Real Women Have Curves 96 Edition:

Fight Like a Girl, Second Edition Megan Seely, 2019-08-06 A blueprint for the next generation of feminist activists Fight Like a Girl offers a vision of the past present and future of feminism With an eye toward what it takes to create actual change and a deep understanding of women s history and the key issues facing girls and young women today Megan Seely offers a pragmatic introduction to feminism Written in an upbeat and personal style Fight Like a Girl offers an overview of feminism including historical roots myths and meanings triumphs and shortcomings Sharing personal stories from her own experience as a young activist as a mother and as a teacher Seely offers a practical guide to getting involved taking action and waging successful events and campaigns The second edition addresses more themes and topics than before including gender and sexuality self esteem reproductive health sexual violence body image and acceptance motherhood and family and intersections of identities such as race gender class and sexualities Fight Like a Girl is an invaluable introduction to both feminism and activism defining the core tenets of feminism the key challenges both within and outside the feminist movement and the steps we can take to create a more socially just world

To Have or Have Not James Fisher, 2011-10-14 In a rapidly changing world the ways in which economic forces affect both personal and global change can be difficult to track particularly in the arts This collection of twenty new essays explores both obscure and famous plays dealing with economic issues Beginning with the Industrial Revolution the text moves from Marx s theories to Wall Street speculation nineteenth century immigration issues the excesses of the Gilded Age and the 1920s the Great Depression World War II and millennial economic challenges

Chicano-Chicana Americana Anthony Macías, 2023-02-07 Chicano Chicana Americana is a cultural history of Mexican Americans in film television and theater Through biographical sketches of performers such as Anthony Quinn Katy Jurado Robert Beltran and Lupe Ontiveros this work asserts Mexican Americans proper place in the national narratives of our collective imaginary Conveying a multicentered polycultural America this book shows us intriguing performers in bit parts who steal the scene and redefine what it means to be American Each biographical chapter analyzes an underappreciated actor revealing their artistic contributions to U S common culture Their long shot careers tell a tale of players taking action with agency and fighting for screen time and equal opportunity despite disadvantages and differential treatment in Hollywood These dynamic and complex individuals altered cinematic representations and audience expectations by surpassing stereotypes The book explores American national character by showing how ethnic Mexicans attained social and cultural status through fair open competition without a radical realignment of political or economic structures Their creative achievements demanded dignity and earned respect Anthony Mac as argues that these performances demonstrated a pop culture pluralism that subtly changed mainstream America transforming it from the mythological past of the Wild West to the speculative future of science fiction

Race in American Film Daniel Bernardi, Michael Green, 2017-07-07 This expansive three volume set investigates racial representation in film providing an authoritative cross section of the most

racially significant films actors directors and movements in American cinematic history Hollywood has always reflected current American cultural norms and ideas As such film provides a window into attitudes about race and ethnicity over the last century This comprehensive set provides information on hundreds of films chosen based on scholarly consensus of their importance regarding the subject examining aspects of race and ethnicity in American film through the historical context themes and people involved This three volume set highlights the most important films and artists of the era identifying films actors or characterizations that were considered racist were tremendously popular or hugely influential attempted to be progressive or some combination thereof Readers will not only learn basic information about each subject but also be able to contextualize it culturally historically and in terms of its reception to understand what average moviegoers thought about the subject at the time of its popularity and grasp how the subject is perceived now through the lens of history

Odisea nº 6: Revista de estudios ingleses José Ramón Ibáñez Ibáñez, 2015-11-10 *Revista de Estudios Ingleses* es un anuario dirigido y gestionado por miembros del Departamento de Filología Inglesa y Alemana de la Universidad de Almería con el propósito de ofrecer un foro de intercambio de producción científica en campos del conocimiento tan diversos como la lengua inglesa literatura en lengua inglesa didáctica del inglés traducción para fines específicos y otros igualmente vinculados a los estudios ingleses

How Documentaries Went Mainstream Nora Stone, 2023 Since the 1960s documentary films have moved closer to the mainstream thanks to the popularity of rockumentaries association with the independent film movement support from public and cable television and the rise of streaming video services Documentary films have become reliable earners at the U.S. box office and ubiquitous on streaming platforms while historically they existed on the margins of mainstream media How do we explain the growing commercialization of documentary films and the conditions that fueled their transformation The growing commercialization of documentary film has not gone unnoticed but it has not been sufficiently explained Streaming and the growing interest in reality TV are usually offered as initial explanations whenever a documentary enters the cultural conversation or breaks a box office record but neither of those causes grapple with the overlapping causal mechanisms that commercialized documentary film *How Documentaries Went Mainstream* provides a more comprehensive and meaningful periodization of the commercialization of documentary film Although the commercial ascension of documentary films might seem meteoric it is the culmination of decades long efforts that have developed and fortified the audience for documentary features Author Nora Stone refines rough explanations of these efforts through a robust synoptic history of the market for documentary films using knowledge of film economics and the norms of industry discourse to tell a richer story This periodization will allow scholars to compare the commercialization of documentary film with other genres Drawing on archival documents industry trade journals and popular press and interviews with filmmakers and film distributors Stone illuminates how documentary features have become more plentiful popular and profitable than ever before

Fatherhood in the Borderlands Domino Renee Perez, 2022-12-06 A contemplative exploration of cultural

representations of Mexican American fathers in contemporary media Latina/os and the Media Angharad N. Valdivia, 2010-02-15 The US mainstream media have a love and hate relationship with Latina/os This book brings together the scholarship of communication studies scholars working on issues of Latinidad and presents it in a coherent vibrant and accessible form to shed light on the complex relationship between Latina/os and the media My Own Directions Sheldon Epps, 2022-09-27 Life in the theatre is often a rollercoaster ride with all the excitement and occasional anguish that come with the highs and lows The author's journey in the American theatre has been amplified by his experience as a Black man who has frequently been one of the few the first or even the only His directing career has been full of rewards and opportunities as well as huge challenges and frustrations along with the anger that has come from being chased by race for so many years Much of the author's experience comes from two decades artistic director of Pasadena Playhouse one of the oldest and well known theatres in America and for a time early in his career one of the whitest This is the story of how the author came into leadership at Pasadena Playhouse after a successful career directing on Broadway in London and all over the world It relates how the theatre was radically changed and reignited by his leadership including his insistence on making diversity a priority onstage and off This is the very personal story of a person who wanted his race to be recognized but never used as a reason to be less than fully respected In many ways this memoir tells the story of what people of color in America must face repeatedly to make their lives matter **Mediating Chicana/o Culture** Scott L. Baugh, 2008-12-18 Mediating Chicana/o Culture Multicultural American Vernacular covers an unconventional array of topics from handkerchiefs votives and graffiti to food football and the Internet as well as cutting edge literature cinema photography and more In its cross disciplinary approach this collection makes an invaluable contribution to the scholarship on Chicana and Chicano culture and provides engaging readings for courses in race ethnic studies media studies and American studies Collected chapters critically interrogate the underlying tensions between personal expressions and public demonstrations in their ongoing negotiation of Chicana and Chicano identity Drawing on the revolutionary work of Gloria Anzaldúa Tamas Ybarra Frausto Emma Pérez Alfred Arteaga Chela Sandoval Julia Watson and Sidonie Smith the Latina Feminist Group among others chapters in this collection closely read the processes that seem built into the actions and behaviors the products the art the literature and the discourse surrounding the search for identity in the rush of our diverse 21st century existence Mediating Chicana/o Culture lays bare the methods by which we define ourselves as individuals and as members of communities examining not only the message but also the medium and the methods of mediating identity and culture
