The realm of the sacred Sitākānta Mahāpātra,1992 The Routledge Handbook of the State in Premodern India Hermann Kulke,Bhairabi Prasad Sahu,2022-01-13 This handbook presents a multilayered and multidimensional history of state formation in premodern India It explores dense and rich local and subregional historiography from the mid first millennium BC to the eighteenth century in South Asia Shifting the focus away from economic and political factors this handbook revises the conventional understanding of states and empires and locates them in their quotidian conduct and activity on socio cultural and concomitant factors Comprehensive in scope this handbook addresses a range of themes connected with the idea of state formation in the subcontinent It includes discussions and debates on ritual practices and the Brahmanical order in early India the Delhi Sultanate and role of Sultans among the Hindu kings the cosmopolitan Islamicate cultural influences on Puranic Hinduism cultural background of the Mughal state The handbook examines new questions and ideologies of state formation such as facets of violence and resistance the significance of the autonomous spaces and forests regional elites including Little kings tribal background of some famous cults trade and maritime commerce royal patronage courtly manners lineage formation imperial architecture monuments and temple among others Featuring case studies from different part of the India subcontinent and with contributions by renowned historians this authoritative handbook will be an indispensable reading for teachers scholars and students of early India medieval India premodern India South Asian history Asian history historiography economic history historical sociology and South Asia studies Women as Sacred Custodians of the Earth? Alaine Low,Soraya Tremayne,2001-12-01 Literature on women development and environment is abundant The relationship between women and ecology has been analyzed by various disciplines by specialists from the North as well as the South This book offers a new perspective specifically to challenge the assumption that women have a special affinity with the Earth and therefore a historic mission for the care of the environment The book explores spiritual religious and philosophical beliefs concerning women and ecology and whether women are truly sacred custodians of the Earth This concept has evolved from ideas developed by eco feminists Whether and how different belief systems can be put to use to create an awareness to protect preserve and improve ecological conditions is discussed The collection of papers demonstrates the complexity of the issues and the variations and vulnerability of the assumed relationship between women and the environment in different cultural and political contexts The book challenges policy solutions which are devised to be on a global scale and to create unrealistic global aspirations and the value of targeting women in a particular attempt to achieve environmentally sustainable development **Sacred Custodians of the Earth?** Alaine M. Low,Soraya Tremayne,2001 These 13 workshop based papers critique ecofeminist assumptions about traditional societies viewing women as closer to nature and more spiritual than men Following an overview by Low history Open U and Tremayne social and cultural anthropology U of Oxford the first contribution frames the debate over gender politics and environmentalism Next

case studies illustrate sacred landscape not intrinsically ecologically oriented in such societies past and present Part III treats nature and gender in several major world religions The final paper discusses contemporary paganism's quest for wholeness The cover title reads Women as sacred custodians of the earth Annotation copyrighted by Book News Inc Portland OR

Voices from the Periphery Marine Carrin, Lidia Guzy, 2020-11-29 In India as elsewhere peripheries have frequently been viewed through the eyes of the centre This book aims at reversing the gaze presenting the perspectives of low castes tribes or other subalterns in a way that amplifies their ability to voice their own concerns This volume takes a multidimensional perspective citing political economic and cultural factors as expressions of the autonomous assertions of these groups Questioning the exclusive definitions of the Brahmanical folk and tribal elements the articles bring together the empowering possibilities enabled by three recent theoretical developments of anthropologies questioning the fringes of mainstream society in India critically engaged histories from below which problematize subaltern identities and a conceptual emphasis on everyday ethnography as an arena for negotiations and transactions which contest wider networks of power and hegemony This book will be useful to those in sociology anthropology politics history study of religions minority studies cultural studies and those interested in social development and issues of marginality tribes and subaltern identity

Beyond the Word Sitakant Mahapatra, 1993 The essays in this anthology seek to look at the multiple gestures of tradition in relation to our own times and in so doing they have a relevance for the continuing debate on modern and post modern era

Becoming the People of God Paul H. De Neui, 2015-06-01 How do Christ followers celebrate unity in the midst of diversity How do we become the people of God in more than name only A unifying Christ centeredness demands living out kingdom values and bearing witness to transformation in and through a multitude of cultural manifestations We struggle to serve worship and witness in the midst of this age old challenge This collection of perspectives comes from settings where the good news of Jesus has not been the dominant historical norm All contributors in this volume are practitioners They have a deep appreciation for the cultural heritage and important moral values found in Buddhist contexts We believe these chapters hold valuable lessons that speak to all of the family of faith Here you will find a wide range of topics and approaches that address what it means to become the global body of believers These can speak to you wherever you are called to participate with God's work in the world Christ followers are in the process of becoming what will one day culminate in a huge and startling celebration of people from all of God's beloved creation If you are interested in hearing from those discovering what that might look like outside traditional packaging this book is for you

Between the Sea and the Sky P. T. Mathew SJ, 2020-05-05 Between the Sea and the Sky is an inquiry into the religious world of a traditional fishing community on the Southwest coast of India It explores the vital

role religious and spiritual beliefs play in sustaining people in such a precarious even deadly occupation Despite periodic natural calamities and the extreme challenges that accompany their everyday lives a remarkable spirit of resilience is evident in this coastal community Using the concept of lived religion Mathew explores the theological religious and spiritual contours of this remarkable community and draws from them broader insights into the nature of belief
