Lost Victories The Military Genius Of Stonewall Jackson

Bevin Alexander

Lost Victories The Military Genius Of Stonewall Jackson:

Lost Victories Bevin Alexander,1996-09-01 Drawing on primary sources an authoritative account of the first two years of the Civil War *Lost Victories* Bevin Alexander,1992 An account of the career of the Civil War s master tactician argues that it was Lee s strategic timidity and not his prescience that prevented Jackson from striking north across the Potomac to force a peace 15 000 first printing *The Stonewall Brigade in the Civil War* Steven M. Smith and Patrick Hook, *How the South Could Have Won the Civil War* Bevin Alexander,2008-11-25 Destroying conventional historical wisdom acclaimed military historian Bevin Alexander reveals how the South most definitely could have defeated the North and how close a Confederate victory came to happening Alexander shows How the Confederacy had its greatest chance to win the war just three months into the fighting but blew it How the Confederacy s three most important leaders President Jefferson Davis and Generals Robert E Lee and Thomas Stonewall Jackson clashed over how to fight the war How the Confederate army devised but never fully exploited a way to negate the Union s huge advantages in manpower and weaponry How Abraham Lincoln and other Northern leaders understood the Union s vulnerability better than the Confederacy s leaders did How the South Could Have Won the Civil War provides a startling account of how a relatively small number of tactical and strategic mistakes cost the South the war and changed the course of history *Chancellorsville 1863* Carl Smith,2012-10-20 Fully illustrated including with battle maps this account of the Battle of Chancellorsville features detailed coverage from experienced military writer Carl Smith Following the debacle of the battle of Fredericksburg in December 1862 Burnside was replaced as commander of the Army of the Potomac by General Joseph Hooker Having reorganised the army and improved morale he planned an attack that would take his army to Richmond and end the war Although faced by an army twice his size the Confederate commander Robert E Lee split his forces Jubal Early was left to hold off Sedgwick s Fredericksburg attack and Stonewall Jackson was sent with 26 000 men in a wide envelopment around Hooker s right flank This title details how at dusk on May 2 Jackson s men crashed into the Federal right flank and how stiffening Federal resistance slowed the Confederate advance the next day **Genteel Rebel** Sheila R. Phipps,2003-10-13 As a Confederate sympathizer in the hotly contested small border town of Winchester Virginia she ran an underground postal service hid contraband under her nieces dresses abetted the Rebel cause and was finally banished Jacket **Parameters** ,1993 **How Great Generals Win** Bevin Alexander,2011-07-25 An astute military historian s appraisal of what separates the sheep from the wolves in the great game of War Kirkus Reviews If a key to military victory is to get there first with the most the true test of the great general is to decide where there is the enemy s Achilles heel Here is a narrative account of decisive engagements that succeeded by brilliant strategy more than by direct force The reader accompanies those who fought from Roman legionaries and Mongol horsemen to Napoleonic soldiery American Civil War Rebels and Yankees World War I Tommies Lawrence of Arabia s bedouins Chinese revolutionaries British Desert Rats Rommel s Afrika Korps and Douglas MacArthur s Inchon invaders

However varied their weapons the soldiers of all these eras followed a commander who faced the same obstacles and demonstrated the strategic and tactical genius essential for victory All warfare is based on deception wrote Sun Tzu in The Art of War in 400 BCE Bevin Alexander shows how great generals have interpreted this advice and why it still holds true today

America's Military Adversaries John C. Fredriksen, 2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound But this book is the first to focus on America s talented enemies the generals admirals Indian chiefs and warriors submarine captains fighter pilots and spies who opposed the United States with military force or other means Often these military leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history

The Human Tradition in the Civil War and Reconstruction Steven E.

Woodworth, 2000-02-01 The Human Tradition in the Civil War and Reconstruction brings alive this decisive period in American history by taking the reader beyond the realm of generals presidents and the other towering figures of history and introducing fourteen individuals who represent the variety of people who made up the great mass of the nation in the middle of the nineteenth century Readers will meet women like LaSalle Pickett whose activities not only reveal a good deal about marriage and gender during the period but also offer a fascinating look at the postwar southern propaganda effort on behalf of the Lost Cause A chronicle of the home front is offered in the piece on journalist poet and novelist Lucy Virginia French The abolition movement particularly as an outgrowth of religious conviction is covered in the sketch of Charles Grandison Finney The chapters on Robert Smalls and Willis Augustus Hodges illustrate the roles played by African Americans during the war and Reconstruction Francis Nicholls s virulent southernism is counterpointed in the sketch of Charles Henry Foster whose unionism in a southern state highlights the complexity of choices and motivations of Americans in the Civil War era Readers will also meet people like Winfield Scott Hancock and Richard S Ewell whose experiences illustrate the challenges confronted by mid ranking military commanders The naval war often a neglected aspect of the era is the focus of the piece on Raphael Semmes and a chapter on common soldier Peter Welsh reflects the important part played by immigrants in this conflict An excellent resource for courses on this tumultuous era The Human Tradition in the Civil War and Reconstruction examines a side of this historical period rarely seen in standard texts

Grant and Lee Edward H. Bonekemper, III, 2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long

comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee s excessive casualties in Virginia the consequent drain of Confederate resources from Grant s battlefronts and Lee s refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee s own priorities constantly undermined the Confederacy s chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle The Army of Northern Virginia Philip Katcher,2004-03 To see the introduction the table of contents a generous selection of sample pages and more visit the website The Army of Northern Virginia website The Confederate Army of Northern Virginia was one of the greatest fighting formations in history a combination of an outstanding commander and an excellent fighting force This book offers an in depth study of why this formation was so successful against Northern armies which often had a greater wealth of resources and manpower and some very able leaders Almost always outnumbered Lee s forces were able to record a number of notable victories by giving free rein to subordinates and utilizing the fighting qualities of the army s units to the full Also includes color and black and white maps *Air University Library Index to Military Periodicals* ,1994 **Confederate Tide Rising** Joseph L. Harsh,1998 This analysis of the military policy and strategy adopted by Robert E Lee and Jefferson Davis in the first two years of the Civil War argues that their policies allowed the Confederacy to survive longer than it otherwise could have and were the policies best designed to win Southern independence Warriors Seven Barney Sneiderman,2006-09-25 Warriors Seven offers a fascinating collection of American commander profiles written in a lively and graphic style The unique aspect of Dr Sneiderman s approach is that each essay sketches the ironic twists of fate that befell these men at or near the peak of their careers The subjects of this study include Benedict Arnold Andrew Jackson Winfield Scott Robert E Lee George Dewey Billy Mitchell and George Patton These courageous leaders are successively featured in each of America s seven wars from 1775 to 1945 the Revolutionary War the War of 1812 the Mexican War the Civil War the Spanish American War World War I and World War II Each entry highlights or focuses upon a single battle Saratoga 1777 New Orleans 1815 Mexico City 1847 Malvern Hill 1862 Manila Bay 1898 St

Mihiel 1918 and Messina 1943 Each entry highlights the life and military career of each commander up to the moment of the featured battle with a thread of continuity coursing through each chapter For example the essay on Andrew Jackson opens with a battle fought during the Revolutionary War that Jackson witnessed as a 13 year old courier for the Continental Army Twenty seven original battlefield maps facilitate the reader s understanding of the momentous events described in these pages Warriors Seven will be welcomed by anyone who appreciates gripping narrative military history leavened with a slice of historical irony Barney Sneiderman served as a professor in the Faculty Law University of Manitoba in Winnipeg Canada from 1969 until illness prompted his retirement in 2006 He is the principal author of the acclaimed Canadian Medical Law An Introduction for Physicians Nurses and other Health Care Professionals 3rd Edition 2003 Carswell The Connecticut native and former journalist is known for his lively and user friendly writing style Warriors Seven is a reflection of his longtime interest in American and European political and military history He lives in Manitoba with his wife and children PRAISE Dr Sneiderman has written a brilliant and fascinating book that shows how genius resolve dedication opportunity and hard work create great military leaders but also how demons sometimes lurk in the hearts of famous men and dull their glory Noted historian Bevin Alexander *How America Got It Right* Bevin Alexander,2006-08 A military historian and author of *How Wars Are Won* offers an objective analysis of America s role in world affairs looking at the enduring ideals and institutions that set America apart American actions and decisions from its early days to the end of the Cold War and the policies developed in the wake of September 11 Reprint 20 000 first printing *Sun Tzu at Gettysburg* Bevin Alexander,2012-06-04 The world s most fascinating battles and how they were won or lost according to the Chinese sage Kirkus Reviews Imagine if Robert E Lee had withdrawn to higher ground at Gettysburg instead of sending Pickett uphill against the entrenched Union line Or if Napol on at Waterloo had avoided mistakes he d never made before The advice that would have changed these crucial battles was written down centuries before Christ was born but unfortunately for Lee Napol on and Hitler Sun Tzu s *The Art of War* only became widely available in the West in the mid twentieth century As Bevin Alexander shows Sun Tzu s maxims often boil down to common sense in a particularly pure and clear form When Alexander frames these modern battles against 2 400 year old precepts the degree of overlap is stunning **The Fourth Battle of Winchester** Richard M. McMurry,2002 This text using a counter factual account of the 1864 campaigns in Virginia presents a view of the American Civil War from the West moving the narrow confines of the Old Dominion to the vast Trans Appalachian region and gives the reader an understanding of how and why the war ended *Failure to Pursue* David Frey,2016-11-01 Was the Civil War preordained to last four years or were there reasons why neither side could land a knockout punch From the outset both North and South had anticipated a brief conflict but despite more than 50 bloody battles neither could force a decisive conclusion For most of the war these battles followed a pattern the victors claimed the field and the vanquished retreated to rest resupply and fight another day Some generals began to realize that pursuit to capture or destroy the retreating enemy

was needed to end the war not an easy task Taking a fresh look at the tactics that characterized many major combat actions in the war this book examines the performance of unsuccessful sometimes insubordinate commanders and credits two generals with eventually seeing the need for organized pursuit

The Dying Grass William T. Vollmann, 2016-07-26 From the National Book Award winning author of Europe Central a dazzling fictional account of the epic fighting retreat of the Nez Perce Indians In this fifth installment in his acclaimed Seven Dreams series of novels examining the collisions between Native Americans and European colonizers William T Vollmann tells the story of the epic fighting retreat of the Nez Perce Indians with flashbacks to the Civil War Defrauded and intimidated at every turn the Nez Perces finally went on the warpath in 1877 subjecting the U S Army to its greatest defeat since Little Big Horn the previous year as they fled from northeast Oregon across Montana to the Canadian border Vollmann s main character is not the legendary Chief Joseph but his pursuer General Oliver Otis Howard the brave shy tormented devoutly Christian Civil War veteran In this novel we see him as commander father son husband friend and killer Teeming with many vivid characters on both sides of the conflict and written in an original style in which the printed page works as a stage with multiple layers of foreground and background The Dying Grass is another mesmerizing achievement from one of the most ambitious writers of our time

Lost Victories The Military Genius Of Stonewall Jackson Book Review: Unveiling the Magic of Language

Lost Victories The Military Genius Of Stonewall Jackson Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lost Victories The Military Genius Of Stonewall Jackson PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lost Victories The Military Genius Of Stonewall Jackson PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lost Victories The Military Genius Of Stonewall Jackson free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Lost Victories The Military Genius Of Stonewall Jackson Books

1. Where can I buy Lost Victories The Military Genius Of Stonewall Jackson books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
