Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes

Tak-Wing Ngo, Yongping Wu

Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes:

The Politics of Corruption in Contemporary China Ting Gong, 1994-02-28 This is the first original book length study of corruption in the People's Republic of China. The work relates the corruption issue to ongoing political processes and policies of the Chinese Communist Party by examining the broader context of social transformation, consolidation and modernization in post 1949 China. The study has a twofold goal: 1 to present fresh source material on corruption in China, much of it previously unavailable in the West; and 2 to provide an analysis of China's corruption using a novel approach: the policy outcomes perspective. More specifically, it examines three levels of policies adopted by the Chinese Communist Party: general policies, organizational policies, and anti corruption policies, to see how certain policy patterns have affected the identification of corruption, corruption forms, and anti corruption measures.

Corruption and Market in Contemporary China Yan Sun, 2018-08-06 Is corruption an inevitable part of the transition to a free market economy? Yan Sun here examines the ways in which market reforms in the People's Republic of China have shaped corruption since 1978 and how corruption has in turn shaped those reforms. She suggests that recent corruption is largely a byproduct of post Mao reforms spurred by the economic incentives and structural opportunities in the emerging marketplace. Sun finds that the steady retreat of the state has both increased mechanisms for cadre misconduct and reduced disincentives against it. Chinese disciplinary offices, law enforcement agencies, and legal professionals compile and publish annual casebooks of economic crimes. The cases processed in the Chinese penal system represent offenders from party, state agencies at central and local levels, as well as state firms of varying sizes and types of ownership. Sun uses these casebooks to illuminate the extent and forms of corruption in the People's Republic of China. Unintended and informal mechanisms arising from corruption may, she finds, take on a life of their own and undermine the central state's ability to implement its developmental policies, discipline its staff, enforce its regulatory infrastructure, and fundamentally transform the economy.

The SAGE Handbook of Contemporary China Weiping Wu, Mark Frazier, 2018-07-09 The study of contemporary China constitutes a fascinating yet challenging area of scholarly inquiry. Recent decades have brought dramatic changes to China's economy, society, and governance. Analyzing such changes in the context of multiple disciplinary perspectives offers opportunities as well as challenges for scholars in the field, known as contemporary China studies. The *SAGE Handbook of Contemporary China* is a two-volume exploration of the transformations of contemporary China, firmly grounded in the both disciplinary and China-specific contexts. Drawing on a range of scholarly approaches found in the social sciences and history, an international team of contributors engage with the question of what a rapidly changing China means for the broader field of contemporary China studies and identify areas of promising future research.

Part 1 Context: History, Economy, and the Environment
Part 2 Economic Transformations
Part 3 Politics and Government
Part 4 China on the Global Stage
Part 5 China's Foreign Policy
Part 6 National and Nested Identities
Part 7 Urbanization and Spatial Development
Part 8 Poverty and Inequality
Part 9 Social Change
Part 10 Future Directions for

Contemporary China Studies *Handbook of China's Governance and Domestic Politics* Chris Ogden, 2013-01-03 This Handbook provides an in depth overview of how China is governed how its domestic political system functions and the critical issues that it currently faces Governed by the world's largest political party in the world's longest ruling Communist regime China is undergoing a transitional period of rapid economic and social development How this period is managed will have significant implications for the Chinese state and its population concerning China's governance structures and economy as well as the country's justice public health education and internal external security concerns This transition to a modern state is not without its challenges particularly in terms of how the Chinese state deals with diverse issues such as social inequality corruption separatism increasing individualism and political reform China's governance and domestic politics also have possible major global consequences especially in the context of China's continued rise within the international system This Handbook will improve understandings of the core national dynamics of this rise and as levels of international interdependence with China increase can offer vital insights concerning China's domestic attributes Gaining a better knowledge of China's internal workings can also help better appreciate the multiple and varied problems that China's leaders will face in the coming decades Critically many of the core internal issues facing China also have potential external repercussions principally in terms of rising social unrest nationalism environmental degradation resource shortages and attitudes towards globalization This book aims to cover these issues and will help readers to fully comprehend China's ongoing contemporary global significance The Political Economy of Corruption in China Julia Kwong, 2015-04-08 This text examines all facets of corruption meaning incidence monetary value the kinds of goods exchanged the perpetrators and their strategies in China since 1949 It explores the irony of how ideology and organizational structures under socialism can both restrain and encourage corruption **Corruption and Anticorruption in Modern China** Qiang Fang, Xiaobing Li, 2018-12-20 Corruption and Anti Corruption in Modern China collects essays from the scholars in their fields and examines the ongoing corruption in China by addressing this important topic from a historical perspective through a cooperative interdisciplinary research effort among Chinese American scholars interested in the subject Their scholarship makes a significant contribution through multi faceted components from different fields such as history economics political science criminal justice and popular culture The authors introduce and explore the theory and practice of policy patterns political systems and social institutions by identifying key issues in Chinese government and society contained within the larger framework of the international sphere This book describes a historical transition when the Chinese Communist Party CCP maintained its forceful control of cities while the middle class reluctantly sacrificed its rights in exchange for retaining their economic benefits To survive market economy the party leadership became more flexible and was able to adapt to economic and social change The CCP governments in our research responded to the rising demands and expectations of the society They were willing and able to cope with the middle class by making a few compromises and following certain legal

procedures in exchange for continuing political support These practical compromises characterized a new political culture in PRC history since 1949 The book voices the complaints and resentments in the cities and interprets government policies and legal practices It emphasizes the consequence for governance human rights and commercial rule of law all of which threatens the legitimacy of the CCP It also suggests an important evolution of the CCP The reform movement since the 1980s has not yet contributed significantly to the country's democratic transformation or to its social stability The leaders in the 1990s focused on liberal economic reform while discouraging and even stifling political reform As a result economic interest groups successfully established an alliance with CCP officials to control economic policy making and to share political governance In the 2010s Chinese leaders have paid special attention to political scandals corruption and mismanagement in the government and in the Party

Handbook of the Politics of China David S.G. Goodman, 2015-11-27 The Handbook of the Politics of China is a comprehensive resource introducing readers to the very latest in research on Chinese politics David Goodman provides an introduction to the key structures and issues providing the foundations on which later learning can be built Including a comprehensive bibliography it is an ideal reference work for undergraduate and postgraduate students and academics The Handbook contains four sections of new and original research dealing with leadership and institutions public policy political economy and social change and international relations Each of the 26 chapters has been written by a leading internationally established authority in the field and each reviews the literature on the topic and presents the latest findings of research Presenting the state of the art of the field this reader oriented Handbook is an essential primer for the study of China's politics

Routledge Handbook of Corruption in Asia Ting Gong, Ian Scott, 2016-11-25 Corruption in Asia ranges from the venal rent seeking of local officials to the million dollar bribes received by corrupt politicians from excessive position related consumption to future job offers in the private sector for compliant public servants from money laundering to white elephant projects that do little more than line the pockets of developers and their political partners The Routledge Handbook of Corruption in Asia addresses the theories issues and trends in corruption and anticorruption reform that have emerged from this diverse experience The book is divided into four major parts corruption and the state corruption and economic development corruption and society and controlling corruption strategies successes and failures Chapters compare and contrast corruption in different social and institutional contexts examine both successful and unsuccessful attempts to control it and consider what lessons can be drawn from these Asian experiences This academically rigorous and insightful book will be of interest to a wide range of students and scholars particularly those of Asian studies politics and sociology

Corruption and Realism in Late Socialist China Jeffrey Kinkley, 2006-10-26 As China's centrally planned economy and welfare state have given way to a more loosely controlled version of late socialism public concern about economic reform's downside has found expression in epic novels about official corruption and its effects While the media shied away from dealing with these issues novelists stepped in to fill the void Anti corruption fiction exploded onto the marketplace and into

public consciousness spawning popular films and television series until a clampdown after 2002 that ended China's first substantial realist fiction since the 1989 Beijing massacre. With frankness and imagination seldom allowed, journalists, novelists have depicted the death of China's rust belt industries, the gap between rich and poor, social unrest, i.e. riots, and the questionable new practices of entrenched communist party rulers. *Corruption and Realism* examines this rebirth of the Chinese political novel and its media adaptations, explaining how the works reflect contemporary Chinese life and how they embody Chinese traditions of social criticism, literary realism, and contemplation of taboo subjects. This is the first book to investigate such novels and includes excerpts from personal interviews with China's three most famous anticorruption novelists.

The War on Corruption in China Sunny L. Yang, 2022-12-30 Having engaged in an intensified war against corruption for more than four decades since the period of reform and opening up, China is now at a turning point in its anti-corruption agenda. Many believe that building government integrity has been a top-down process in China, and the anti-corruption strategies taken by the current administration seem to have confirmed it. This book challenges the view by analyzing local anti-corruption innovations in recent years and argues for the importance of bottom-up efforts in controlling corruption. The book attempts to answer the question of whether the rise of local anti-corruption innovations has helped China to pursue anti-corruption reform more effectively, and if so, why. It proceeds to analyze the major patterns of local anti-corruption innovations, the ways in which they have been initiated and implemented, and the factors influencing their success or failure. The book includes more than 400 cases of local innovative anti-corruption reforms in China in recent years. This book will be a useful reference for those interested in learning more about anti-corruption studies and also contributes to the study of corruption and anti-corruption reform in China by providing solid and fresh evidence of anti-corruption innovation by local governments.

Political Corruption Robert Harris, 2003-12-16 This book, combining scholarship with readability, shows that political corruption must itself be analysed politically. Spectacularly corrupt politicians, the exception rather than the rule, are usually symptoms, not causes, and much political corruption is simply normal politics taken to excess. But in a world in which anti-corruption strategies themselves are often thinly disguised examples of political corruption, the ways in which political systems address their own corruption are as varied and fascinating in character as crucial to comprehend. A valuable read for anyone studying social science disciplines such as politics, international relations, sociology, anthropology, criminology, and public policy. As well as the global community of anti-corruption activists, professional politicians, police, business people, and lawyers.

Political Science and Chinese Political Studies Sujian Guo, 2012-07-25 We have witnessed the substantial transformation of China studies, particularly Chinese political studies, in the past 30 years due to changes in China and its rising status in the world, as well as changes in our ways of conducting research. As area studies specialists, we are no longer isolated from the larger disciplines of Political Science and International Relations (IR), but an integral part of them. This book contains theoretically innovative contributions by distinguished political scientists from inside and outside

China who together offer up to date overviews of the state of the field of Chinese political studies combines empirical and normative researches as well as theoretical exploration and case studies explore the relationship between Western political science scholarship and contemporary Chinese political studies examine the logic and methods of political science and their scholarly application and most recent developments in the study of Chinese politics and discuss the hotly contested and debated issues in Chinese political studies such as universality and particularity regularity and diversity scientification and indigenization main problems challenges opportunities and directions for the disciplinary and intellectual development of Chinese political studies in the context of rising China

China's Civil Service Reform Wang Xiaoqi, 2012-05-04 A market economy and a more liberal society have brought great challenges to China's outdated governance structure and personnel management To improve decision making in government and reshape the management system in face of a more complex economy post Mao authorities have implemented a number of administrative reforms including civil service reform which emphasized on selecting and promoting public officials based on their capability and work performance Thousands of positions have been filled since the civil service system was implemented nationwide in 1993 The Chinese civil service reform is of far reaching significance because it had the potential to be a departure from the established structure of cadre personnel management system developed in the 1950s However after several years of policy development scholars observe that the new reforms have done little to undermine the old cadre system Is this true Or does this conclusion over simplify the complicated implementation of the reforms This book examines the implementation and performance of the on going civil service reforms in China Using the principal agent framework the author draw upon key case studies showing how the reforms affect civil servants incentives and behavior in the local context and the Chinese leadership's control over the bureaucracy China's reform experience speaks directly to many Asian countries facing urgent need to improve state capacity as the global financial crisis unfolds

The Judicial System and Reform in Post-Mao China Yuwen Li, 2016-03-03 This comprehensive study examines the development and changing characteristics of the judicial system and reform process over the past three decades in China As the role of courts in society has increased so too has the amount of public complaints about the judiciary At the same time political control over the judiciary has retained its tight grip The shortcomings of the contemporary system such as institutional deficiencies shocking cases of injustice and cases of serious judicial corruption are deemed quite appalling by an international audience Using a combination of traditional modes of legal analysis case studies and empirical research this study reflects upon the complex progress that China has made and continues to make towards the modernisation of its judicial system Li offers a better understanding on how the judicial system has transformed and what challenges lay ahead for further enhancement This book is unique in providing both the breadth of coverage and yet the substantive details of the most fundamental as well as controversial subjects concerning the operation of the courts in China

Routledge Handbook of the Chinese Economy Gregory C. Chow, Dwight H. Perkins, 2014-08-13 China's rapid rise to

become the world's second largest economy has resulted in an unprecedented impact on the global system and an urgent need to understand the more about the newest economic superpower The Routledge Handbook of the Chinese Economy is an advanced level reference guide which surveys the current economic situation in China and its integration into the global economy An internationally renowned line up of scholars contribute chapters on the key components of the contemporary economy and their historical foundations Topics covered include the history of the Chinese economy from ancient times onwards economic growth and development population the labor market income distribution and poverty legal political and financial institutions and foreign trade and investments Offering a cutting edge overview of the Chinese economy the Handbook is an invaluable resource for academics researchers economists graduate and undergraduate students studying this ever evolving field

Rent Seeking in China Tak-Wing Ngo, Yongping Wu, 2008-12-04 This is the first book which undertakes a systematic analysis of rent seeking activities in China Using case studies from across economics sectors the contributors discuss the occurrence of the phenomenon what range of activities are related to rent seeking practices and more importantly how rent seeking shapes political and economic development

China's Legal Reform Keyuan Zou, 2006 China's entry into the World Trade Organization WTO has had a tremendous impact on the development and reform of China's legal system This book focuses on the developments of China's legal system as well as its reform in the context of globalization It covers various topics including constitutional changes law based administration and more

Why Is The China Model Losing Its Power? - Challenges And Opportunities Of The Second Global Competition Jinghao Zhou, 2020-07-23

History has proved that communism failed at many levels during the first global competition between the capitalist and socialist camps during the Cold War As a result the socialist camp was dissolved China is one of the few communist countries to survive in the twenty first century The Chinese economy was on the verge of collapse in the 1970s but began to take off in the early 1980s guided by the China model China became the world's second largest economy in 2010 and has quickly expanded its enormous global market and political influence The second global competition between the capitalist countries and China has started The second global competition is in fact between the China model and the Washington Consensus Will Western hegemonies end as the result of the second global competition Will China be able to rewrite the international rules Will the Chinese communist political system collapse during the competition What should the West do to the China model This book will explore the implications of the China model in the context of the second global competition and argues that the downturn of the China model and China's global expansion are the two sides of the same coin The China model is losing its power but not broken China would be able to become even stronger if it could reshape the philosophical foundation of the China model The future of Western hegemony will depend on how the West understands the China model and deals with it This book addresses these aspects and more

China's Deep Reform Lowell Dittmer, Guoli Liu, 2006-04-07 China's rapid and complex political and socioeconomic changes provide fertile ground for pioneering analysis but they also present daunting

theoretical and practical challenges This reader takes up the challenge offering the most comprehensive assessment of Chinese domestic politics available by bringing together the best recent scholarship in the field The anthology focuses on the origin content and significance of the post 1989 phase of China s reform and opening to the world commonly known in the PRC as deep reform This period has been unfolding in interaction with globalization marketization privatization political institutionalization as well as with financial and legal changes Deep reform includes new policy initiatives that have penetrated political legal economic and social sectors untouched by previous initiatives as reformers have been forced to deal with the consequences intended and unintended of earlier reforms These carefully selected essays by leading scholars have been revised and updated for this text In addition a substantive introduction and conclusion place the articles in their broader context for readers new to the subject With the successful transition of the leadership of the party state and military since 2002 the time is ripe for a comprehensive evaluation of China s deep reform as it enters a new stage This timely reader will offer students scholars and policymakers invaluable insights into the dynamics of change in one of the world s emerging political and economic dynamos Contributions by Marc Blecher Bruce J Dickson Lowell Dittmer Joseph Fewsmith Ting Gong Baogang Guo William Hurst Cheng Li Guoli Liu Andrew J Nathan Kevin J O Brien Veronica Pearson Randall Peerenboom Yingyi Qian Tony Saich Tianjian Shi Edward S Steinfeld Shaoguang Wang Lynn White Yu Shan Wu and Guobin Yang

Nigerian Politics and Corruption Kyrian Chukwuemeka Echekwu, 2017-06-02 Corruption is alive and well in Nigeria and it must be eliminated Moreover the Nigerian church can no longer watch it go unchecked Though conscious of his limitations as a priest and theologian the author takes an in depth look at how corruption has taken hold of Nigeria and its people in this scholarly work He challenges the church as a socio moral actor and the civil authorities that govern Nigeria arguing that the nation will collapse if corruption continues He notes that even though the Nigerian people have lashed out against corruption it has only gotten worse either because morality has been relegated to the background or not enough has been done to inculcate morality into Nigeria s politics The author employs a holistic approach in examining issues such as bishops and their vision of Nigeria vis vis Nigerian politics democracy and the power equation among the various arms of government principal biases that characterize Nigerian politics and class affiliation and its impact in Nigerian politics Find out how corruption is ruining Nigeria and discover how the church and government can work together to fix the problem in Nigerian Politics and Corruption

Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes is one of the best book in our library for free trial. We provide copy of Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes. Where to download Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes online for free? Are you looking for Politics Of Corruption In Contemporary China An Analysis Of Policy Outcomes PDF? This is definitely going to save you time and cash in something you should think about.
