Jonathan Schell

Real War The Classic Reporting On The Vietnam War:

The Real War Jonathan Schell, 2000-01-07 Jonathan Schell's extraordinary on the scene writing about Vietnam has stood the test of time in our continuing attempt to understand how and why the United States went to war and how and why it lost. In *The Village of Ben Suc* written with skill that many a veteran reporter will envy, New York Times Schell recounts how American forces destroyed a village caught up in the largest American military operation of the war; he flies into Ben Suc in the attack helicopters, follows the assault on the village and describes the fate of the villages after they have been taken to refugee camps. In *Military Half* Schell describes the destruction of two entire provinces in South Vietnam by American bombing and ground operations; he flies in the air control planes that guide the bombing and provides firsthand accounts of the runs and their results. In *Real War* Schell offers a personal look back at the war he reported decades before. *The Real War* is without equal in recreating the sights, the sounds and the feel of Vietnam. *The Real War* Jonathan Schell, 1989

Hollywood's Imperial Wars Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility, Hollywood needed a new kind of war movie. The familiar triumphal narrative was relegated to history, and with it the heroic legacy that had passed from one generation to the next for more than two hundred years. How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando José Prats explores in *Hollywood's Imperial Wars*. The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood's earlier representations of Americans at war, from the mythic heroism of a film like *Sands of Iwo Jima* to the rupture of that myth in films such as *The Deer Hunter*, *Apocalypse Now*, and *Platoon*. As early as the mid 1940s, Prats suggests, fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth, anxieties reflected in the insistent aggressive patriotism in films of the period. In this context, Prats considers the immeasurable cultural importance of John Wayne, the cinematic apotheosis of wartime valor and righteousness, whose patriotism was nonetheless deeply compromised by his not having served in World War II. Prats reveals how historical and cultural anxieties emerge in well-known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers. American war movies in Prats's analysis were forever altered by the loss in Vietnam. Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events. Tracing what Prats calls the anxiety of legacy through the films of the World War II and post-Vietnam War periods, this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts. **Supplement to Vietnam 1964-1973** Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium. It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War, although some works prior to that date are included. The bibliography is selected from the holdings on that

war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist

Supplement to Vietnam 1964-1973 ,2005 *Vietnam and America* Marvin E. Gettleman,1995 No single event since World War II has marked this country s foreign policy and national image as deeply as did the war in Vietnam Vietnam and America is a complete history of the war as documented in essays by leading experts and in original source material With generous selections from the documentary records the book dispels distortions and illuminates in depth the many facets of the war from Vietnam s history before the war to Washington s insider policy making to troop perspectives to the impact back on the home front In essays introducing each major stage of the war the editors elucidate the issues foreign policy choices and consequences of U S involvement Substantial headnotes put each document in historical perspective This comprehensive anthology is an invaluable reference for anyone who wants to understand the Vietnam War

Atrocity and American Military Justice in Southeast Asia Louise Barnett,2010-01-21 Using individual judicial proceedings held within war time Southeast Asia this book analyses how the American military legal system handled crimes against civilians and determines what these cases reveal about the way that war produces atrocity against civilians

The Vietnam War David L. Anderson,2017-03-22 The Vietnam War endured for thirty years cost billions of dollars and resulted in thousands of Vietnamese French and American deaths Massive American military intervention in Vietnam embroiled America in protests placed enormous strains on the western alliance and altered U S relations with the Soviet Union and China David L Anderson s concise overview critiques U S errors in magnifying the strategic importance of South east Asia in the Cold War and in underestimating the strength of the Vietnamese communist movement

Bombing Civilians Marilyn Blatt Young,2009 From the Publisher A groundbreaking historical analysis of indiscriminate bombing from the advent of aircraft to the present war in Iraq

Special Bibliography Series ,1957
