Lost for Words J. W. Patrick Creber,1976 **Research in Education** ,1972 **Resources in education** ,1983-05

Lost for words Patrick J.W. Creber,1976 **Classroom Language** Jill Richards,2012 The acquisition and use of language are just as vital to children's learning when the newer classroom methods are being employed as ever they were when the more traditional approaches were being used Child centred learning has increasingly influenced language use and language work in the classroom mainly in the primary sector but also in the teaching of English and indirectly in the teaching of other subject areas including the sciences In this volume the author focuses mainly on the language of subject learning in the secondary schools She looks critically at some current notions concerned with language and learning and examines their translation into classroom practice She then develops a picture of the language demands made by other subject areas using collected language material and finally in the light of this evidence she attempts to identify the range of language in everyday use in schools goes on to draw conclusions and then makes recommendations **Routledge Library Editions: Education**

Mini-Set O Teaching and Learning 14 vols Various,2021-12-02 Originally published between 1973 and 1993 the 14 books in this set discuss a number of themes such as policy practice and evaluation in schools dealing with disruptive behaviour issues regarding the teaching of arts and sciences ethnographic studies of life in primary and secondary schools and critical events in teaching and learning Verbal/Visual Crossings 1880-1890 Theo D'haen,2023-12-18 **Lost for Words**

National Association for the Teaching of English, Methodologies for Effective Writing Instruction in EFL and ESL Classrooms Al-Mahrooqi, Rahma,2014-10-31 Educators continue to strive for advanced teaching methods to bridge the gap between native and non native English speaking students Lessons on written forms of communication continue to be a challenge recognized by educators who wish to improve student comprehension and overall ability to write clearly and expressively Methodologies for Effective Writing Instruction in EFL and ESL Classrooms brings together research and practices for successful written communication teaching among students of diverse linguistic backgrounds With technological advancements and resources educators are able to implement new tools into their lesson plans for the benefit of their students This publication is an essential reference source for professionals educators and researchers interested in techniques and practices for written communication in English language teaching geared towards non native English speaking students Teaching and Learning of English in Secondary Schools Casmir Chanda,2008 By exploring the ways that teachers and pupils can help to improve classroom practices this book shows how education planners and practitioners can effect improvements in schools even in situations of very scarce resources It is suitable for those who are working to improve English language teaching and learning
