United States. Congress

Reasonable Doubt The Case For The Udr Four:

Reasonable Doubt Ian Paisley (Jr.),1990 *Testimony to Courage* John Potter,2008-07-15 The story of the British regiment created in Northern Ireland after the Troubles erupted in 1968 and the members who were killed amid the violence The outbreak of The Troubles in Northern Ireland in 1968 found many of the local police and army auxiliary units outmoded or discredited A new and unique force of part time soldiers was created The Ulster Defence Regiment Drawing on roughly 125 interviews A *Testimony to Courage* vividly describes the threat under which not just the soldiers but their families had to live and records the murders of some of the 197 members killed as a result of terrorist attack It addresses how the Regiment became mainly Protestant as a result of the loss of Nationalist support and recruits and the constant criticism of the Irish government and Nationalist politicians A final chapter records objectively the lessons to be learned from this unique experience This book is not an official history but a thorough record of the UDR s dramatic twenty three year existence and the experiences of its brave members **A Treatise on Northern Ireland** Brendan O'Leary,2019 The third volume of the definitive political history of Northern Ireland *A Treatise on Northern Ireland, Volume III* Brendan O'Leary,2019-04-17 The Good Friday Agreement deserved the attention the world gave it even if it was not always accurately understood After its ratification in two referendums for the first time in history political institutions throughout the island of Ireland rested upon the freely given assent of majorities of all the peoples on the island It marked it was hoped the full political decolonization of Ireland Whether Ireland would reunify or whether Northern Ireland remain in union with Great Britain now rested on the will of the people of Ireland North and South respectively a complex mode of power sharing addressed the self determination dispute The concluding volume of Brendan O Leary s *A Treatise on Northern Ireland* explains the making of this settlement and the many failed initiatives that preceded it under British direct rule Long term structural and institutional changes and short term political maneuvers are given their due in this lively but comprehensive assessment The Anglo Irish Agreement is identified as the political tipping point itself partially the outcome of the hunger strikes of 1980 81 that had prevented the criminalization of republicanism Until 2016 the prudent judgment seemed to be that the Good Friday Agreement had broadly worked eventually enabling Sinn F in and the DUP to share power with intermittent attention from the sovereign governments Cultural Catholics appeared content if not in love with the Union with Great Britain But the decision to hold a referendum on the UK s membership of the European Union has collaterally damaged and destabilized the Good Friday Agreement That in turn has shaped the UK s tortured exit negotiations with the European Union In appraising these recent events and assessing possible futures readers will find O Leary s distinctive angle of vision clear sharp unsentimental and unsparing of reputations in keeping with the mastery of the historical panoramas displayed throughout this treatise **The Psychology of Interrogations and Confessions** Gisli H. Gudjonsson,2003-05-27 This volume a sequel to *The Psychology of Interrogations Confessions and Testimony* which is widely acclaimed by both scientists and practitioners brings the field

completely up to date and focuses in particular on aspects of vulnerability confabulation and false confessions The is an unrivalled integration of scientific knowledge of the psychological processes and research relating to interrogation with the practical investigative and legal issues that bear upon obtaining and using in court evidence from interrogations of suspects Accessible style which will appeal to academics students and practitioners Authoritative integration of theory research practical implications and vivid case illustration Coverage of topical issues like confabulation false memory and false confessions Part of the Wiley Series in The Psychology of Crime Policing and Law *Truth, Denial and Transition* Cheryl Lawther, 2018-10-08 Truth Denial and Transition Northern Ireland and the Contested Past makes a unique and timely contribution to the transitional justice field In contrast to the focus on truth and those societies where truth recovery has been central to dealing with the aftermath of human rights violations comparatively little scholarly attention has been paid to those jurisdictions whose transition from violent conflict has been marked by the absence or rejection of a formal truth process This book draws upon the case study of Northern Ireland where despite a lengthy debate the question of establishing a formal truth recovery process remains hotly contested The strongest and most vocal opposition has been from unionist political elites loyalist ex combatants and members of the security forces Based on empirical research their opposition is unpicked and interrogated at length throughout this book Critically exploring notions of national imagination and blamelessness the politics of victimhood and the tension between traditions of sacrifice and the fear of betrayal this book is the first substantive effort to concentrate on the opponents of truth recovery rather than its advocates This book will interest those studying truth processes and transitional justice in the fields of Law Politics and Criminology **Combating**

Terrorism in Northern Ireland James Dingley, 2008-10-13 The essays in this volume unite analysis and practice in exploring both the conflict in Northern Ireland and the internationally applicable counter terrorism lessons which can be drawn from the response to it **Ulster Loyalism and the British Media** Alan F. Parkinson, 1998 The growing body of research into Ulster loyalty has tended to focus on its political nature rather than on its representation in the British media This book examines media representations of the loyalists and looks at how this has affected policy

Congressional Record United States. Congress, 1991 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Ulster Defence Regiment* Chris Ryder, 1991 An examination of the Ulster Defence Regiment UDR the newest and now the largest regiment in the British Army which was raised in 1970 to replace the infamous all Protestant auxiliary police force the B Specials
