

The Lost Leader

I.

**Just for a handful of silver he left us,
Just for a riband to stick in his coat---
Found the one gift of which fortune bereft us,
Lost all the others she lets us devote;
They, with the gold to give, doled him out silver,
So much was theirs who so little allowed:
How all our copper had gone for his service!
Rags---were they purple, his heart had been proud!
We that had loved him so, followed him, honoured him,
Lived in his mild and magnificent eye,
Learned his great language, caught his clear accents,**

**Made him our pattern to live and to die!
Shakespeare was of us, Milton was for us,
Burns, Shelley, were with us,---they watch from their graves!
He alone breaks from the van and the free-men,
---He alone sinks to the rear and the slaves!**

II.

**We shall march prospering,---not thro' his presence;
Songs may inspirit us,---not from his lyre;
Deeds will be done,---while he boasts his quiescence,**

**Still bidding crouch whom the rest bade aspire:
Blot out his name, then, record one lost soul more,
One task more declined, one more foot-path untrod,
One more devils'-triumph and sorrow for angels,
One wrong more to man, one more insult to God!
Life's night begins: let him never come back to us!
There would be doubt, hesitation and pain,
Forced praise on our part---the glimmer of twilight,
Never glad confident morning again!
Best fight on well, for we taught him---strike gallantly,
Menace our heart ere we master his own;**

**Then let him receive the new knowledge and wait us,
Pardoned in heaven, the first by the throne!**

Lost Leader:

Labour's Lost Leader Paul Tyler,2007-06-29 The life story of Will Crooks has a Dickensian resonance As a working class child born into abject poverty he experienced the rigours of Poplar Workhouse and Poor Law school Nearly forty years later Crooks became Chairman of the Poplar Board of Guardians the very board that had given him shelter during his challenging early years Crooks was a member of the Coopers Union for fifty five years and a leading pioneer of the trade union and Labour movement for over thirty This significant and sometimes controversial figure has been overlooked by modern historians Here Paul Tyler presents a pioneering political biography of a significant Labour figure at both a local and national level and an important reinterpretation of the early trade union and labour movement from the 1880s to the 1920s

New Conservative Explications Kenneth B. Newell,2011-01-18 Because of the triumph of postmodern studies explication of classic poems by great dead white male English poets of preceding centuries has greatly declined in the last several decades even though many of the poems may still be puzzling to interested readers young and old This book is addressed to both audiences in the hope that new explications of twelve classic poems or sections of these poems by Blake Wordsworth Coleridge Keats Shelley Tennyson Browning Arnold Hardy Yeats and Auden may help sustain interest in the poems Although the explication procedure is now unpopular in theory and held to be as subjective as interpretation the procedure is based on the experience that if a puzzling poem is reasoned with it can often be found to make sense on a basic level of understanding a sense perhaps complex ambiguous or ambivalent but not self contradictory In essence then this is a book of poetry explications having esthetic aims but written in an era of unesthetic political and cultural studies The term conservative in the title refers to explicatory rather than political conservatism as well as to critical and literary conservation i e to conserving the practice of explication whether upon literary works old or new and so also conserving esthetic interest in the old works themselves The book also attempts to show that new conservative explications are still possible and can be still useful even in the postmodern era and even on classic poems already much explicated and that therefore explication still has much to do in the work of literary studies in the postmodern era **Journal and Proceedings of the Hamilton**

South Island but he didn't immediately throw himself into farming. Instead, he tried a variety of jobs and married young, ignoring those who told him he was making a mistake. He had three children before divorcing and ending up in a bitter custody dispute. Everything changed when he met a schoolteacher named Kaye, who he asked to marry him after knowing her a week. In 1987, they became the proud owners of a block of land in the Moutere, which had a small patch of raspberries. The couple thought they could make money from a raspberry crop, but that wasn't easy. They discovered that they could add value to their crop by making jam and began selling their Anathoth brand of jams at a brisk pace. Soon, other farmers joined their effort, and the couple found themselves at the top of one of New Zealand's most successful businesses. Join the Popes as they celebrate family values and reveal the business secrets that allowed them to build an empire built on jams, pickles, and hard work in *Popes Passion*.

The 5 Levels of Leadership John C. Maxwell, 2011-10-04 Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than the boss, people follow only because they are required to; you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership, where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position: People follow because they have to. 2. Permission: People follow because they want to. 3. Production: People follow because of what you have done for the organization. 4. People Development: People follow because of what you have done for them personally. 5. Pinnacle: People follow because of who you are and what you represent. Through humor, depth, insight, and examples internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

Browning's Shorter Poems Robert Browning, 2022-09-15 Browning's *Shorter Poems* showcases Robert Browning's mastery of poetic form and psychological depth. With a collection that spans several decades, Browning's verse employs dramatic monologues, lyrical expressions, and vivid imagery to explore themes of love, faith, and human struggle. His unique stylistic choices, including intricate rhyme schemes and compelling narrative techniques, situate him as a transformative figure in Victorian poetry, pushing boundaries while retaining accessibility that resonates with the modern reader. Browning's engagement with social concerns, including the complexities of identity and morality, is particularly evident in pieces such as *The Last Ride Together* and *Meeting at Night*, where personal emotion interweaves seamlessly with broader existential queries. Robert Browning (1812-1889) emerged from a background rich in literary influence, encouraged by a self

taught education and an early passion for poetry His marriage to fellow poet Elizabeth Barrett Browning deeply informed his work fostering an environment conducive to creative exploration The evolution of his poetic voice reflects his own intellectual pursuits and keen observations of human nature cementing his reputation as one of the foremost poets of the Victorian era This collection is essential for readers seeking not only to appreciate Browning s lyrical genius but also to engage with the profound human experiences he captures so expertly Whether you are a seasoned poetry lover or new to Browning s work Browning s Shorter Poems serves as a vital entry point into the rich tapestry of Victorian literature **London Quarterly Review** ,1877
