Senate. Committee on Indian Affairs (1993- ),1999     The Kratt Prophecy Arthur Young,2020-01-09 My story concerns the Leaders of which there have been many each of whom in their own way has either to a greater or lesser extent played their part in guiding the race of Kratts and Underkratts to their ultimate destiny The six leaders I have chosen for my first narrative have in my opinion had the greatest impact in fulfilling the Kratt prophecy The leaders I have chosen are Eddard and Erica the first leaders Trembor and Treena the teachers Alain and Arina the peace makers Due to the very long lives that leaders have it would be almost impossible for me to relate all of the things that they had accomplished during their lifetimes I have therefore concentrated on what I consider to be their greatest contribution to the Kratt and Underkratt race Unfortunately there is no written account that can testify to the truth or accuracy of what occurred there is only the verbal accounts handed down through thousands of generations Although the current leaders of the four Tribes have been an invaluable source of information for which I am eternally grateful there still remains gaps in our history which for one reason or another they are unable to fill because of these gaps I have in many instances had to decide what might or might not be the truth I have therefore taken the liberty of taking an educated guess as to what was either said or thought by all the Kratts and Underkratts in my story where these gaps occur I make no apologies for this and hope that the reader will still find my story interesting informative and fairly close to what actually occurred     50 Jewish Messiahs Jerry Rabow,2002 It is a little known fact that there have been more than fifty prominent Jewish Messiahs These characters though unrenowned today inspired messianic fervour that at times seized the whole Jewish Christian Muslim and even secular worlds The stories of these fifty Messiahs both male and female are unknown suppressed by Jewish religious authorities or ignored by historians of all religions Until now In this book these Jewish Messiahs are remembered and now their forgotten stories whether humorous bizarre tragic or solemn are finally told The Messiah who killed the Pope The Messiah who was saved from the Inquisition when the Pope hid him in the Vatican The Messiah who demanded that his head be cut off in order to prove his immortality The Messiah who defied the Holy Roman Emperor The

17th century Messiah whose followers continued their secret society into the 20th century And to contemporary times and the story of the late Lubavitcher Rebbe Menachem Mendel Schneerson and how he inspired a passionate and devoted following Above all Fifty Jewish Messiahs examines humanity not divinity and history rather than theology Taken together these intriguing stories paint a vivid portrait of the universal and timeless human need for optimism and hope in a better future
