Beyond Expectations Sydney Collier, Heather Wallace, 2024-08-15 A memoir that captures a young athlete s battle with a devastating diagnosis and the courage and perseverance that has propelled her to the top of a Paralympic sport For seven years Sydney Collier enjoyed the life of a happy active child with caring supportive parents and siblings She ran through sprinklers and played with neighborhood friends And she fell in love with four legged animals especially horses Her mother encouraged her to ride and Sydney was good at it finding herself at home in the saddle Then a routine eye exam changed everything Sydney had the incredibly rare Wyburn Mason Syndrome a congenital birth defect that causes arteriovenous malformations where the veins and arteries in the brain don t separate as they should through capillaries The resulting clumps of veins and arteries have increased blood flow and a high risk of aneurysm and they tend to affect the brain eye and facial structures Fewer than 100 cases of Wyburn Mason Syndrome have been reported according to the National Institute of Health and its rarity means treatment remains controversial and prognosis uncertain Most diagnoses in infants have been confirmed by pathologists after death Wyburn Mason began to take an immediate toll on Sydney s body first with its effect on her vision and soon severe physical debilitation and excruciating migraines Over the next eight years as she and her family tried treatment after treatment seeking some sort of hope the only place where Sydney could escape the almost constant pain for just a little while was on the back of a horse During a risky brain surgery in 2009 Sydney suffered a devastating and massive stroke which inflicted a new level of disability putting her in a wheelchair Determined to ride horses again Sydney entered a rehabilitation center and refused to give up on her goal of one day riding at the high performance level for the United States A year later on a trip with her mother to the World Equestrian Games in Kentucky Sydney had a chance to watch the sport of Para Dressage and that moment helped finally turn what seemed an overwhelming tide of loss and suffering A new goal was born to become a competitor in the Paralympics and to do it in partnership with the only thing that brought her peace and happiness horses This is the story of a brave young woman s journey from the doctors offices to medal

podiums in her words Anyone looking for a reason to believe that dreams can be realized regardless of the odds will find motivation in these pages **Children's Books in Print** ,1987 *Burning Bears Fall from the Sky* Peter

Edridge,2010-01-22 This is a fish out water story that starts with the unexpected end to a career during a downturn in the economy Without an income the urbanite couple abandons their former life and finds the only property they could afford in a remote mountainous area of Northern California outside the remnants of a tiny Gold Rush town It s an area populated by rugged people With only an abandoned shack for shelter the couple find themselves struggling to survive theirs trials played out in the middle of a community they couldn t have imagined Initially overwhelmed they learn how to build a house repair old cars drill for water fix water pumps clear land bulldozers burn piles horses scary steep driveways chainsaws rattlesnakes vermin gun toting neighbors baby deer good folks and bad folks bears and lions wilderness fires wildfires mountain life summer heat and winter freezes and finally find redemption Not just with themselves but also the rural community of Igo its surprising assortment of people and its very different culture This is an adventure story set later in life but most of all it s a celebration of life s surprises **Stevens' Handbook of Experimental Psychology and Cognitive Neuroscience,**
