SIMON HUGHES

Lot Of Hard Yakka Triumph And Torment A County Cricketers Life

Harry C. R. Bowles

Lot Of Hard Yakka Triumph And Torment A County Cricketers Life:

A Lot of Hard Yakka Simon Hughes,2013-03-28 Between 1980 and 1993 Simon Hughes was a regular on the county circuit playing for Middlesex until 1991 before moving on to Durham at the end of his career In that time he played alongside some of the great characters in cricket Mike Brearley Mike Gatting Phil Edmonds and Ian Botham This is not an autobiography of a good county pro but a look at the ups and downs the lifestyle the practical jokes and sheer hard yakka that make such a poorly paid insecure job appeal to so many Now a respected journalist and broadcaster Simon Hughes has written a brilliant amusing and wily self deprecating book packed with hilarious and embarrassing anecdotes about some of the greatest cricketers of the last 20 years *A Lot of Hard Yakka* Simon HUGHES,1997 **University Cricket and**

Emerging Adulthood Harry C. R. Bowles,2018-04-10 This book provides a detailed ethnographic account of the lives and experiences of a group of male university based academy cricketers transitioning into and away from professional sport Set in one of the six university centres of cricket excellence established by the England and Wales Cricket Board in 2000 as a pathway into professional cricket the study examines the nature of the university cricket experience in relation to a process of occupational identity exploration and development Through a series of empirical insights the author illustrates the tension between aspiration and reality players encountered in deciding whether cricket as an occupation and future identity commitment was right for them In so doing the book reveals the questions of identity generated by players interactions with their cricketing environment relating to their lives as student cricketers and as young people *University Cricket and Emerging Adulthood* will be of interest to students and scholars across a range of disciplines including sociology psychology sport coaching sport policy and leisure studies **British Sport - a Bibliography to 2000** Richard Cox,2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Watching Cricket on the Radio* Dr. Dan Diaper,2015-10-16 A funnily serious book for intelligent cricket lovers In 27 chapters *Watching Cricket on the Radio* challenges orthodoxy and stimulates sensible thinking about the great game Satire and science and idle thoughts in intervals sparks cricket devotee Dr Dan s speculations Red or white ball why follow cricket at all Anyway what is Good Cricket Could cricket coverage be improved Why prefer radio to television commentary Current and future technologies for better or worse Heuristics galore how better to judge a match Better than a hat trick what do you call it What of cricketing chimpanzees or a cloned cricketer Join the English gentleman and X Professor of Systems Science and Engineering s enjoyment of all cricket Relive with him a hilarious commentary at Lord s and other matches he watched on the radio *Business in Britain in the Twentieth Century* Richard Coopey,Peter Lyth,2009 This collection of fresh incisive scholarship by some of the leading business historians critically examines the nature of economic recovery in Britain in recent years Covering the key issues for business history in this period the book confronts the

traditional literature on conclusions of relative decline and monocausal simplistic explanations It provides an impressive range of studies forming a platform for a new debate on the nature of British business in the 20th century Themes include productivity management research and development marketing regional clusters and networks industrial policy the use of technology and gender Sector studies include newer post war hopefuls and successes including aerospace IT retail banking overseas investment the creative industries The book demonstrates that our understanding of the historic strengths and weaknesses of business in Britain and the shifting balance between sectors of the economy has until now been poorly understood and that British business history needs a fundamental reappraisal *International Sport: A Bibliography, 1995-1999* Richard William Cox, 2004-04-22

There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new Cricket and Race Jack Williams, 2001-08 Because cricket is often regarded as a symbol of Englishness the role of race in the sport provides penetrating insights into English national identity This book provides an historical overview of the links between cricket race and culture The British National Bibliography Arthur James Wells, 1998 **Bookseller**, 1998 **Current Contents** Institute for Scientific Information (Philadelphia), 1997 **The Guardian Index**, 1997 **Cumulative Book Index**, 1998 A world list of books in the English language **The Indexer**, 1996 *Arts & Humanities Citation Index*, 1997

The Hard Yards Mike Yardy, 2016-05-14 Mike Yardy is one of only 11 English cricketers to reach the absolute pinnacle of his profession In 2010 he was a member of the team which won the T20 World Cup England's only triumph in a global tournament Having led Sussex to two titles in his first year as captain in 2009 he was an established member of England's one day side Yardy was at the top of his game but all the time he was riddled with self doubt Was he good enough Did other people believe in him How long would the good times last before his world came crashing in Without fully recognizing the symptoms Yardy had been suffering from depression since 2008 and three years later when he should have been preparing for a World Cup quarter final he admitted defeat and sought treatment for his illness The Hard Yards is a sporting autobiography with a real difference the story of a courageous sportsman who confronted his problems head on and now having retired in 2015 is helping other sportsmen learn to live with mental illness through his ambassadorial work with the mental health charity MIND *And God Created Cricket* Simon Hughes, 2009 The definitive history of English cricket told in typically irreverent fashion by the William Hill Award winning author of A Lot of Hard Yakka *Ken Eastwood* David

Jenkins, 2008

Decoding **Lot Of Hard Yakka Triumph And Torment A County Cricketers Life**: Revealing the Captivating Potential of Verbal Expression
