He Dwells Among Us William Emmanuel Abraham,2021-08-20 This book traces and clarifies steps towards the fulfillment of the promise to Abraham through the twists and turns of Israelite history to culminate in the unexpected manner of its fulfillment The manner of the fulfillment is to be understood not through prophecy but through Levitical Law which Jesus declared he had come to observe and not set aside To do otherwise would ignore that declaration and inevitably distort the nature of Jesus mission and salvific work This book accordingly provokes new questions but also leads to conformable answers Why would the magi come from Babylon to worship a Judahite baby Why was there the temptation in the wilderness Why did Jesus establish a priesthood How does Levitical law explain Jesus missing body Above all what does it really mean to say that the Son of God and Lord of life died

Diamonds in the Rough Cindy Lasiter,2009 God used the lives of His Old Testament servants to advance history toward His planned revelation of His Son our Lord and Savior Jesus Christ As He did He also provided a written record for us to study and use as warnings exhortations and boundaries for our own lives Although our circumstances have changed since ancient biblical times the people represented in them still look much the same as you and I This study provides women with a unique approach to learning and applying God s principles for daily living by examining some of the key lessons that are to be seen from the lives of many Old Testament characters As we see their attributes and flaws and study how God interacted with them we can appreciate how His own standards of holiness are never compromised although His guidance is tempered with great love and mercy Join Cindy Lasiter in this seventeen week study which can be used for personal study or dynamic group discussion You too will gain great hope and direction as you see how even God s
