*The First Hollywood Sound Shorts, 1926-1931* Edwin M. Bradley, 2009-05-11 This study of early sound shorts begins with an explanation of the development of sound motion pictures in Hollywood by such influential companies as Warner Bros and Fox with an emphasis on short subjects leading up to the first few months when all of the major studios were capable of producing them The next chapters discuss the impact on other mass entertainments the development of audible news reels and other non fiction shorts as well as the origins of animated sound subjects A comprehensive list of pre 1932 American made shorts completes the volume **Princeton Alumni Weekly** ,1937-08-20 *The Sphere* ,1920 **Catalog of**

Henry Goldschmidt,2006-09-01 In August of 1991 the Brooklyn neighborhood of Crown Heights was engulfed in violence following the deaths of Gavin Cato and Yankel Rosenbaum a West Indian boy struck by a car in the motorcade of a Hasidic spiritual leader and an orthodox Jew stabbed by a Black teenager The ensuing unrest thrust the tensions between the Lubavitch Hasidic community and their Afro Caribbean and African American neighbors into the media spotlight spurring local and national debates on diversity and multiculturalism Crown Heights became a symbol of racial and religious division Yet few have paused to examine the nature of Black Jewish difference in Crown Heights or to question the flawed assumptions about race and religion that shape the politics and perceptions of conflict in the community In *Race and Religion among the Chosen Peoples of Crown Heights* Henry Goldschmidt explores the everyday realities of difference in Crown Heights Drawing on two years of fieldwork and interviews he argues that identity formation is particularly complex in Crown Heights because the neighborhood's communities envision the conflict in remarkably diverse ways Lubavitch Hasidic Jews tend to describe it as a religious difference between Jews and Gentiles while their Afro Caribbean and African American neighbors usually define it as a racial difference between Blacks and Whites These tangled definitions are further complicated by government agencies who address the issue as a matter of culture and by the Lubavitch Hasidic belief a belief shared with a surprising number of their neighbors that they are a chosen people whose identity transcends the constraints of the social world The efforts of the Lubavitch Hasidic community to live as a divinely chosen people in a diverse Brooklyn neighborhood where collective identities are generally defined in terms of race illuminate the limits of American multiculturalism a concept that claims to celebrate diversity yet only accommodates variations of certain kinds Taking the history of conflict in Crown Heights as an invitation to reimagine our shared social world Goldschmidt interrogates the boundaries of race and religion and works to create space in American society for radical forms of cultural difference

**Keaton's Silent Shorts** Gabriella Oldham,2010-08-20 Filling a major gap in the critical canon Keaton's *Classic Shorts* *Beyond the Laughter* chronicles the rapid growth in the filmmaker's understanding of what makes both comedy and film successful Keaton developed his major themes in these nineteen silent short films shot between 1920 and 1923 creating his persona Buster with his trademark stone face These short films clearly indicate Keaton's love of the camera and his concern for composition symmetry and images that delight the eye and startle the mind Oldham reconstructs each of these rarely seen films to enable the reader to watch Keaton's performance devoting a separate chapter to each She analyzes each film's strengths weaknesses and prevalent themes and threads She also enables readers to plumb the depths of what seems to be surface comedy through philosophical biographical historical and critical commentary thus linking the shorts together into a cohesive study of Buster Keaton's growth through his three year independent venture as a filmmaker *Beyond the laughter and beyond the great stone face* Oldham presents a treasure of cinema comedy and a unique philosophy of life as captured by
