 Christensen,2002 Tracing the story of Red Lodge from the 1880s to the present Christensen tells how a mining town
 managed to endure the vagaries of the West s unpredictable extractive industries economy She connects Red Lodge to a
 myriad of larger events and historical forces to show how national and regional influences have contributed to the
 development of local identities exploring how and why westerners first rejected and then embraced western images and how
 ethnicity wilderness and historic preservation became part of the identity that defined one town BOOK JACKET **Finding**
