A Zeal for God Not According to Knowledge Eric Snow, 2005-03 Are the Jewish arguments against belief in Jesus as mankind s Savior any good Is Jesus Christ the promised Messiah of the Old Testament s prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can t be dismissed lightly Using solid

scholarship and rigorous logic *A Zeal For God Not According to Knowledge* defends Christianity against the arguments of its Jewish critics such as Samuel Levine, Michael Drazin, Tovia Singer and Hyam Maccoby. This book demonstrates that the New Testament is historically reliable, denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices, shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies and proves that the New Testament teaches the Deity of Christ. This book is intended for both Christians perplexed by the arguments of Jewish friends, coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also.
