tells the story of Plains Indian women through a series of fascinating vignettes They are a remarkable group of women some famous some obscure Some were hunters some were warriors and in a rare case one was a chief some lived extraordinary lives while others lived more quietly in their lodges Some were born into traditional families and knew their place in society while others were bi racial who struggled to find their place in a world conflicted between Indian and white Some never knew anything but the old nomadic way of life while others lived on to suffer through the reservation years Others were born on the reservation but did their best in difficult times to keep to the old ways Some never left the reservation while others ventured out into the larger world All in their own way were Plains Indian women Native American Voices David A.
