Reality Faith The Theological Legacy Of Dietrich Bonhoeffer:

Reality and Faith Heinrich Ott,1971-01 *Reality and faith* Heinrich Ott,1972 *Reality and Faith* John D. Godsey,

Fresh Insights Through Dialogue David Ray Bourquin, **Act and Being** Dietrich Bonhoeffer,2009-01-07 The fresh critical translation of the volume is now available in paper Act and Being written in 1929 1930 as Bonhoeffer s second dissertation deals with the questions of consciousness and conscience in theology from the perspective of the Reformation insight about the origin of human sinfulness in the heart turned in upon itself and thus open neither to the revelation of God nor to the encounter with the neighbor **Dietrich Bonhoeffer and a Theology of the Exception** Kevin

O'Farrell,2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer s late resistance theology and action particularly as it relates to his participation in the attempted coup d tat against Hitler this book attends to Bonhoeffer s understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one s understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer s corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age **Dietrich Bonhoeffer's Ethics of Formation** Ryan Huber,2020-05-19

Dietrich Bonhoeffer is many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer s Ethics of Formation Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer s ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth Faith Facing Reality John W. de Gruchy,2022-10-21 The COVID 19 pandemic and the war in Ukraine have starkly reminded us of the realities that threaten our future on planet Earth Christian faith is not a way of escaping these realities but of engaging them in the struggle for justice and peace motivated by love enabled by faith and sustained by hope This is based on the conviction that in Jesus Christ the reality of God has become redemptively embodied within the reality of the world Written within the context of South Africa but with global vision and in conversation with the legacy of Dietrich Bonhoeffer this book is an attempt to stir up discussion and inform action in connecting worldly and transcendent reality Inevitably this will be controversial not least because that is something that Bonhoeffer risked This is certainly true when it comes to the five realities that provide much of the book s substance the persistence of racism the will to power scientism and soulless technology the conflict in Israel Palestine and the threat of wars and pandemics Is it possible to believe in the God of Jesus

Christ in such a world If so what does that mean and how does it help us live creatively redemptively and faithfully To answer these questions the author examines the meaning of faith the human desire for transcendence and the need for conversion wisdom solidarity and responsible freedom *Dietrich Bonhoeffer's Christian Humanism* Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer's theological anthropology and establishes that Bonhoeffer's Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer's mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer's theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer's ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer's life and theology namely his dedication to the Bible as God's word is also consistent with his Christian humanism *The Virtue of Bonhoeffer's Ethics* Jennifer Moberly, 2013-06-19 Does Dietrich Bonhoeffer's Ethics have any affinities with what we have now come to call virtue ethics If so what is the relationship between those affinities and the more widely recognized influence of Karl Barth Moberly seeks to answer these questions through close analysis of the Ethics and engagement with other interpreters of Bonhoeffer while discussing the nature of virtue ethics in a Christian context The answers may be surprising but they are certainly rewarding for anyone wanting to better understand Bonhoeffer and to see how his work could be helpful for current ethical debates
