if his side had won the war now reduced to driving a cyclo as his family starves in Saigon's District Four Colonel Pham a battle hardened Viet Cong soldier who lost three children to American bombs Manh a cutthroat Interior Ministry official who blackmails Dzung into a mission of murder The Russian soldier Anatolie Petrushinsky who left his soul in Vietnam as his empire collapsed around him And the beautiful Van Colonel Pham's daughter who spurns the scars of war as she pursues her dreams of freedom As Condley stalks his elusive prey across old battlefields and throughout Eurasia returning always to the brooding streets of Saigon his mission and the odds of his surviving it grow more precarious with each step he takes toward the truth *Lost Soldiers* captures the Vietnam of past and present its beauty and squalor its politics and people Propelled by a page turning mystery shot through with adventure and intrigue it irrevocably transforms our view of that haunted land and brings us as complete an understanding as we will ever have of what happened after the war and why No writer today is more qualified to take us into that world than James Webb

Lost Soldiers #2 (of 5) Ale_ Kot, 2020-09-02 The crash

The Lost Army Valerio Massimo Manfredi, 2009-07-03 The 4th century BC A village in Syria A woman dressed in rags and covered in blisters and sores is seen approaching on the road coming from the north Suspicious of her the villagers shout and throw rocks at her She is struck and falls She seems dead Her story encompasses one of the great collective acts of heroism of the ancient world She was the mistress of Xenophon a general in the vast army of ten thousand Greek mercenaries from virtually every Greek city state that was employed by Cyrus the Younger in his quest to seize the throne of Persia from his brother

Artaxerxes II In The Lost Army Valerio Massimo Manfredi one of the world's historical experts has created a rip-roaring adventure seen from the perspective of the women who accompanied the soldiers on their long journey An intense account of the most celebrated march in man's history by the acclaimed author of the Alexander trilogy *Fallen Soldiers* George L. Mosse, 1991-12-12 At the outbreak of the First World War an entire generation of young men charged into battle for what they believed was a glorious cause Over the next four years that cause claimed the lives of some 13 million soldiers more than twice the number killed in all the major wars from 1790 to 1914 But despite this devastating toll the memory of the war was not predominantly of the grim reality of its trench warfare and battlefield carnage What was most remembered by the war's participants was its sacredness and the martyrdom of those who had died for the greater glory of the fatherland War and the sanctification of it is the subject of this pioneering work by well-known European historian George L. Mosse *Fallen Soldiers* offers a profound analysis of what he calls the Myth of the War Experience a vision of war that masks its horror consecrates its memory and ultimately justifies its purpose Beginning with the Napoleonic wars Mosse traces the origins of this myth and its symbols and examines the role of war volunteers in creating and perpetuating it But it was not until World War I when Europeans confronted mass death on an unprecedented scale that the myth gained its widest currency Indeed as Mosse makes clear the need to find a higher meaning in the war became a national obsession Focusing on Germany with examples from England France and Italy Mosse demonstrates how these nations through memorials monuments and military cemeteries honoring the dead as martyrs glorified the war and fostered a popular acceptance of it He shows how the war was further promoted through a process of trivialization in which war toys and souvenirs as well as postcards like those picturing the Easter Bunny on the Western Front softened the war's image in the public mind The Great War ended in 1918 but the Myth of the War Experience continued achieving its most ruthless political effect in Germany in the interwar years There the glorified notion of war played into the militant politics of the Nazi party fueling the belligerent nationalism that led to World War II But that cataclysm would ultimately shatter the myth and in exploring the postwar years Mosse reveals the extent to which the view of death in war and war in general was finally changed In so doing he completes what is likely to become one of the classic studies of modern war and the complex often disturbing nature of human perception and memory **The Lost Army** Thomas Wallace Knox, 2023-10-22 In *The Lost Army* Thomas Wallace Knox embarks on a vivid exploration of adventure and survival illuminating the harrowing tales of an army lost amidst the untamed wilderness Utilizing a blend of journalistic rigor and imaginative prose Knox crafts an enthralling narrative that intertwines meticulous historical detail with gripping storytelling Set in the backdrop of the 19th century the book offers readers a detailed examination of the challenges faced by those who venture into the unknown reflecting the era's burgeoning fascination with exploration and the external conflicts that shape it Thomas Wallace Knox a distinguished figure in the realms of travel writing and journalism was profoundly influenced by his own expeditions across diverse terrains His experiences as a chronicler of the American West and his

passion for adventure imbue his work with authenticity and a sense of urgency Knox's firsthand encounters with the landscapes and peoples he describes provide a compelling lens through which to understand the motivations behind his exploration of lost endeavors and their consequences For readers captivated by tales of exploration and resilience *The Lost Army* is an essential addition to the literary canon Knox's masterful prose not only entertains but also provokes thoughtful reflection on the human spirit's quest for discovery This book is highly recommended for those eager to dive deep into the complexities of human endurance in uncharted territories [Lost Soldiers #4 \(OF 5\)](#) Aleš Kot,2020-11-04 Hamburger Hill

Where They Lay Earl Swift,2003 Chronicles the efforts of the military's Central Identification Laboratory in Hawaii as they search in the jungles of Laos to find and identify the remains of Major Jack Barker whose helicopter went down during the Vietnam War **Lost Soldiers** James Webb,19?? [Lost Soldiers #1 \(of 5\)](#) Aleš Kot,2020-07-29 Vietnam 1969 Juarez forty years later Three men tied by the war they left behind on collision course with a new one [Hell in Hürtgen Forest](#) Robert Sterling Rush,2001-11-27 Some of the most brutally intense infantry combat in World War II occurred within Germany's Hürtgen Forest Focusing on the bitterly fought battle between the American 22d Infantry Regiment and elements of the German LXXIV Korps around Grosshau Rush chronicles small unit combat at its most extreme and shows why despite enormous losses the Americans persevered in the Hürtgenwald meat grinder a battle similar to two punch drunk fighters staggering to survive the round On 16 November 1944 the 22d Infantry entered the Hürtgen Forest as part of the U S Army's drive to cross the Roer River During the next eighteen days the 22d suffered more than 2 800 casualties or about 86 percent of its normal strength of about 3 250 officers and men After three days of fighting the regiment had lost all three battalion commanders After seven days rifle company strengths stood at 50 percent and by battle's end each had suffered nearly 140 percent casualties Despite these horrendous losses the 22d Regiment survived and fought on due in part to army personnel policies that ensured that unit strengths remained high even during extreme combat Previously wounded soldiers returned to their units and new replacements green to battle arrived to follow the remaining battle-hardened cadre The attack halted only when no veterans remained to follow The German units in the Hürtgenwald suffered the same horrendous attrition with one telling difference German replacement policy detracted from rather than enhanced German combat effectiveness Organizations had high paper strength but low manpower and commanders consolidated decimated units time after time until these ever-dwindling bands of soldiers disappeared forever killed wounded captured or surrendered The performance of American and German forces during this harrowing eighteen days of combat was largely a product of their respective backgrounds training and organization This pre-battle aspect not normally seen in combat history helps explain why the Americans were successful and the Germans were not Rush's work underscores both the horrors of combat and the resiliency of American organizations While honoring the sacrifice and triumph of the common soldier it also compels us to reexamine our views on the requisites for victory on the battlefield *Annual Report of the Adjutant General of the State of Michigan*

for the Years 1800- Michigan. Adjutant-General's Dept, 1864 **Desertion and the American Soldier, 1776-2006** Robert Fantina, 2006 Despite the government's continued insistence on linking desertion with cowardice the motivations for desertion are many and complex and are either rooted in or encouraged by military policy This history and analysis of military desertion from the Revolution to the present is a well written and informative book

Protected Species Charles E. Gannon, 2023-12-05 BEST SELLING CAINE RIORDAN SERIES CONTINUES Caine Riordan and his self styled Crewe have survived their first months on the planet they call Bactradgaria They've overcome floods dust storms tornadoes searing heat bitter cold desperate battles and attacks by various strange species However their most desperate struggles have been against the wildly ferocious x qao for whom the pursuit and genocide of other beings is as much a sport as it is a strategy Accordingly Caine and his friends realize that if they are to endure they must not merely survive but thrive So far they've done just that and made friends along the way But a few scattered tribes and towns can't defeat the x qao and their vassals To do that humans must claw higher up the food chain before they tumble off into extinction At the publisher's request this title is sold without DRM Digital Rights Management Praise for the Caine Riordan series This is military Science Fiction the way it's supposed to be written All in all a highly satisfying tale of the Terran Republic that moves the story forward and setting us up for the next chapter which promises to be interesting at worst and explosive at best SFcrowsnest Raising Caine unveils a lot of thought provoking ideas but ultimately this is a space opera adventure There are space battles daring emergency landings desperate quests hand to hand combat and double and triple crosses It's an engrossing read You owe it to yourself to read the two previous books in order Then enjoy Raising Caine It's an intergalactic thrill ride Fantasy and Science Fiction Book and Audiobook Reviews This is science fiction adventure on a grand scale Kirkus Gannon's harrowing military space opera following Trial by Fire builds well on his established setting Gannon's signature attention to developing realistic alien worlds makes this installment satisfying Publishers Weekly An incredibly active book as our protagonists are confronted by the beautiful terrible and sometimes lethal variety of the universe and its inhabitants A whole mess of fun that manages to be scientifically accurate while refraining from excessive wonkiness Those who value meticulous worldbuilding will certainly have their needs met BN Sci Fi and Fantasy Blog Gannon's whiz bang second Tales of the Terran Republic interstellar adventure delivers on the promise of the first Fire with Fire The charm of Caine's harrowing adventure lies in Gannon's attention to detail which keeps the layers of political intrigue and military action from getting too dense The dozens of key characters multiple theaters of operations and various alien cultures all receive the appropriate amount of attention The satisfying resolution is enhanced by the promise of more excitement to come in this fascinating far future universe Publishers Weekly starred review Definitely one to appeal to the adventure fans Riordan is a smart hero up against enormous obstacles and surrounded by enemies Author Gannon does a good job of managing action and tension to keep the story moving and the details of the worlds Riordan visits are interesting in their own right Analog Chuck Gannon is one of those marvelous finds someone as comfortable with

characters as he is with technology and equally adept at providing those characters with problems to solve Imaginative fun and not afraid to step on the occasional toe or gore the occasional sacred cow his stories do not disappoint David Weber

Our Paper, 1917 The Union Soldier in Battle Earl J. Hess, 1997-04-02 I saw enough to sicken the heart The scenes which I witnessed were enough to overthrow all imaginations concerning the glory of war but dreadful as they were I hope and believe that I would be willing to suffer the worst rather than prove a traitor to the trust which our country reposes in all her sons J Spangler Kieffer Pennsylvania Militia With its relentless bloodshed devastating firepower and large scale battles often fought on impossible terrain the Civil War was a terrifying experience for a volunteer army Yet as Earl Hess shows Union soldiers found the wherewithal to endure such terrors for four long years and emerge victorious A vivid reminder that the business of war is killing Hess's study plunges us into the hellish realms of Civil War combat a horrific experience crowded with brutalizing sights sounds smells and textures We share the terror of being shot at for the first time and hear the grating sound a minie ball makes when it hits a bone instead of the heavy thud when it strikes flesh We are assaulted by choruses of groans from the wounded and dying and come to understand why some soldiers returned to battle with great dread Drawing extensively upon the letters diaries and memoirs of Northern soldiers Hess reveals their deepest fears and shocks and also their sources of inner strength By identifying recurrent themes found in these accounts Hess constructs a multilayered view of the many ways in which these men coped with the challenges of battle He shows how they were bolstered by belief in God and country or simply by their sense of duty how they came to rely on the support of their comrades and how they learned to muster self control in order to persevere from one battle to the next Although our ability to appreciate war as it was conducted in the previous century has been clouded by our familiarity with modern conflicts Hess's study conveys that reality with an immediacy rarely matched by other books Even more it urges us to reconsider these soldiers not as victims of the battlefield but rather as victors over the worst that war can inflict *Forgotten Echoes*

Pasquale De Marco, 2025-04-14 In the vast tapestry of human history there lie countless forgotten echoes whispers of civilizations long gone and tales of mysteries yet unsolved *Forgotten Echoes* invites you on an extraordinary journey to uncover the secrets of bygone eras exploring the enigmatic remnants of our shared past Join us as we delve into the depths of ancient lore uncovering the stories of lost civilizations and exploring the tantalizing mysteries that linger in the shadows of time From the majestic ruins of abandoned cities to the depths of uncharted seas we'll embark on a quest to decipher the forgotten languages unravel the secrets of ancient artifacts and piece together the fragments of tales that have been lost to the sands of time With each chapter we'll traverse diverse landscapes and uncover hidden treasures that hold the keys to our collective history Discover the wisdom etched into ancient symbols explore the depths of underwater ruins and venture into abandoned structures where the whispers of past inhabitants still resonate *Forgotten Echoes* is a celebration of our rich and diverse heritage a testament to the resilience of the human spirit across time It's a journey that will challenge our

assumptions ignite our imagination and leave us in awe of the wonders that lie just beneath the surface of our world As we navigate the labyrinthine corridors of time we ll uncover the wisdom and knowledge that have shaped our world From ancient healing practices to the philosophies that have guided civilizations we ll explore the intellectual treasures that have been passed down through generations Immerse yourself in the pages of *Forgotten Echoes* and embark on a quest for knowledge that will transport you to a world of wonder and discovery Whether you re a history buff an archaeology enthusiast or simply a curious soul seeking answers this book will captivate your imagination and leave you with a newfound appreciation for the intricate tapestry of our shared past If you like this book write a review on google books
