Realizable Ideals:

Realizable Ideals Theodore Roosevelt, 1911 **The Concept of Ideals in Legal Theory** Sanne Taekema, 2002-12-31
Talk about law often includes reference to ideals of justice equality or freedom But what do we refer to when we speak about ideals in the context of law This book explores the concept of ideals by combining an investigation of different theories of ideals with a discussion of the role of ideals in law A comparison of the theories of Gustav Radbruch and Philip Selznick leads up to a pragmatist theory of legal ideals which provides an interesting new position in the debate about values in law between legal positivists and natural law thinkers Attention for law's central ideals enables us to understand law's autonomous character while at the same time tracing its connection to societal values Essential reading for anyone interested in the role of values or ideals in law Teaching American Ideals Through Literature Rachel Catherine Markley, 1924 **The Role of Values in Psychology and Human Development** William M. Kurtines, Margarita Azmitia, Jacob L. Gewirtz, 1992-11-11 Focuses on the impact of values on psychology and human development as well as on science in general Explains how so called facts are shaded by the unstated values behind the interpretation of findings how values affect research questions and methods and how they frequently determine the form of theoretical models and constructs **Realizable Ideals: (The Earl Lectures)** Anonymous, 2023-07-18 This book presents a series of lectures on the concept of realizable ideals It explores the idea that certain ideals such as justice and freedom can be realized in the world through concrete actions and policies This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Literature of Business. Selected and Edited by A. G. Saunders and H. Le S. Creek** Alta Gwinn SAUNDERS (and CREEK (Herbert Le Sourd)), 1920 **The Ideals of Theodore Roosevelt** Edward Howe Cotton, 1923 *The Complete Works of Theodore Roosevelt. Illustrated* Theodore Roosevelt, 2021-11-09 Theodore Roosevelt Jr was an American politician statesman conservationist naturalist historian and writer who served as the 26th president of the United States from 1901 to 1909 Roosevelt was a prolific author writing with passion on subjects ranging from foreign policy to the importance of the national park system Roosevelt was also an avid reader of poetry In all Roosevelt wrote about 18 books each in several editions including his autobiography *The Rough Riders* *History of the Naval War of 1812* and others on subjects such as ranching explorations and wildlife His most ambitious book was the four volume narrative *The Winning of the West* focused on the American frontier in the 18th and early 19th centuries Roosevelt said that the American character indeed a new American
