Real Soulja:

Soulja's Story A. I.T.,2012-09 When a bogus drug deal lands Ronnie Parelli a k a Soulja in prison the cops breathe a sigh of relief But he is determined to take back what was rightfully his from the streets his authority and his cold hard cash After hooking up with Lou and Big Tye a pair he met in prison he works with them to begin to build their false dynasty The squad possesses the smarts and the brute force to keep everything on the up and up But when the crew hits their greatest lick the brutality of the streets shows its ugly unforgiving face With the help of both old and new crew members things run smoothly until the murder of a drug dealer leaves more than the cops investigating the crime In the midst of the kidnapping robbery and murder he is left to wonder who s loyal Soulja Stories digs deep into the life both inside prison and on the streets The gritty emotionally charged tales show a side of life that is at times tough to understand but that defines so many

Souljastory@itrilla.com Richard Warren Crosson,2012-08 The year is 2016 in the mist of the great recession hangs like an ominous storm cloud in the backdrop of this story which is told in hindsight through the blogs of a chick named Isis In her sometimes salacious narrative this iTrills com blogger has taken her readers back in time when she was a young crazy sexy cool ride or die type that shamelessly rocked a red flag She knew more computer codes than a Silicon Valley whiz kid Readers of her blog also get a peek into her sizzling hot sexual affair with a devilishly influential guerilla gansta named Soulja leader of the notorious B R M clique and founder of the even more influential iTrilla com Never mind that Isis has a man that worships her like her goddess name She s become a drifting moth attracted to the flame of Soulja ever since she and her boyfriend met him While still in the hands of the Feds Soulja evolved into an informed convict disguised as a blogger Unfortunately for the powers that be he is laced with controversial convictions that has inspired millions Soon after his release into the free world he covertly used his own social networking site to chop it up with other leaders of illicit underground street orgs With them he devises a radical blueprint to destroy every prison plantation in America hoping to create a slavery revolt just like the legend of his hero Nat Turner Of course no plan of this magnitude could ever unravel without a significant glitch

Baltimore Raw Aisha Hall,2019-07-09 Nasty and Soulja were ruthless kingpins on the streets of Baltimore Now in prison nothing has changed They are still running things from behind the penitentiary walls Even though they are still getting large amounts of money it cannot solve all of their problems Daily they deal with the reality that they left loved ones behind Nasty and his sister Von grew up parentless They were murdered early in their childhood and he had to become a brother and father to her Feeling like he had no choice Nasty left her with another hustler who was supposed to pick up where Nasty left off But Rodney with his own selfish agenda held a dangerous

secret that ruined many lives As Nasty and Soulja embark on a journey to uncover the truth there is bloodshed betrayal and mayhem These young bosses with old school principles are tested in ways that they never imagined This is the ultimate gangster s tale

Dangerous Emotions Mitch Dogg,2009-05-01 Welcome to a world of Dangerous Emotions I have been contiplating on writing a series of short stories for some time now In this first novel I present to you a series of fictional characters with real life situations and stories However some stories are completely fiction although this novel has been cleverly written to hide the identity of real people and real life situations that I ve observed throughout my childhood years on up till now an any names or similarities are a complete coincidence In this novel you ll find a world of drama murder greed deception love hate envy and revenge followed by short but sweet poems and prayers For every lost soul needs a prayer An although I said I wouldn t I m going to give you a small clue of what my novel is all about Let me introduce to you a couple of my favorite characters for starters I bring to you Tamara Monet a very dominate independent caring woman who has suffered a lot throughout her childhood who finds herself trapped in a world of lies and deceit And now it s time for her to find herself by letting go of all the negative baggage she s

carrying in which is very hard for her to do with all the added baggage that will simply break her all the way down in order for her find her mission in life Now I would like to present a very exciting character by the name of Michael Paul who s an ex convict trying to start his life over with a clean slate but is gradually pushed towards a dangerous lifestyle and a lot of people who would love to see his downfall but that s all for now you ll have to read the book to get the real juice **PRODUCT OF THE STREETS** ROMIEL ROBINSON,2025-08-29 From the drug infested murderous streets of Miami a teen before his time inherits the throne Forced to reign terror he makes his way to the top of the food chain while his enemies fall on their knees Terrell Campbell better known as Ruga Rell is caught between finishing his last year of high school and running a successful drug enterprise He is faced with countless difficulties the war with ZMF people trying to control him attempts made on his life MDPD on his trail incarceration and fatal losses Yet he manages to graduate successfully both in school and the streets The time comes when he must choose between pursuing his dream to attend college with his childhood sweetheart or continuing to be the successful street pioneer he molded himself to be He refuses to let the game go His daddy died from the same reason when he was only eleven and he feels as if the game owes him
