#### **Lost Lands And Forgotten People:**

Lost Lands and Forgotten People James Cornell, 1978 Author explores the ruins of vanished civilizations and examines a few of the unanswered questions of human culture The Lost Land of Lemuria Sumathi Ramaswamy, 2004-09-27 This is a fascinating study of Lemuria a mythical continent which was once believed to bridge the land masses of India and Africa millennia ago before ultimately sinking into the Indian sea **The Lost Land** John R. Chávez, 1984-10 A fascinating intellectual history of Hispano self perception this book traces the changes in Hispano views of the Southwest from earliest times to the present particularly since the 1848 signing of the Treaty of Guadalupe Hidalgo Boys' Life ,1979-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting In Search of the Never-Never Ann McGrath, 2019-04-09 Mickey Dewar made a profound contribution to the history of the Northern Territory which she performed across many genres She produced high quality memorable and multi sensory histories including the Cyclone Tracy exhibition at the Museum and Art Gallery of the Northern Territory and the reinterpretation of Fannie Bay Gaol Informed by a great love of books her passion for history was infectious As well as offering three original chapters that appraise her work this edited volume republishes her first book In Search of the Never Never In Dewar's comprehensive and incisive appraisal of the literature of the Northern Territory she provides brilliant often amusing insights into the ever changing representations of a region that has featured so large in the Australian popular imagination The Rope Eater Ben Jones, 2003 Fleeing the horrors of the Civil War by deserting Brendan Kane joins the crew of the Narthex an oddly shaped vessel unaware that the ship's intended destination is **Mindscape** Caroline Gay Way, 2018-08-08 A book of poems a mythic temperate paradise in the heart of the Arctic ice ranging from the surreal to social and environmental comment Some are dark and some are fun They mirror life and art in an exploratory and kaleidoscopic way **This Shrinking Land** Robert Duck, 2019-07-29 The oceans are the graveyards of the lands Lands become eaten away by the action of the seas and it is no surprise to find that most of the world s shorelines are in a state of erosion The fringes of Britain its cliffs and beaches are shrinking disappearing into the surrounding sea as a result of coastal flooding erosion and landsliding Is climate change speeding up the process are our homes our villages and towns at risk This book examines how the British coast is changing and why and what is being done to protect this island nation Are we doing enough Should we abandon vulnerable towns and villages to the seas as our forebears did and relocate coastal settlements inland These are some of the difficult and potentially emotive questions that this book explores Blending contemporary earth science and societal themes with historical and cultural records and a hint of myth and romance for good measure This Shrinking Land is a fascinating study of what we must learn from the past in order to manage the future of Britain's coasts With more than 100 illustrations most of them in colour this is a stunning book A Land Apart Flannery Burke, 2017-05-02 Winner Spur Award for Best Contemporary Nonfiction Western Writers of America A Land Apart is not just

a cultural history of the modern Southwest it is a complete rethinking and recentering of the key players and primary events marking the Southwest in the twentieth century Historian Flannery Burke emphasizes how indigenous Hispanic and other non white people negotiated their rightful place in the Southwest Readers visit the region s top tourist attractions and find out how they got there listen to the debates of Native people as they sought to establish independence for themselves in the modern United States and ponder the significance of the U S Mexico border in a place that used to be Mexico Burke emphasizes policy over politicians communities over individuals and stories over simple narratives Burke argues that the Southwest's reputation as a region on the margins of the nation has caused many of its problems in the twentieth century She proposes that as they consider the future Americans should view New Mexico and Arizona as close neighbors rather than distant siblings pay attention to the region s history as Mexican and indigenous space bear witness to the area s inequalities and listen to the Southwest's stories Burke explains that two core parts of southwestern history are the development of the nuclear bomb and subsequent uranium mining and she maintains that these are not merely a critical facet in the history of World War II and the militarization of the American West but central to an understanding of the region s energy future its environmental health and southwesterners conception of home Burke masterfully crafts an engaging and accessible history that will interest historians and lay readers alike It is for anyone interested in using the past to understand the present and Mediatized Conflict Cottle, Simon, 2006-05-01 We live in the future of not only the region but the nation as a whole times that generate diverse conflicts we also live in times when conflicts are increasingly played out and performed in the media Mediatized Conflict explores the powered dynamics contested representations and consequences of media conflict reporting It examines how the media today do not simply report or represent diverse situations of conflict but actively enact and perform them This important book brings together the latest research findings and theoretical discussions to develop an encompassing multidimensional and sophisticated understanding of the social complexities political dynamics and cultural forms of mediatized conflicts in the world today Case studies include Anti war protests and anti globalization demonstrations Mediatized public crises centering on issues of race and racism War journalism and peace journalism Risk society and the environment The politics of outrage and terror spectacle post 9 11 Identity politics and cultural recognition This is essential reading for Media Studies students and all those interested in understanding how why and with what impacts media report The Comic-book Book Richard A. Lupoff, 1974 on diverse conflicts in the world today Journalism: Critical Issues Allan, Stuart, 2005-01-01 Over the years it has been frequently remarked that journalism is at a crossroads indeed so often that it risks sounding somewhat cliched yet there is every indication that its very forms practices and institutions are being decisively transformed with startling implications Accordingly the principal aim of this book is to help provide the basis for new dialogues to emerge regarding journalism today as well as about where it may be heading tomorrow Journalism Critical Issues poses a series of important questions afresh questions deserving of much greater attention than they have typically

received to date Each of the contributors seeks to challenge conventional ways of thinking about the critical issue at stake in their respective chapter In so doing it is their intention to further our understanding but also to encourage future explorations with the potential to revitalise journalism studies In adopting this approach it is hoped that the book will make for a lively argumentative in the best sense of the word and engaging intervention New Earth Histories Alison Bashford, Emily M. Kern, Adam Bobbette, 2023-11-06 This book brings the history of the geosciences and world cosmologies together exploring many traditions including Chinese South and Southeast Asian Pacific Islamic and Indigenous conceptions of earth's origin and makeup Together the chapters ask How have different ideas about the sacred animate and earthly changed modern environmental science How have different world traditions understood human and geological origins How does the inclusion of multiple cosmologies change the meaning of the Anthropocene and the ongoing global climate crisis By thinking carefully through and with other cosmologies New Earth Histories sets a new agenda for history The chapters consider debates about the age and structure of the earth how humans and earth systems interact and empire is conceived in multiple traditions The methods the authors deploy are diverse from cultural history visual and material studies and ethnography to name a few and the effect is to highlight how earth knowledge emerged from historically specific situations New Earth Histories provides both a framework for studying science at a global scale and fascinating examples to educate as well as inspire future work Essential reading for students and scholars of earth science history environmental humanities history of science and religion and science and empire Birthing the Star-caller Peta Hawker, 2024-08-10 Wizard slayer Blood of kings Star caller Wave bears many titles but can any of them can save her War is brewing in the north while Wave is trapped in the wizards dungeon Buried underground she struggles to maintain her grip on reality as the unending darkness seeps into her mind But in the depths of the sinister castle will Wave meet her most unlikely ally of all Jessandra returns home a triumphant starkin but is surprised by her father sending her to the capital in his stead When she s introduced to the rebellion and their charismatic leader her life becomes infinitely more precarious as she balances the many faces she must wear From different sides of Heredour Wave and Jessandra fight for the rebellion in their own way But will their efforts be enough to protect their people from the mad king and an even greater danger coming towards them from across the sea In this spellbinding sequel to Unwinding the Spiral true allegiances will be tested as an ancient enemy rises from the past
