Lost Tomb Of Viracocha:

The Lost Tomb of Viracocha Maurice Cotterell, 2003-02-20 Bestselling author of *The Tutankhamun Prophecies* decodes the spiritual mysteries hidden within the recently discovered Mochian pyramids in Sipan. Reveals that ancient Inca sun kings possessed the same solar science as Lord Pacal of Mexico and Tutankhamun of Egypt. Solves the mystery of the ancient Inca legend concerning a white god who traveled through ancient Peru healing the sick and restoring sight to the blind. Inca mythology tells of a tall white leader who wandered along the coast performing miracles, a man they called Viracocha Pachamac, which means God of the World. Centuries later another great miracle worker similar to the first appeared and wandered the countryside healing the sick and restoring sight to the blind. He too was named Viracocha. These accounts have long baffled scholars, as have the carvings left by the people of Tiahuanaco who preserved these legends. Now Maurice Cotterell, who cracked the codes hidden in both ancient Maya carvings and the treasures of Tutankhamun, unlocks the secrets concealed within the treasure-filled tombs of Viracocha Pachamac and Viracocha. His investigation of these tombs held within the long-lost pyramids of Peru proves that these two figures were not myth but actually existed 1,500 years ago. The two Viracocha sun kings had much in common with Lord Pacal of Mexico and Tutankhamun of Egypt and like them left the secrets of a super solar science encoded in their treasures. This science reveals the intimate connection between the cycles of life and birth on Earth and solar activity such as sunspots. More important, it holds the key to reincarnation and human spiritual realization with answers to the spiritual mysteries of life and death.

[Jesus, King Arthur, and the Journey of the Grail](#) Maurice Cotterell, 2006-04-18 Reveals how the super science of the sun and the higher orders of spirituality are concealed and contained in the Holy Grail. Connects the discovery of 4,000-year-old Celtic mummies in China with the transmission of this ancient knowledge. Documents the truth of the Holy Grail's connection with King Arthur and Joseph of Arimathea. Confirms the pedigree of the Grail using secret information from the Mayan Pyramid of Inscriptions in Mexico and the Gateway of the Sun in Peru. Using the same knowledge that enabled him to break the codes of the Mayas, Peruvians, Egyptians, and Chinese, Maurice Cotterell now follows the migration of the Celts 4,000 years ago from Asia across Europe to Ireland. His account of this epic journey together with his knowledge of the secret codes of the Celts helps him to identify and locate the Holy Grail, the actual cup used by Christ and his disciples at the Last Supper. The author explains the true story of the Grail, how it contains the secret super science of the sun and the higher orders of spirituality, how it was carried to England by Joseph of Arimathea, how in A.D. 453 it was found by King Arthur who engraved it with the same esoteric information found on the Pyramid of Inscriptions in Palenque, Mexico, and the Gateway of the Sun at Tiahuanaco in ancient Peru. His discoveries reveal that the Grail does actually radiate light in accordance with the Arthurian legends, proving that the so-called legends are actually based on fact. The author goes on to show how the holy cup was passed for safekeeping to the monks of Lindisfarne who copied the secrets of the Grail into the Lindisfarne Gospels and the Book of Kells. Fleeing from

Viking raids the monks carried their treasures to Ireland explaining how the cup found its way to the Dublin Museum where it rests today The Terracotta Warriors Maurice Cotterell,2004-03-25 When the first emperor of unified China Ch in Shi Huangdi felt his death approaching he decreed that he be entombed within a pyramid and that his tomb be protected by an army of terracotta figures Cotterell decodes the emperor s farewell message concealed in the terracotta warriors a message that reveals the secrets of heaven and hell **Beyond 2012: Catastrophe or Awakening?** Geoff Stray,2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar s Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna s timewave zero and Maurice Cotterell s sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date **Planet of Gold** Andreas Paris,2008-12 Planet of Gold is a fascinating and meticulously researched account of the first stirrings of the Earth when alien gods mastered our universe Paris hypothesis of these gods sending tons of gold from our planet may challenge your beliefs but with great skill he weaves a believable and astounding conclusion of why religions developed and how these beliefs have become permanently intertwined in our history The gold of Earth transformed into a monatomic super conducting gold powder could bring health and longevity Additionally it was a powerful and clean energy source The knowledge about gold powder was the explicit privilege of the gods For us it has been classified as forbidden knowledge The gold and the gold powder was the reason behind such events as the creation of man the confusion of the tongues the destruction of cities and the introduction of religions like Christianity and Islam Their action to violently deprive us from using gold powder is visible in our current state of being a world dominated by diseases mental enslavement by religious dogmas and pollution leading to a climate crisis Paris book is a stunningly revealing look at ancient kings prophets and agents secret societies the Holy Inquisition the Bible and other religious teachings Planet of Gold will open your eyes to an
