All the Women of the Bible Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the women of the Bible *Holiness* J. C. Ryle, 2001-11 This book lays out the requirements and difficulties that will come with the pursuit of holiness in our Christian lives Ryle starts out with the way to achieve holiness and the difficulties that arise with pursuing a holy life and then going throughout the Bible giving true examples of the cost of holiness and the rewards it brings as the Bible promises us To often we sing and pray for such a life without being willing to undergo the necessary life changes and adjustments to get there This book lays out what we can expect in such a journey and what God will ask of each of us to get us to the point He wants us to be **Sodomy** Michael Carden, 2004 Study of the reception of Genesis 19 with Judges 19 21 in both Christian and Jewish traditions from antiquity to the Reformation period

Let Her Speak for Herself Marion Ann Taylor, Heather E. Weir, 2006 The women of Genesis Eve Sarah Hagar Rebekah Leah and Rachel intrigued and informed the lives of nineteenth century women These women read the biblical stories for themselves and looked for ways to expand reinforce or challenge the traditional understanding of women's lives They communicated their readings of Genesis using diverse genres ranging from poetry to commentary **Sermon Outlines on Women of the Bible** Charles R. Wood, Expository outlines that can lead to sermons or lessons filled with a deeper understanding of the truth of God's Word **Renewing Your Christian Self; Wisdom from Women in the Old and New Testaments** Cheryl Dickow, 2007-05 This revised edition of an award winning Bible study now includes the engaging look at 15 women of the Old and New Testaments and an expanded section on the Holy Spirit The popular format includes a prayer at the end of each chapter relevant Scripture verses and weekly activities that ensure more personal revelations for the reader Christian *Tehiyyat Ha-Metim* Harry Sysling, 1996 The study deals with all those passages in the Palestinian Targums the Aramaic translations of the Pentateuch that refer to the Resurrection of the Dead Of central interest in it is the question to what extent the targumic traditions on a future resurrection of the body or on the fate of the soul after death agree with or differ from corresponding traditions in rabbinic sources With a few exceptions the relation between targumic traditions and rabbinic sources has been neglected in targumic studies of the last decades This may have been caused by the questionable assumptions that a the Aramaic of the Palestinian Targums represents the spoken Aramaic of Palestine in the New Testament period b the Palestinian Targums contain an important number of early pre Christian traditions and c the

Palestinian Targums are popular in origin being written in the vernacular in contrast with the scholastic authoritative expositions in the learned rabbinic sources Harry Sysling first offers a survey of these and other important issues in targumic research of the past and of recent opinions on character origin and interrelationship of the Palestinian Targums In the following chapters the author makes a careful analysis of those passages in the Palestinian Targums that directly by the use of specific terminology or indirectly by the use of metaphors refer to the resurrection of the body and to the fate of the body and or soul after death BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Reasoner ,1849 Out of the Shadows Kate Bruce, Liz Shercliff,2024-05-30 The story of the Bible us most often told as the story of men from patriarchs to prophets kings disciples and apostles But women are there sometimes in the background sometimes striding powerfully onto the stage Their stories are frequently moving prophetic and often good news Sometimes they experience appalling violence and abuse which needs to be named In some examples their behaviour is less than appealing and power is misused which needs acknowledgement and exploration In this volume Bruce and Shercliff continue to explore the stories of the women of the bible offering exegesis and comment enabling preachers and readers with a more general interest to encounter and appreciate more of the female characters in scripture Again they seek to inspire imaginative approaches in preachers combining commentary and homiletic textbook *The Kingdom Witness* Lee,1980
