Good and Comfortable Words David M. Powers, 2017-08-30 Thanks to coded notes taken by the teenager John Pynchon this volume transports the reader virtually back to Sundays in the seventeenth century when the community gathered to listen to the Rev George Moxon The setting was Springfield Massachusetts founded in 1636 by John's father William Pynchon As a note taker John recorded just what he heard in this rare resource which allows the reader to listen in on the weekly sermons he documented in the 1640s This symbol by symbol transcription into a word for word text preserves the character of the minister's original remarks and reveals Moxon as an able engaging speaker who offered encouragement and challenge to the growing plantation he faithfully served through its earliest years on the edge of a wilderness Not only do the sermons in this collection provide snippets of popular theological discourse at particular moments in the 1600s they also point to issues of the day and they help us get inside the thoughts and word patterns of that era

Matthew, Mark, Luke, and Paul David Oliver Smith, 2011-07-01 Matthew Mark Luke and Paul takes you on a journey through the Synoptic Gospels and the Epistles providing a new solution to a literary puzzle that has vexed biblical scholars for over two hundred years The Synoptic Problem When the Synoptic evangelists Matthew Mark and Luke sat down to write their gospels did they have copies of some of the epistles This book examines the Synoptic Gospels Hebrews and Paul's Epistles finding many intriguing similarities suggesting that the Synoptic evangelists used extensive parts of the epistles to weave into their stories of the ministry of Jesus of Nazareth David Oliver Smith then compares these epistle based passages to the theoretical lost gospel Q and finds that a large portion of what many New Testament scholars consider to be contained in Q may have its inspiration in the Epistles

The Journey to Happiness: Humanity's Way Back to Eden Douglas W Cho PhD, 2016-11 This is an inspirational guide that provides truthful and straightforward answers to life's most fundamental question why are mankind unhappy After over half a decade as a struggling Christian Dr Cho has met Jesus Christ in person and came to have a strong desire to share the awakening and understanding on such fundamental questions of life and God with those who are yet struggling and agonizing to find answers The book is very readable with illustrative pictures and anecdotes both from the Bible and the author's life story The author hopes the readers find answers in the book both enlightening and encouraging so as to want to take the journey going back home to Eden to find true peace and happiness reconciled with the Creator and now having a purpose and mission in life

The Parables Brad H. Young, 2008-03-01 Fully one third of Jesus words in the Synoptic Gospels occur in parables It could be said that knowing the parables is essential for understanding the person of Christ In this work Brad Young displays

his unique perspective as a scholar steeped in both Jewish and Christian studies While parables have timeless messages reinterpretations in new contexts throughout the centuries have distorted the original meanings and undermined the essence of what Jesus intended for his initial listeners Young examines the parables that best illustrate the parallels between the rabbinic and Gospel parables He challenges readers to remember that first century Judaism was not merely the backdrop for Jesus teachings but the very stage from which Jesus delivered the message of the kingdom Jesus ethics and theology can be properly understood only in the light of first century Jewish teachings Young focuses on the historical development and theological significance of parables in both traditions and examines five theological subjects that are dealt with in parables prayer grace reconciliation calling and sovereignty More Toddlerific! David C Cook Publishing Company,2008 More Toddlerific features 12 themed lessons for toddlers and two year olds Each session offers a fun activity that supports a truth from God s Word introduces a verse or shares a Bible story Reproducible pages make preparation as easy as 1 2 3 And through positive play and hands on activities little ones experience the simple message that God is love *A Sinner Looks at Scripture* Robert Horne,2025-01-03 This work contains a number of homilies I presented at Saint Paul s Episcopal Church in Payson Arizona over the last ten years During that time period I served as a subdeacon and licensed lay preacher Initially Father Tantomonaco recommended that I be licensed to preach and the then presiding bishop the Right Reverend Kirk Smith saw to it that I was licensed to preach in the Episcopal Diocese of Arizona However neither is responsible for any errors of omission or commission committed by me during my time period as a licensed lay preacher Hence any errors appearing in this book belong solely to me period The title of this piece A Sinner Looks at Scripture A Collection of Homilies reflects the fact that I make no claim to be a theologian nor paragon of virtue This work simply represents my reflections on certain pieces of scripture buttressed by what I believe to have been a careful reading of works authored by numerous scholars in the field It is my hope that this work will serve as a catalyst for individuals and or groups seeking to delve more deeply into Scripture The scriptures examined in this piece are drawn primarily from both testaments In addition a prayer attributed to Francis along with pieces taken from the Episcopal Book of Common Prayer serve as discussion points in this work too If this material proves to be thought provoking then I shall have achieved my goal And no it is not incumbent upon the reader that she he agrees with my analyses It is crucial however that potential readers employ their own intellect in discerning the overall value of the presentations herein as they relate to their understanding of Scripture **Encountering the Parables in Contexts Old and New** T. E. Goud,J.R.C. Cousland,John P. Harrison,2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a

bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Gospel Theater for the Whole Community* Mary Kathleen Glavich, 2006 For parish leaders who want to turn their faith formation gatherings into fun and interactive teachable moments this invaluable resource is a must have Its ninety two short and easy to stage gospel plays can be reproduced for all parish catechetical gatherings
