United States Executive Poster Size Map National Geographic Maps, National Geographic Maps - Reference, 2018-02-22 National Geographic's Executive reference map of the United States features all 50 States with insets for Alaska and Hawaii in antique executive cartographic style. Each state is colored to clearly define borders and shaded relief accentuates geographical features. All major cities, transportation routes, state boundaries, National Parks, lakes, and rivers and mountain ranges are clearly displayed and labeled. Poster sized maps make a perfect addition to any sized space. They are specially designed to maximize content in a smaller footprint than standard wall maps and fit precisely into pre-cut poster sized frames which makes finishing and hanging them a breeze. The map is encapsulated in heavy duty 1.6 mil laminate which makes the paper much more durable and resistant to the swelling and shrinking caused by changes in humidity. Laminated maps can be framed without the need for glass so the frames can be much lighter and less expensive. Map Scale 1:541,000 Sheet Size 36 x 24
