

The LOST CAUSE

The Confederate Exodus to Mexico

BY ANDRÉ W. F. ROLLE

with a Foreword by A. L. Rowse

Lost Cause The Confederate Exodus

Andrew Frank Rolle

Lost Cause The Confederate Exodus:

The Lost Cause Andrew F. Rolle, Alfred Leslie Rowse, 1966 The Lost Cause. The Confederate Exodus to Mexico, Etc. (Second Printing.) [With Plates.], Andrew Frank ROLLE, 1966 The Lost Cause Andrew Frank Rolle, 1966 In Pursuit of a Phantom Arnold M. Pavlovsky, 2008-06 *The Lost Cause* Andrew F. Rolle, 1966 **Knights of the Golden Circle** David C. Keehn, 2013-04-15 Based on years of exhaustive and meticulous research David C Keehn s study provides the first comprehensive analysis of the Knights of the Golden Circle a secret southern society that initially sought to establish a slave holding empire in the Golden Circle region of Mexico the Caribbean and Central America Keehn reveals the origins rituals structure and complex history of this mysterious group including its later involvement in the secession movement Members supported southern governors in precipitating disunion filled the ranks of the nascent Confederate Army and organized rearguard actions during the Civil War The Knights of the Golden Circle emerged in 1858 when a secret society formed by a Cincinnati businessman merged with the pro expansionist Order of the Lone Star which already had 15 000 members The following year the Knights began publishing their own newspaper and established their headquarters in Washington D C In 1860 during their first attempt to create the Golden Circle several thousand Knights assembled in southern Texas to colonize northern Mexico Due to insufficient resources and organizational shortfalls however that filibuster failed Later the Knights shifted their focus and began pushing for disunion spearheading prosecession rallies and intimidating Unionists in the South They appointed regional military commanders from the ranks of the South s major political and military figures including men such as Elkanah Greer of Texas Paul J Semmes of Georgia Robert C Tyler of Maryland and Virginius D Groner of Virginia Followers also established allies with the South s rabidly prosecession fire eaters which included individuals such as Barnwell Rhett Louis Wigfall Henry Wise and William Yancey According to Keehn the Knights likely carried out a variety of other clandestine actions before the Civil War including attempts by insurgents to take over federal forts in Virginia and North Carolina the activation of prosouthern militia around Washington D C and a planned assassination of Abraham Lincoln as he passed through Baltimore in early 1861 on the way to his inauguration Once the fighting began the Knights helped build the emerging Confederate Army and assisted with the pro Confederate Copperhead movement in northern states With the war all but lost various Knights supported one of their members John Wilkes Booth in his plot to assassinate President Lincoln Keehn s fast paced engaging narrative demonstrates that the Knights influence proved more substantial than historians have traditionally assumed and provides a new perspective on southern secession and the outbreak of the Civil War **The Long Surrender** Burke Davis, 2016-03-29 A panoramic and spellbinding history of the last days of the Confederacy and the flight capture and imprisonment of Jefferson Davis In April 1865 Richmond fell to the Union army and Gen Robert E Lee surrendered to his Northern counterpart Ulysses S Grant at the Appomattox Court House But the Civil War was far from over Determined to keep Confederate dreams of secession alive President Jefferson Davis and his cabinet fled

the burning capital city With Union troops in pursuit the fugitives rallied loyalists across the South and made plans to escape to Cuba In the aftermath of President Abraham Lincoln s assassination a 100 000 bounty was placed on Davis s head Finally captured in Irwinville Georgia the former US senator and secretary of war became a prisoner of the American government The harsh treatment he received would inflame tensions between North and South for years to come Meticulously researched and brilliantly told The Long Surrender brings these dramatic events to vivid unforgettable life and paints a fascinating portrait of Davis one of history s most enigmatic figures By shining a light on this forgotten chapter of the Civil War bestselling author Burke Davis examines the lasting impact of America s bloodiest conflict on the national character

American Military Leaders John C. Fredriksen,1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index

American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict A Shattered Nation Anne Sarah Rubin,2009-06-16 Those interested in the nature of American nationalism will find much food for thought in this accomplished discussion of the way Southerners rejected their American identities during the Civil War and developed a sense of themselves as Confederates Foreign Affairs Historians often assert that Confederate nationalism had its origins in

pre Civil War sectional conflict with the North reached its apex at the start of the war and then dropped off quickly after the end of hostilities Anne Sarah Rubin argues instead that white Southerners did not actually begin to formulate a national identity until it became evident that the Confederacy was destined to fight a lengthy war against the Union She also demonstrates that an attachment to a symbolic or sentimental Confederacy existed independent of the political Confederacy and was therefore able to persist well after the collapse of the Confederate state White Southerners redefined symbols and figures of the failed state as emotional touchstones and political rallying points in the struggle to retain local and racial control Rubin argues even as former Confederates took the loyalty oath and applied for pardons in droves

A Shattered Nation (EasyRead Edition) Anne Sarah Rubin, 2007 Historians often assert that Confederate nationalism had its origins in pre Civil War sectional conflict with the North reached its apex at the start of the war and then dropped off quickly after the end of hostilities The author argues instead that white Southerners did not actually begin to formulate a national identity until it became evident that the Confederacy was destined to fight a lengthy war against the Union She also demonstrates that an attachment to a symbolic or sentimental Confederacy existed independent of the political Confederacy and was therefore able to persist well after the collapse of the Confederate state While Southerners redefined symbols and figures of the failed state as emotional touchstones and political rallying points in the struggle to retain local and racial control the author argues even as former Confederates took the loyalty oath and applied for pardons in droves Back cover

Theater of a Separate War Thomas W. Cutrer, 2023-04-04 Though its most famous battles were waged in the East at Antietam Gettysburg and throughout Virginia the Civil War was clearly a conflict that raged across a continent From cotton rich Texas and the fields of Kansas through Indian Territory and into the high desert of New Mexico the Trans Mississippi Theater was site of major clashes from the war's earliest days through the surrenders of Confederate generals Edmund Kirby Smith and Stand Waite in June 1865 In this comprehensive military history of the war west of the Mississippi River Thomas W Cutrer shows that the theater's distance from events in the East does not diminish its importance to the unfolding of the larger struggle

Conrad Wise Chapman Ben L. Bassham, 1998 Civil War artist Conrad Wise Chapman painted and sketched while on duty as a Confederate soldier Chapman's firsthand knowledge is evident in his work and this text provides both a critical analysis of Chapman's art and a biography incorporating his correspondence and Civil War memoirs

Shelby's Expedition to Mexico John R. Edwards, 2007-07-01 Confederate general Joseph O Shelby and his legendary Iron Brigade refused to acknowledge the end of the Civil War Instead they fought their way to Mexico in search of a place where they could continue to defy the U S government These veteran Missouri cavalrymen clawed their way for fifteen hundred miles fighting Juaristas Indians desperados and disgruntled gringos They disbanded only after they had offered their services to Emperor Maximilian and were turned down Shelby's adjutant journalist John N Edwards first published his story of the exploits of this superb mounted brigade and its quixotic final march in 1872 Conger Beasley provides a lively introduction

that includes the first biographical sketch of the author The 1969 movie The Undefeated starring John Wayne and Rock Hudson was based upon Shelby's expedition **Women of the Civil War South** Marilyn Mayer Culpepper, 2003-12-10 Presented here are excerpts from diaries and letters written by Southern women from different walks of life and areas of the country Mary White a fifteen year old girl attempted to get through the blockade in Wilmington North Carolina Nancy Jones lived in fear amid the violence that rocked Missouri and saw her close friends and family murdered and her young son taken prisoner by the Yankees Sarah Dandridge Duval and her family were refugees living near Richmond Virginia The book includes personal reminiscences from Union and Confederate women living in Winchester Virginia a town that reportedly changed hands 76 times during the war and the reactions of Southern women to the surrender at Appomattox The Union, the Confederacy, and the Atlantic Rim Robert E. May, 2013-09-03 From French intervention in Mexico to British interests in the Caribbean the impact of the Civil War extended far beyond military campaigns in Virginia diffusing widely into the Atlantic world Revised to take into account the outpouring of scholarship on Civil War diplomacy that has appeared since the book was first published The Union the Confederacy and the Atlantic Rim features essays by acclaimed historians Howard Jones R J M Blackett Thomas Schoonover and James M McPherson Tangled Destinies Don M. Coerver, Linda Biesele Hall, 1999 Historical overview from both perspectives of the often troubled and always uneven relationship between the United States and the nations of Latin America Soldier Princess David Coffey, 2002 By the time of her death in 1912 this enigmatic woman's life had become the stuff of myth which she had only encouraged Stories featured her fighting beside her husband in battle while treating the wounded She claimed to have received a captain's commission for her services and to have been a close friend of President Lincoln which apparently she was not One story even placed her in command of a company of troops during Sherman's March to the Sea BOOK JACKET Journal of the Civil War Era William A. Blair, 2012-09-01 The Journal of the Civil War Era Volume 2 Number 3 September 2012 TABLE OF CONTENTS Articles Robert Fortenbaugh Memorial Lecture Joan Waugh I Only Knew What Was in My Mind Ulysses S Grant and the Meaning of Appomattox Patrick Kelly The North American Crisis of the 1860s Carole Emberton Only Murder Makes Men Reconsidering the Black Military Experience Caroline E Janney I Yield to No Man an Iota of My Convictions Chickamauga and Chattanooga National Military Park and the Limits of Reconciliation Book Reviews Books Received Review Essay David S Reynolds Reading the Sesquicentennial New Directions in the Popular History of the Civil War Notes on Contributors The Journal of the Civil War Era takes advantage of the flowering of research on the many issues raised by the sectional crisis war Reconstruction and memory of the conflict while bringing fresh understanding to the struggles that defined the period and by extension the course of American history in the nineteenth century The Origins of Southern Sharecropping Edward Royce, 2010-05-05 Revised perspective on sharecropping
